Lord Chamberlain's-Office.

The Lord Chamberlain has appointed the Reverend Dr. Hugh Pearson, Chaplain in Ordinary to His Majesty's Household at Brighton.

Whitehall, July 9, 1821.

**WHEREAS** it hath been humbly represented to the King, that, between one and two o'clock in the morning of the 7th of June last, a great body of men, to the number of about two hundred, armed with guns, pistols, and other offensive weapons, feloniously assembled on the sea shore, in Eastware Bay, near the town of Folkestone, in the county of Kent, in order to be aiding and assisting in the illegal running, landing, and carrying away of uncustomed goods; and that some of the persons so assembled discharged loaded fire-arms at certain Officers and seamen of His Majesty's ship *Severn*, who were there on their duty in the protection of the revenue, whereby Richard Wooldridge, Quartermaster of the said ship, was killed, and Lieutenant David Peat, and Robert Hunter and John Walker, seamen, were wounded; and upon an inquisition since taken on the body of the said Richard Wooldridge, a verdict of wilful murder hath been found against persons unknown;

His Majesty, for the better apprehending and bringing to justice the persons concerned in this felony and murder, is hereby pleased to promise His most gracious pardon to any one of the persons so assembled (except those who actually fired at and wounded the said Richard Wooldridge, or any of the officers and seamen above named), who shall make a full discovery of his accomplices there-

in, so that they may be apprehended and convicted thereof. SIDMOUTH.

And, as a further encouragement, a reward of FIVE HUNDRED POUNDS is hereby offered to any person (except as aforesaid), who shall discover the said offenders, so that they may be apprehended and brought to justice for the said felony and murder.—Such reward to be paid on conviction by the Lords Commissioners of the Admiralty.

NOTICE TO MARINERS.

BEACON TOWERS, TRAMORE BAY.

**T**HE Corporation for preserving and improving the Port of Dublin, &c. give notice, that they are erecting Beacon Towers on Brownstown and Great Newtown Heads, in the county of Waterford, to mark the situation of Tramore Bay. They are intended to warn Mariners to keep at a distance from this dangerous coast, as there is a strong current into the Bay, which frequently draws into and entangles vessels in it when they approach too near.

There will be three Towers on Great Newtown Head, and two on Brownstown Head, which, with the present Light-house of Hook Tower, will distinctly point out those prominent points of the coast.

By order,

John Cossart, Secretary.
