AT the Court at *St. James's*, the 26th day
 of *June* 1830,

PRESENT,

The KING's Most Excellent Majesty in Council.

HIS Majesty being this day present in Council,
 was pleased to make the following Decla-
 ration, viz.

I AM convinced that you will fully participate in
 the affliction which I am suffering on account of
 the loss of a Sovereign, under whose auspices, as
 Regent and as King, this Country has maintained
 during War its ancient Reputation and Glory—has
 enjoyed a long period of Happiness and internal
 Peace—and has possessed the Friendship, Respect,
 and Confidence of Foreign Powers.

A 2

In addition to that loss which I sustain in common
 with you, and with all who lived under the Govern-
 ment of a most beneficent and gracious King—I
 have to lament the death of a beloved and affec-
 tionate Brother, with whom I have lived, from my
 earliest years, in terms of the most cordial and un-
 interrupted friendship, and to whose favour and
 kindness I have been most deeply indebted.

After having passed my life in the Service of my
 Country, and having, I trust, uniformly acted as the
 most faithful Subject and Servant of the King, I
 am now called upon, under the Dispensation of
 Almighty God, to administer the Government of
 this great Empire. I am fully sensible of the dif-
 ficulties which I have to encounter; but I possess
 the advantage of having witnessed the conduct of
 my revered Father, and my lamented and beloved
 Brother; and I rely with confidence upon the advice
 and assistance of Parliament, and upon its zealous
 co-operation in my anxious endeavours, under the
 blessing of Divine Providence, to maintain the Re-
 formed Religion established by law, to protect the
 Rights and Liberties, and to promote the Prosperity
 and Happiness of all classes of my People.

Whereupon the Lords of the Council made it
 their humble request to His Majesty, that
 this His Majesty's most gracious Declara-
 tion to their Lordships might be made
 public; which His Majesty was pleased to
 order accordingly. *Jas. Buller.*
