

That the deliveries are to commence on and for the 1st day of May next; that proposals in writing, sealed up and marked "Tender for Army Supplies," will be received at this Office on or before Wednesday the 6th day of April next; but none will be received after eleven o'clock on that day.

Proposals must be made separately for each county and island, except for the counties comprising North and South Wales, all of which must be included in one tender; likewise the islands of Alderney, Guernsey, and Jersey, as also the several counties in North Britain; and each proposal must have the letter which is annexed to the tender properly filled up by two persons of known property, engaging to become bound with the party tendering, in the amount stated in the printed particulars, for the due performance of the contract; and no proposal will be noticed unless made on a printed tender, and the prices expressed in words at length; and should it so happen that during the continuance of the contract no troops should be supplied by virtue of the same, the amount of the stamps on the contract and bond, paid in the first instance by the contractor, will be refunded to him.

N. B. As some material alterations have been made in the printed forms, it is particularly desired that persons wishing to tender will not make use of any but those recently printed, which may be had upon application at this Office, and to the Barrack-Masters in the islands of Guernsey, Jersey, and Man.
