

the said guardians so elected shall be a corporation, by the name of "the Governor, Deputy-Governor, and Guardians of the Poor of the city and county of Norwich, and liberties of the same;" and that such corporation shall have the care of, and provide for, the maintenance of the poor, with power to appoint the churchwardens and overseers of the several parishes and hamlets, to assess the rates for the relief of the poor thereof:

And whereas it doth appear to the Lords and others of His Majesty's Most Honourable Privy Council (of whom the Lord President of the Council is one), necessary and expedient, in order to carry into effect the purposes of the before recited Act, and of the Order of their Lordships before mentioned, in the most convenient manner, within the said city and county of the city of Norwich, that the Board of Health for such city and county should be empowered and authorised to apply for all the necessary powers and expences to the guardians of the poor for such city and county, in lieu and stead of applying to the vestries of the several parishes and townships therein:

It is therefore ordered by the Lords and others of His Majesty's Most Honourable Privy Council (of whom the Lord President of the Council is one) that the Board of Health constituted for the said city and county of the city of Norwich, shall and may apply to the clerk of the said corporation to convene a general court of the said guardians of the poor for such city and county, (which court the said clerk is hereby commanded and directed forthwith to convene), and the said Board of Health, by their chairman or secretary, shall and may submit proposals, accounts, and estimates to such court, and apply for the necessary powers and authority, and for a certain sum of money to defray the reasonable expences thereof, delivering their proposals to such guardians of the poor of the said city and county, in the place and stead of making any such application to the vestries of the several parishes as in the before recited Order mentioned. And the said guardians of the poor for the said city and county shall and may, and they are hereby authorised and empowered, if they think proper so to do, to confer upon the Board of Health of the said city, all or any of the powers and authorities mentioned in the said Order of their Lordships; and the said guardians of the poor for the said city and county are further ordered and directed to ascertain and fix the amount of the sum to be allowed for carrying into effect the purposes of the before-recited Act, and of the Order of their Lordships before-mentioned, and of any other Order of their Lordships, in the place, and in lieu and stead of the vestries in the before-recited Order mentioned, and to use and exercise all other the functions and powers given by such Order of their Lordships to select or parish vestries; and for all acts and deeds properly done by such guardians of the poor of the said city and county, in execution and furtherance of this, or of any other Order or Orders of the Lords and others in Council, this Order shall be their full and sufficient warrant.
