AT the Court at *St. James's*, the 19th day of *March* 1834,

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Lords Commissioners of the Admiralty, dated the thirty-first of January one thousand eight hundred and thirty-four, in the words following, viz.

HAVING had under our consideration the several existing modes in which the net proceeds of prizes captured from the enemy by your Majesty's ships or vessels of war, and of captures and seizures made by such ships and vessels, under the several Acts passed for the prevention of smuggling and other Acts relating to your Majesty's Revenue of Customs, and to Trade and Navigation, for the abolition of the slave trade, and for the capture and destruction of piratical

vessels, and of the rewards which have been conferred for the same, have been distributed to the several ranks and classes of officers and men serving on board your Majesty's said ships and vessels, which distribution differs in all of them and from each other, and being of opinion that an alteration in the several modes at present in force would be productive of beneficial effects to the Naval Service, if the whole were arranged under one uniform system by equalising the mode of distributing the said proceeds and rewards; and having had at the same time under our consideration the great disproportion in the present mode of distribution between the higher ranks of officers and the warrant and two classes of petty-officers, seamen, and marines, and being also of opinion that it would bestow upon your Majesty's Naval Service a most important benefit and tend greatly to the encouragement of petty officers and able seamen entering voluntarily on board your Majesty's ships of war if the shares of the proceeds and rewards above mentioned were considerably increased beyond what those valuable officers and men do now receive.

We would, therefore, most humbly submit, that your Majesty may be graciously pleased, by your Order in Council, to cause the Royal Proclamation of the twenty-ninth of June one thousand eight hundred and fifteen, for granting the distribution of the proceeds of prizes captured from the enemy, and the Order in Council of the thirtieth June one thousand eight hundred and twenty-seven, for the distribution of the proceeds and rewards arising from the several other captures and seizures before mentioned, to be annulled, and that in lieu thereof your Majesty would cause your Royal Proclamation to issue, directing the distribution of the proceeds of all such captures and seizures and rewards henceforth to be made and conferred among the officers, seamen, and marines of your Majesty's Fleet in the manner following, viz.

First.—By taking a reasonable sum from the flag-officers, captains, and commanders, and commanding officers' shares of two eighths, as at present allowed, and adding it to the shares of the other commissioned and warrant and petty officers, seamen, and marines.

Secondly.—By giving to the flag-officers, captains, and commanders, and commanding officers, definite shares of the whole sum to be distributed respectively, without making the flag-officers' share dependent on that of the captains and commanders.

Thirdly.—By giving to the first lieutenant or commander doing the duty of a first lieutenant (where there is any), a specific number of shares.

Fourthly.—By adding a third class of petty officers, and dividing the boys into two classes, by which the present number of classes, namely eight, will be increased to ten.

Fifthly.—By throwing the whole, after deducting the parts allotted to the flag officers, captains, and commanders, into specific shares to each individual of the several classes, instead of appropriating a fractional portion to each class collectively.

Should your Majesty be graciously pleased to accede to these general principles, we would humbly submit that the flag officers or officers should have one sixteenth part of the whole net proceeds arising from prizes captured from the enemy, and from all

other captures and seizures as aforesaid, made by the ships and vessels under his command, and of the rewards conferred for the same, save and except as hereinafter mentioned.

That the captain, or captains, or commanders, of any of your Majesty's ships or sloops of war, or the officer or officers respectively commanding such ships or sloops of war, who shall have been actually on board at the time of any such capture or seizure, shall have one sixth part of the remainder and where there is no flag officer, one sixth part of the whole.

That the remainder should be distributed into shares according to the annexed scale :

First class.—To the senior lieutenant, from first to fifth rates inclusive, or the commander acting as first lieutenant (where there is one), the master of the fleet and field officer of marine (if embarked)—fifty-five shares each.

Second class.—To the other lieutenants, captain of marines, master, physician of the fleet, and secretary to the commander in chief—forty-five shares each.

Third class.—To the chaplain, surgeon, and other flag-officers, secretaries, purser, lieutenants of marines, boatswain, gunner, and carpenter—twenty-five shares each.

Fourth class.—To mates, second master, assistant surgeons, schoolmaster, clerks, master at arms—eighteen shares each.

Fifth class.—To midshipmen, master's assistant, admiral's coxwain, ship's corporal, captain's coxwain, quartermaster, gunners' and boatswains' mates, captains of fore-castle and hold, coxwain of launch, caulker, sail-maker, carpenters' mates, armourer, captains of main and fore-tops, serjeant of marines—ten shares each.

Sixth class.—To captains of masts and after-guard, yeomen of signals, coxwain of pinnace, sail-makers', caulkers', and armourers' mates, cooper, rope-maker, volunteers of first class, ship's cook, corporals of marines—eight shares each.

Seventh class.—To seamen, gunners, gunners' crew, carpenters', coopers', and sail-makers' crews, able seamen, yeomen of store-room, private and fifer of marines above seven years—five shares each.

Eighth class.—To cook's mate, barber, ordinary seamen, captains' and pursers' and ward-room stewards, captains' and ward-room cooks, private and fifer of marines, under seven years, and admiral's steward, cook and domestics—three shares each.

Ninth class.—To landsmen, stewards' mates, and others not described, including supernumeraries for victuals only, boys of first class—two shares each.

Tenth class.—To boys of the second class—half a share each.

When land forces are embarked to serve as marines, they are to share according to their respective ranks as marines.

Secondly.—In the cases of prizes captured from the enemy, and all other captures and seizures as aforesaid, made by the officers and men of cutters, schooners, brigs, and other armed vessels of war commanded by lieutenants, when not in company with other ships commanded by captains or commanders, the said lieutenants to share as captains; and where more small vessels than one shall be together, the lieutenants shall have equal shares of the one sixth part.

But a lieutenant or lieutenants commanding small

vessels, when in company with captains or commanders, shall share only as commanders doing duty as first lieutenants, or first lieutenants of first to fifth rates inclusive, namely :—they shall have fifty-five shares.

The remainder to be shared as in the foregoing scale, with the exception of the clerk in charge, who is to share as purser, but if a ship or vessel bearing a purser be present, he is to share only as a clerk.

Thirdly.—In all cases in which supernumeraries, whether officers or men, shall be borne by order of the Lord High Admiral, or the Commissioners for executing the office of Lord High Admiral, or by other proper authority, they shall share with the respective ranks in which they may be acting; save and except, that no flag-officer or other person, not actually present at the capture or destruction of any pirate vessel, shall be entitled to share in any distribution of the proceeds or bounty in respect of the crews of such piratical ships, vessels, and boats; and also save and except, that no flag-officer or other person, who shall not have been actually on board of any of your Majesty's ships, or ships of war, at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, or privateers, belonging to the enemy, shall be entitled to share in the distribution of any head or bounty-money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel.

Fourthly.—The following regulations to be established with respect to the share before mentioned, be given to the flag-officer or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall have actually received some order from, or be acting in execution of some order issued by, a flag-officer; and in the event of his being directed to join a flag-officer on any station, he shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, and shall be considered to continue under the command of the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by, some other flag-officer duly authorised, or by the Lord High Admiral, or the Commissioners for executing the office of Lord High Admiral for the time being.

That a flag-officer, commander in chief, where there is but one flag-officer upon service, shall have to his own use the one sixteenth part of the proceeds of all prizes captured from the enemy, and all other captures and seizures as aforesaid, made by ships and vessels under his command, and of the rewards conferred for the same, save and except as aforesaid.

That when ships or vessels under the command of several flags which belong to separate stations shall happen to be joint captors, each flag-officer under whose orders the ships or vessels are, shall receive such proportion of the flag share to which he shall be entitled, according to the number of ships belonging to each respectively.

Captains or commanders, or commanding officers, of such ships or vessels as shall be under orders from the Lord High Admiral, or the Commissioners for

executing the office of Lord High Admiral, being joint captors with other ships or vessels, under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or the Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one sixteenth part of the net proceeds of prizes captured from the enemy; and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:

If there be but two flag-officers, the chief shall have two third parts of the said one sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

With regard to the preparation of the lists for the distribution of captures or seizures, and the rewards conferred for the same, we beg leave most humbly to propose, that the captains and commanders of your Majesty's ships and vessels of war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted, to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines and soldiers, and others, who were actually on board your Majesty's ships and vessels of war under their command at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding officer and three or more of the chief officers on board.

And when such lists shall have been duly examined with the muster books of such ships or vessels, and lists annexed thereto, in order to see that such lists agree with such muster books and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging to such ships and vessels, and, upon request, the Accountant-General of the Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated and appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall otherwise

be aiding and assisting to the said agents in all such matters as shall be necessary.

Lastly.—In case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein sufficiently provided for, the same shall be referred to the Lord High Admiral, or the Commissioners for executing the office of Lord High Admiral, for the time being, and their directions thereupon shall be final, and have the same force and effect as if specially provided for in your Majesty's Royal Proclamation.

His Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve thereof, and also of the scheme for future distribution therein submitted; and His Majesty, by and with the advice aforesaid, is hereby pleased to direct, that the aforesaid Proclamation of the twenty-ninth of June one thousand eight hundred and fifteen, for granting the distribution of the proceeds of prizes captured from the enemy, and the said Order in Council of the thirtieth of June one thousand eight hundred and twenty-seven, for the distribution of the proceeds and rewards arising from the several other captures and seizures before-mentioned, be annulled, and the same are hereby annulled accordingly, save and except in so far as the said Proclamation or Order may have revoked any former Proclamation or Proclamations, Order or Orders respectively, and also save and except as to any captures or seizures which have been made before the day of the date of this Order, and any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of His Majesty's Courts of Vice-Admiralty, before notice of this Order shall have been received by the Court of Vice-Admiralty in which such condemnation or adjudication shall pass, and that the proceeds of all such last-mentioned captures and seizures, together with all rewards conferred for the same, shall continue to be distributed in the proportions and manner directed in and by the said former Proclamation and Order respectively.

also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall otherwise be aiding and assisting to the said agents in all such matters as shall be necessary.

And We do direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be final and have the same force and effect as if specially provided for in this Our Royal Proclamation:

*Admiralty, Somerset-Place,
March 24, 1834.*

HALF-PAY TO NAVAL OFFICERS AND OFFICERS OF THE ROYAL MARINES.

NOTICE is hereby given, that on the receipt in the Wages Department at the Admiralty-office, Somerset-place, of the affidavit required from each Officer by His Majesty's Orders in Council, a bill for the amount of the half-pay due will be made out in this Department, which will

be payable by the Treasurer of His Majesty's Navy, on the following days, viz.

On the 10th and 11th of April, to Masters, Surgeons, and Pursers, and their Attorneys.

On the 12th, 14th, and 15th of April, to Lieutenants at 5s. a day and under, and their Attorneys.

On the 16th and 17th of April, to Lieutenants at 7s. and 6s. a day, and Chaplains, and their Attorneys.

On the 19th, 21st, and 22d of April, to Admirals, Captains, Commanders and Retired Commanders, and their Attorneys.

Great inconvenience having been experienced by the claims of Officers, who have not chosen to receive their half-pay on the days fixed for their rank, being preferred on the days appointed for the payment of half-pay to Officers of different ranks; notice is hereby given, that no such claims can in future be attended to on the days not appointed for Officers of those ranks; but for the accommodation of such Officers, and also for the convenience of those who may not have transmitted their affidavit sufficiently early to admit of payment on the above-mentioned days, a recall will take place on the 24th and 25th of April.

After which the half-pay will be payable on the first and third Wednesday in every month, excepting during the general payment of half-pay.

Officers residing in or near London, and wishing to receive their half-pay in person, are requested to deliver their affidavits into the Wages-office at the Admiralty, Somerset-house, or transmit them to the Secretary of the Admiralty, immediately on the expiration of each quarter; and those employing agents are also requested to furnish their agents with their affidavits, as promptly, for unless such documents are early delivered into this Office, delay in the payment must unavoidably ensue.

It sometimes happens that Officers apply personally for their half-pay, without having previously sent in their affidavits as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Under the authority of the Statutes relating to the pay of the Navy, besides the above-mentioned modes, Officers may receive their half-pay in any of the following ways, viz.

- 1st. By drawing a bill for the amount, on a form to be transmitted from this Office.
- 2d. By a remittance bill, payable to them at or in the neighbourhood of their residence.
- 3d. By extract or permanent remittance bill, upon which, those Officers who reside in the neighbourhood of a Dock-yard, where there is an establishment of Pay Clerks, may be paid.

If they wish to receive it by bill of exchange, they are to give notice thereof, by letter, to the Secretary of the Admiralty, marked, in the corner, "Half pay, Accountant-General," and thereupon the proper form will be sent to them.

If they wish to have it remitted to them, they must give a like notice to the Secretary of the Admiralty, marked in the same manner, and a bill will thereupon be made out and transmitted to them.

In all cases, the Officer signifying his desire of payment is to state at the foot of his letter, his Christian and surnames; his rank; and a full description of his residence.

MEM.—Bills of exchange drawn under or by virtue of the Act of 11 Geo. 4, cap. 29, are not liable to the stamp duty.

No persons residing out of His Majesty's dominions are entitled to the privileges of this Act.

[Extract from the Dublin Gazette of February 8, 1834.]

TO JOHN GOODBODY, AND ALL OTHER PERSONS CONCERNED.

WHEREAS Thomas Strangman did, by indenture of lease, bearing date the 13th day of April 1748, demise unto William Goodbody all that and those, the lands of Farranglanyn and Shaubegg, for and during the natural lives and life of Joshua Strangman, Joseph Goodbody, and Jonathan Gatchell, and for and during the life and lives of such other person or persons as should for ever thereafter be added thereto,

by virtue of the covenant for perpetual renewal therein contained, upon payment of the sum of £25. as and for a renewal fine on the fall of each life: and whereas, pursuant to the said covenant, the said lease was, by indenture, bearing date the 31st day of January 1803, renewed by Joshua Strangman, in whom the fee and inheritance of said lands was then vested, to John Goodbody, in whom the interest in said lease was then vested, for the lives of the aforesaid Joshua Strangman, Jonathan Gatchell, and Launcelot Croasdale as by the said several indentures may more fully appear; and whereas the right, title, and interest of the said Thomas Strangman and Joshua Strangman has, by mesne assignment, or otherwise, come to, and is now legally vested in me, John Strangman, of the City of Waterford: and whereas John Goodbody, the eldest son of John Goodbody, who is dead, claims to be entitled to all right, title, and interest of said Wm. Goodbody, the original lessee, and said John Goodbody, under said lease and renewal: and whereas all the lives in the said lease and renewal thereof are dead: and whereas there is now due and owing to me, the said John Strangman, a large sum, as and for renewal fines under said lease: and whereas I, the said John Strangman, am unable to discover where the said John Goodbody now is, and in consequence thereof I am unable to make a demand of the said sum so due for fines, on the said John Goodbody: and whereas, in consequence of such inability, I, the said John Strangman, did, by my Agent, on the 6th day of January instant, make a demand of said fines on the said lands so contained in said lease, from Isaac Pattenson, William Goodbody, William Strong, and Edward M'Evoy, the principal tenants who were then, and still are, the principal occupiers of said lands; and which demand has not been since complied with:

Now I, John Strangman, do, in pursuance of the Statute in such case made and provided, give you, the said John Goodbody, and all others concerned, notice, that I, the said John Strangman, did, by my Agent, on the said 6th day of January instant, demand the payment of the fines now due under the said lease, upon the said lands, from the said Isaac Pattenson, William Goodbody, William Strong, and Edward M'Evoy, principal tenants, who they were, and still are, the principal occupiers thereof; and I do also give notice, that such demand has not been complied with; and also, I do hereby demand, require, and call upon you, said John Goodbody, and all other persons concerned therein, to pay all arrears of renewal fines and interest thereon, due and owing for said lands and premises, to which I am now entitled under said lease, or in default thereof, within a reasonable time from the date hereof, I will hold myself exonerated from said covenant of renewal in said lease; and will not renew the same.—Dated this 6th day of January 1834.
