### CONTRACT FOR IRISH BEEF AND PORK.

Department of the Comptroller for Victualling and Transport Services, Somerset-Place, July 20, 1835

**T**HE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that on Thursday the 24th of September next, at one o'clock, they will be ready to treat with such persons as may be willing to contract for the supply of a quantity of

Irish Salt Meat, equal to 9,000 Navy Tierces of Beef, and 9,500 Navy Tierces of Pork,

in separate tenders, all to be cured in the ensuing season; their Lordships reserving to themselves the power, when the tenders are opened, of contracting either for the whole or for such part thereof only as they may deem fit, or of not contracting for any part.

The said meat is to be delivered, seven eighth parts thereof in tierces, and the remaining one eighth part thereof in barrels, into His Majesty's Victualling Stores at Deptford, Portsmouth, Plymouth, and Cork, in such proportions as shall hereafter be directed—one half thereof by the 28th day of February, and the other half by the 31st day of May 1836, and to be paid for by bills payable at sight.

The conditions of the contract may be seen at this Office, or by applying to the Agent for the Victualling at Cork; or to the Collectors of His Majesty's Customs at Limerick, Belfast, Waterford, and Newry, or to the Secretary of the Postmaster-General at Dublin.

No tender for a less quantity than shall be equal to 300 tierces of beef, or to 300 tierces of pork, will be admitted; but all tenders for such small quantities will be accepted, if at a lower price than that for which larger quantities are offered.

No tender will be received after one o'clock on the day of treaty, nor any noticed unless the party attends, or some person on his behalf, duly authorised in writing; and it is to be expressly understood, that the tenders must contain a separate price for the beef and a separate price for the pork; and that every tender must also specify the prices both in figures and words at length, or the tenders will be rejected.

Every tender must be delivered at the above Office, and be accompanied by a letter addressed to the Secretary of the Admiralty, at Somerset-place, and signed by two responsible persons, engaging to become bound with the person tendering, in a sum equal to £25 per cent. on the amount of the contract, for the due performance of the same.
