East India-House, August 12, 1835.

THE Court of Directors of the East India Company do hereby give notice,

That the East India mail of the 1st of March, which was dispatched to Alexandria by the Mediterranean packets, was delivered, on the 1st of April, to the Commander of the steam-vessel Hugh Lindsay, at Suiz; and that the Hugh Lindsay sailed from Suez, on the 3d of April, for Bombay.

The Court is of opinion, that letters which have arrived, or may arrive, in Egypt between the middle of April and the middle of September, would probably have opportunities of expeditious transmission to India by country sailing vessels; but the Court have made no arrangements for the transmission of such letters in any way, and the East India Company have not the means of doing so.

The Court issue this public notice, in order to remove any erroneous impression which may exist respecting the establishment of an East India mail through Egypt; and they think it necessary to add, that, to the best of their knowledge and belief, there are not any opportunities for the expeditious transmission to India of letters which may arrive in Egypt between September and April.
