

marked on the outside "Tender for Army Supplies," will be received at the Ordnance-Office, Pall-Mall, on or before Tuesday the 7th day of February next; but none will be received after eleven o'clock on that day.

Separate proposals must be made for meat, for bread, and for forage; and proposals must also be made separately for each county and island, except for the counties in North Britain, all of which must be included in one tender; and each proposal must have the letter which is annexed to the tender properly filled up by two persons of known property, engaging to become bound with the party tendering, in the amount stated in the printed particulars, for the due performance of the contract; and no proposal will be noticed unless made on a printed form of tender, and the prices expressed in words at length; and should it so happen that during the continuance of the contract no troops should be supplied by virtue of the same, the amount of the stamps on the contract and bond, paid in the first instance by the contractor, will be refunded to him; and persons tendering are desired not to use any forms but those which may be had upon application at the Office of the Secretary to the Board of Ordnance in Pall-Mall.

N. B. Letters to and from Contractors and their Agents cannot be allowed to pass free of postage; but the correspondence between the Contractors and Regimental and other Officers will be forwarded as usual, provided it be strictly official. The Board of Ordnance and their Officers will not, however, be responsible for any letters, money, or orders for money, which may be so forwarded.

By order of the Board,
R. Byham, Secretary.
