

o'clock, they will be ready to treat with such persons as may be willing to contract for supplying and delivering into the Medical Stores at His Majesty's Victualling-yard at Deptford, such quantities of

East India Rice, as may from time to time be demanded during the period of twelve months certain, and further until the expiration of three months warning.

A sample of the rice (not less than two pounds) must be produced by the parties tendering.

The conditions of the contract may be seen at the said Office.

No tender will be received after one o'clock on the day of treaty, nor any noticed, unless the party attends, or an agent for him duly authorised in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left hand corner the words, "Tender for Rice," and must also be delivered at Somerset-place, accompanied by a letter, signed by a responsible person, engaging to become bound with the person tendering, in the sum of £200, for the due performance of the contract.

Department of the Comptroller for Victualling and Transport Services, Somerset-Place, May 6, 1837.

IN consequence of the conditions of treaty not having been strictly complied with, according to the advertisement issued on the 22d of April last, the Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that on Friday the 12th instant, at two o'clock, they will be ready to treat again, under conditions which may be seen at the above Office, or upon application to Commander Chappell, R.N. Agent for His Majesty's packets at Liverpool, or to the Collector and Comptroller of Customs at Glasgow,

For the immediate hire of two Steam Vessels, to be employed in His Majesty's packet service for one year certain, and for such further time as they may be required

One of the vessels must be about 260 tons burthen, of not less than 130 horse power, and capable of being propelled at not less than $10\frac{1}{2}$ knots per hour in a dead calm in smooth water, and not drawing more water, when quite ready for sea, than nine feet eight inches; and the other of about 240 tons burthen, of not less than 100 horse power, capable of being propelled at not less than $10\frac{1}{2}$ knots per hour, and not drawing more water, when quite ready for sea, than eight feet six inches

The vessels to be hired at £. s. d. per calendar month; and tenders may be made for either or both of them.

All tenders to be made upon the printed form provided for the purpose, which may be had upon application as above, and they are to be addressed to the Secretary of the Admiralty, at Somerset-place, with the words "Tender for _____," and Comptroller of Victualling in the left hand corner of the envelope.

No tender will be received after two o'clock on the day of treaty, nor will any be noticed unless the party, or an agent for him, attends

Every tender must be delivered at the above Office, and be accompanied by the owner's authority for letting the vessels, and it must not only express when they will be ready for survey, but when they will be completely ready for sea, and also state the address of the party tendering. As the vessels are required for immediate service, a preference will be given to such as will be ready in the shortest time; and the parties tendering will be required to bind themselves to pay a penalty, as specified in the form of tender, for every day the vessels offered shall be delayed beyond that named in the tender as the day on which they will be ready for sea
