AT the Court at *Buckingham-Palace*, the 4th day of *April* 1838,

PRESENT.

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage," reciting, amongst other things, that His said late Majesty was pleased, on the fourth day of February, and on the sixth day of June, in the year one thousand eight hundred and thirty-five, to issue two several commissions to certain persons therein respectively named, directing them to consider the state of the several dioceses in England and Wales, with reference to the amount of their revenues, and the more equal distribution of episcopal duties, and the prevention of the necessity of attaching, by commendam, to bishoprics, benefices with cure of souls; and to consider also the state of the several cathedral and collegiate churches in England and Wales, with a view to the suggestion of such measures as might render them conducive to the efficiency of the Established Church, and to devise the best mode of providing for the cure of souls, with special reference to the residence of the clergy on their respective benefices; and reciting, that the said Commissioners had, in pursuance of such directions, made four several reports to His said late Majesty, bearing date respectively the seventeenth day of March one

thousand eight hundred and thirty-five, and the fourth day of March, the twentieth day of May, and the twenty-fourth day of June, one thousand eight hundred and thirty-six; and reciting, that the said Commissioners had in their said reports, amongst other things, recommended that commissioners should be appointed by Parliament for the purpose of preparing and laying before His Majesty in Council such schemes as should appear to them to be best adapted for carrying into effect the following, amongst other recommendations; and that His Majesty in Council should be empowered to make Orders ratifying such schemes, and having the full force of law; and that, in order to provide for the augmentation of the incomes of the smaller bishopricks, such fixed annual sums should be paid to the Commissioners, out of the revenues of the larger sees respectively, as should, upon due inquiry and consideration, be determined on, so as to leave, as an average annual income, to the Archbishop of Canterbury fifteen thousand pounds, to the Archbishop of York ten thousand pounds, to the Bishop of London ten thousand pounds, to the Bishop of Durham eight thousand pounds, to the Bishop of Winchester seven thousand pounds, to the Bishop of Ely five thousand five hundred pounds, to the Bishop of Saint Asaph and Bangor five thousand two hundred pounds, and to the Bishops of Worcester, and Bath and Wells, respectively, five thousand pounds; and that out of the fund thus accruing, fixed annual payments should be made by the Commissioners, in such instances and to such amount as should be in like manner determined on, so that the average annual incomes of the other bishops respectively should be not less than four thousand pounds, nor more than five thousand pounds; and that fit residences should be provided for the Bishops of Lincoln, Llandaff, Rochester, Manchester, and Ripon; and that, for the purpose of providing the bishop of any diocese with a more suitable and convenient residence than that which now belongs to his see, sanction should be given for purchases or exchanges of houses or lands, or for the sale of lands belonging to the respective sees:

It is enacted, amongst other things, that the Lord Archbishop of Canterbury for the time being, the Lord Archbishop of York, and the Lord Bishop of London for the time being, John Lord Bishop of Lincoln, James Henry Lord Bishop

of Gloucester, the Lord High Chancellor of Great Britain, the Lord President of the Council, the Lord High Treasurer or the First Lord of the Treasury, and the Chancellor of the Exchequer for the time being, respectively, and such one of His Majesty's Principal Secretaries of State as should be for that purpose nominated by His Majesty, under His royal sign manual (such Lord Chancellor, Lord President, Lord High Treasurer or First Lord of the Treasury, Chancellor of the Exchequer, and Secretary of State being respectively members of the United Church of Great Britain and Ireland), the Right Honourable Dudley Earl of Harrowby, the Right Honourable Henry Hobhouse, and the Right Honourable Sir Herbert Jenner, Knt. should, for the purposes of this Act, be one body politic and corporate, by the name of "the Ecclesiastical Commissioners for England," and by that name should have perpetual succession and a common seal:

And it is further enacted, that the said Commissioners should, from time to time, prepare and lay before His Majesty in Council such schemes as should appear to the said Commissioners to be best adapted for carrying into effect the therein-before recited recommendations, and should in such schemes recommend and propose such measures as might upon further inquiry, which the said Commissioners are thereby authorised to make, appear to them to be necessary for carrying such recommendations into full and perfect effect; provided always, that nothing therein contained should be construed to prevent the said Commissioners from proposing in any such scheme such modifications or variations, as to matters of detail and regulation, as should not be substantially repugnant to any or either of the said recommendations:

And it is further enacted, that when any scheme, prepared under the authority of the said Act, should be approved by His Majesty in Council, it should be lawful for His Majesty in Council to issue an Order or Orders ratifying the same, and specifying the time or times when such scheme, or the several parts thereof, should take effect, and to direct in every such Order that the same should be registered by the registrar of each of the dioceses, the bishops whereof might or should be in any respect affected thereby:

And it is further enacted, that every such Order should, as soon as might be after the making and

issuing thereof by His Majesty in Council, be inserted and published in the London Gazette :

And it is further enacted, that, so soon as any such Order in Council should be so registered and gazetted, it should in all respects, and as to all things therein contained, have and be of the same force and effect as if all and every part thereof were included in the said Act, any law, statute, canon, letters patent, grant, usage, or custom to the contrary notwithstanding:

And whereas the said Commissioners, pursuant to the authority vested in them by the said Act, have duly prepared and laid before Her Majesty in Council a scheme, bearing date the third day of April one thousand eight hundred and thirty-eight, in the words and figures following, that is to say:

*To the Queen's Most Excellent Majesty in Council.*

We, the Ecclesiastical Commissioners for England, appointed and incorporated by an Act, passed in the session of Parliament, held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage," have, in pursuance thereof, prepared, and now humbly lay before your Majesty in Council, the following scheme for further carrying into effect part of the provisions of the said Act relating to the see of Lincoln.

We humbly recommend and propose, that, from and after the next avoidance of the see of Lincoln, in order to raise the average annual income of the Bishop of Lincoln for the time being, to the sum of five thousand pounds, as near as may be, there shall be paid by us to the bishop then succeeding to the said see of Lincoln, and his successors, bishops of Lincoln, for the time being, out of such moneys as shall from time to time be standing to our credit and account in the Bank of England, being part of payments from the larger sees respectively, towards the augmentation of the incomes of the bishops of the smaller sees, the fixed annual sum of one thousand two hundred and fifty pounds, by equal half yearly payments; the first of such pay-

ments to be made at the end of six calendar months from the day of such avoidance; and that whenever thereafter a vacancy in the said see of Lincoln shall happen on any other day than the half yearly day of payment, so calculated as aforesaid, the next half yearly payment shall be apportioned between the bishop making the vacancy, or his representatives, and the bishop succeeding to the see, according to the time which shall have elapsed from the last half yearly day of payment to the day of the vacancy, inclusive, and such proportions shall be paid to the respective parties accordingly.

And whereas the amount of the moneys from time to time applicable to the purposes aforesaid, and to the augmentation of any other of the smaller sees upon vacancies occurring therein respectively, will depend on the contingency of vacancies occurring among the larger sees from which payments are hereafter to be made towards such purposes; and the amount of the demand upon such moneys will depend on the contingency of vacancies occurring among the said smaller sees; and it may therefore happen that the demands upon such moneys may, for a time, exceed the amount thereof; we further recommend and propose, that if at the commencement of any half year, calculated from the first day of January to the last day of June, and from the first day of July to the last day of December, respectively, it shall appear to us that there will in the current half year be a deficiency of the said moneys to pay the sums then charged thereon, and payable in the same half year, it shall be lawful for us to resolve, that a deduction be made from the sum payable as aforesaid in the same half year to the Bishop of Lincoln for the time being, or to the bishops of other smaller sees, who, by virtue of any other scheme prepared or to be prepared by us, and of any Order or Orders of your Majesty in Council for ratifying the same, shall then be entitled to payments in augmentation of their respective incomes, so as to keep the sums to be paid, during the same half year, within the amount of the moneys applicable as aforesaid, during such half year; and to calculate such deduction in proportion to the sums which have been or may be named in this or such other scheme, as the future annual average income of the said sees respectively; and that upon the amount of every such deduction being certified by us, or by our secretary, to the bishop to be affected thereby, within fourteen days after the commencement of such half

year, the said bishop shall have no present claim to any greater sum than the residue of his half yearly payment after such deduction as aforesaid, nor any future claim, except as is hereinafter mentioned; that is to say, that so soon thereafter as the sums to be paid to us in any half year, applicable to the purposes aforesaid, shall exceed the sums to be paid by us for those purposes within the same half year, we shall be authorized and bound to divide the surplus rateably among the bishops from whose payments such deductions shall have been made, or the representatives of such of them as shall be dead, and so from half year to half year, until the whole sums deducted shall be paid; the deductions of one half year to be paid before any payment shall be made on account of the deductions of any subsequent half year.

And we further recommend and propose, that, until an episcopal house of residence shall be provided for the said see of Lincoln, instead of the house of residence, situate at Buckden, in the county of Huntingdon, which by the alterations in the diocese of Lincoln, made under the provisions of the said Act, with the consent of the Right Reverend John Bishop of Lincoln, is not now within the limits of the said diocese, there shall be paid by us, out of the same moneys, to the said bishop, in order to enable him, from year to year, to procure a fit and convenient temporary residence within such limits, the fixed annual sum of five hundred pounds, by half yearly payments, on the twentyfifth day of March and the twenty-ninth day of September in every year, the first of such payments to be made on the twenty-fifth day of March in the year one thousand eight hundred and thirty nine; and that, in case of a vacancy of the said see before a permanent episcopal house of residence shall have been provided as aforesaid, and previously to the termination of any year of hiring of any such temporary residence, there shall be paid by us, out of the same moneys, to the said bishop, or his representatives, in addition to the proportionate part of the then current half yearly payment, such further sum not exceeding the rate of five hundred pounds by the year as aforesaid, as may be required to discharge the rent becoming due for such temporary residence for the then remaining portion of such year of hiring.

And we further recommend and propose, that it shall be lawful for the said John Bishop of Lincoln, or his successors, to pull down all such parts of the

said house of residence, situate at Buckden aforesaid, as shall be determined upon, according to a plan to be laid before us by the said John Bishop of Lincoln, or his successors; and approved by us, and to sell the materials thereof, without being impeachable for waste or accountable for dilapidations to any person whomsoever; and that the net amount of the moneys produced by such sale shall be paid to our credit into the Bank of England to an account intituled "Account with the Ecclesiastical Commissioners for England," and be applied by us towards the expence of providing an episcopal house of residence for the said see of Lincoln as aforesaid.

And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the said see of Lincoln, in conformity with the provisions of the said Act.

All which we humbly recommend and propose to your Majesty in Council.

In witness whereof we have hereunto set our common seal, this third day of April, in the year one thousand eight hundred and thirty-eight.

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is hereby pleased to ratify the said scheme, and to order and direct that the same, and every part thereof, shall take effect immediately from and after the time when the same shall have been registered as hereinafter directed, and shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Lincoln.

C. C. Greville.

And it is further ordered, that either of the parties to the said classification who shall be dissatisfied with the decision of the said revisors, or any of them, or any other person on his or her behalf, may, within one calendar month after such decision shall have been made, appeal against such decision, by petition, to the Governor or the Officer administering the Government of the said Colony; and such Governor or Officer shall, with the advice of the Court of Policy of the said Colony, proceed in a summary way to hear and decide the matter of the petition, and his decision shall be final, subject only to an appeal to Her Majesty in Council.

And the Right Honourable Lord Glenelg, one of Her Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

And it is further ordered, that all penalties which, under the law now in force within the said colony, may be imposed on any person refusing or neglecting to supply to any apprenticed labourer therein the provisions to which by such law such apprenticed labourer is now entitled; shall be applicable to the case of any employer refusing or neglecting to supply the provisions in this present Order mentioned, and shall be in force against such employer in such and the same manner as is now provided and directed by law within the colony aforesaid:

And it is further ordered, that, in respect of such existing penalties for the purpose and within the meaning of this present Order, any person entitled to the services of any apprenticed labourer, or any person who is attorney, manager, agent, or otherwise may be in the lawful superintendance of any such apprenticed labourer, shall be taken to be the employer of such labourer:
