

was, on the 28th day of December 1838, duly registered for solemnizing marriages therein, pursuant to the Act of the 6th and 7th William 4, chap. 85.

Witness my hand this 31st day of December 1838,

H. Rowden, Superintendent Registrar.

NOTICE is hereby given, that a separate building, named the Baptist Chapel, situated at Potter's-street, in the parish of Harlow, in the county of Essex, in the district of Epping, being a building certified according to law as a place of religious worship, was, on the 7th day of January 1839, duly registered for solemnizing marriages therein, pursuant to the Act of 6th and 7th William 4, chap. 85.

Witness my hand this 8th day of January 1839,

John Windus, Superintendent Registrar.

NOTICE is hereby given, that a separate building, named the Baptist Chapel, situated in Mint-lane, in the parish of St. Martin, in the city of Lincoln, in the district of the Lincoln Union, being a building certified according to law as a place of religious worship, was, on the 1st day of January 1839, duly registered for solemnizing marriages therein, pursuant to the Act of 6th and 7th William 4, chap. 85.

Witness my hand this 3d day of January 1839,

Robt. Cooke, Superintendent Registrar.

NOTICE is hereby given, that the patentee of a patent granted to John Read, of Regent-street, in the county of Middlesex, machinist for "improvements in machinery or apparatus for raising and forcing fluids," hath petitioned Her Majesty's Solicitor-General for leave, certified by his fiat and signature, pursuant to the Statute of 5th and 6th William the Fourth, to enter with the Clerk of the Patents of England a disclaimer of so much of the specification as relates to the air vessels surrounding a stomach pump, or pump for administering clysters and other fluids.

Poole and Carpmael, Lincoln's-inn.

January 10th, 1839.

NOTICE is hereby given, that the patentee of a patent granted to Henry William Craufurd, of John-street, Berkeley-square, Commander in the Navy, for "an improvement in coating or covering iron and copper for the prevention of oxydation," bearing date at Westminster the 29th day of April 1837, to which letters patent a specification was duly enrolled, hath petitioned Her Majesty's Solicitor-General for leave, certified by his fiat and signature, pursuant to the Statute 5th and 6th William the Fourth, to enter with the Clerk of the Patents of England a disclaimer and memorandum of alteration of part of the said specification, disclaiming so much of the specification as relates to "coating iron or

copper with what is called Galvanic paint; and also that part which relates to applying a second coating of tin, or tin alloyed with zinc, and altering that part of the description of the process where the use of sal ammonia, or any flux is recommended, in order to explain the same."

Poole and Carpmael, Lincoln's-inn.

January 9th, 1839.

I RICHARD ROBERTS, of Manchester, in the county palatine of Lancaster, Machinist and Engineer, hereby give notice, that I intend forthwith to apply, by petition, to Her Majesty the Queen in Council, under section 4 of the Act of Parliament of the fifth and sixth of His late Majesty King William the Fourth, intituled "An Act to amend the law touching Letters Patent for Inventions," for the prolongation for the term of seven years (or such other term, not exceeding seven years, as Her Majesty in Council shall please to grant), of my respective terms of sole using and vending my invention of "an improvement, or certain improvements, of, in, or applicable to the mule, billy, jenny, stretching-frame, or other machines, however designated or named, used in spinning cotton, wool, or other fibrous substances, and in which either the spindles recede from, or approach to, the rollers, or other deliverers of the said fibrous substances, or in which such rollers or other deliverers recede from, or approach to, the spindles;"—that is to say, my term of sole using and vending my said invention, granted to me, my executors, administrators, and assigns, by certain letters patent, bearing date the 29th day of March 1825, for that part of the United Kingdom of Great Britain and Ireland, called England, the dominion of Wales, and the town of Berwick-upon-Tweed; and also my term of sole using and vending my said invention, granted to me, my executors, administrators, and assigns, by certain letters patent, bearing date the 5th day of April 1825, for that part of the Kingdom of Great Britain and Ireland, called Scotland; and also my term of sole using and vending my said invention, granted to me, my executors, administrators, and assigns, by certain letters patent, bearing date the 1st day of October 1825, for that part of the Kingdom of Great Britain and Ireland, called Ireland;—and I, the said Richard Roberts, do hereby further give notice, that I intend to apply to the Right Honourable the Lords constituting the Judicial Committee of Her Majesty's Most Honourable Privy Council, on the 11th day of February next, if the Judicial Committee shall meet, or be sitting on that day, or otherwise on the first day after the said 11th day of February next, upon which the said Judicial Committee shall meet or be sitting, and Counsel can be heard, for a time to be fixed for hearing the matter of my said petition; and further, all persons desirous of, or intending to be heard in opposition to the prayer of my said petition, are hereby required to enter caveats to that effect, at the said Privy Council-office, Whitehall, on or before the said 11th day of February next.—Dated at Manchester, this 1st day of January 1839.

Richard Roberts.
