

Bishopsgate-street, pursuant to advertisement in the London Gazette, it was resolved,

"That the further sum of £60,000 should be raised, for the purpose of completing certain provisional agreements entered into by the Trustees with Messrs. Ackers and Co. and Messrs. Bibby and Co. (in discharge of their respective claims on the Association), and for providing a sufficient capital for carrying on the operations of the Company; and that for that purpose 20,000 new shares should be created, on each of which shares the sum of £3 and no more should be paid, whereof the sum of £1 10s. is to be paid on or before the 19th day of June next, and the further sum of £1 10s. on or before the 15th day of July next (the former instalment to be forfeited, if the second instalment be not duly paid on the last mentioned day). And that all Proprietors of shares (whether original or auxiliary) be entitled to such new shares in preference, in proportion to their shares in the Association; the said sum of £3 per share to be repaid out of the first profits of the Association; and such new shares to rate equally with, and to be subject to, all the same regulations as the existing shares, so far as the same are applicable to scrip shares."

And it was also resolved,

"That if the said sum of £60,000 should not be fully subscribed, or should the Trustees be prevented by any cause from carrying the proposed arrangements into effect, by the 1st day of August next, then that the sum actually subscribed should be returned to the Subscribers (subject to incidental expences), but that the Subscribers should have no further claim in respect thereof; and that tenders for such new shares should be made to the Secretary, at the Office of the Association, in Liverpool, or No. 10, Austin-friars, London, until the 15th day of June next, and that all Proprietors omitting to apply for shares before that day should be considered as declining to take any of such shares."

The Proprietors are therefore hereby invited to apply for such new shares, by letters, addressed to me as the Secretary of the Association (stating the number of shares which each Proprietor wishes to take), on or before the said 15th day of June next, in default whereof such Proprietors will be considered as declining to take any of such shares.

Copies of the said resolutions may be had on application at the Office of the Association, either in Liverpool, or at No 10, Austin-friars, London.—Dated this 22d day of May 1839.

Alexander Allen, Secretary.
