PRESENT,

The **QUEEN'S** Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament holden in the third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirty-first day of August one thousand eight hundred and forty-one, in the words and figures following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for relieving the present canons of the cathedral church of Canterbury from additional duty by reason of the suspension of canonries therein:

"Whereas it was by the said Act enacted, that,

out of the proceeds of the suspended canonries in any chapter provision might, from time to time, be made by the authority therein provided, for relieving the then existing canons of such chapter, from the performance of any additional duty by reason of such suspension, by the employment of substitutes to be approved by the respective bishops:

"And whereas application has been made to us by the Dean and Chapter of the cathedral church of Canterbury, to make provision for a substitute or substitutes to be employed and approved according to the said Act, to perform the duties which, by reason of the present suspension of one canonry, and the future suspension of five other canonries in the said church, would otherwise be imposed on the present canons:

"We, therefore, humbly recommend and propose, that the said Dean and Chapter be empowered, from time to time, to appoint a substitute or substitutes, to be approved by the Archbishop of Canterbury for the time being, to perform the duties of a canon in residence, for such calendar month or months in this present and each succeeding year as shall remain unprovided for after the periods of statutable and customary residence by all the existing canons shall have been fixed:

"And we further recommend and propose that, until the said chapter shall consist exclusively of canons appointed after the passing of the said recited Act, it shall be lawful for the treasurer or other

proper officer, for the time being, of the said dean and chapter to retain, out of the first moneys payable to us as such proceeds as aforesaid in each year, the sum of fifty pounds for every calendar month, to be so provided for as aforesaid, and to pay the same to the person or persons so appointed and approved, in such proportions, if more than one person as shall be equal to the period of residence and duty by each of them actually kept and performed :

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the said cathedral church of Canterbury in conformity with the provisions of the said Act.”

And whereas notice of the said scheme has been duly given to the present Dean and Chapter of the cathedral church of Canterbury, pursuant to the provisions of the said Act, and no objection has been made thereto :

And whereas the said scheme has been approved by Her Majesty in Council ; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act ; and, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Canterbury.

AT the Court at Windsor, the 14th day of September 1841,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament holden in the third and fourth years of Her Majesty's reign, intituled “ An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,” duly

prepared and laid before Her Majesty in Council a scheme, bearing date the thirty-first day of August one thousand eight hundred and forty-one, in the words and figures following, that is to say :

“ We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled “ An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,” have prepared, and now humbly lay before your Majesty in Council, the following scheme, for confirming certain alterations in the statutes of the cathedral church of Durham :

“ Whereas by the said recited Act it is, amongst other things, provided, that the chapters of the several cathedral churches shall, from time to time, propose to their respective visitors such alterations in the existing statutes and rules as shall make them consistent with the constitution and duties of the chapters respectively, as altered under the authority of the said Act ; and that all such alterations may be confirmed by the authority of the visitor ; and that all such statutes and rules, when so altered, shall be submitted to us, and may be confirmed by the authority in the same Act provided :

“ And whereas the Dean and Chapter of the said cathedral church of Durham have proposed to Edward Lord Bishop of Durham, as their Visitor, certain alterations in the statutes of their cathedral church, which are set forth in the schedule hereunto annexed :

“ And whereas the said alterations have been confirmed by such Visitor, and appear to us to be necessary and proper and consistent with the constitution and duties of the said chapter of Durham as altered under the provisions of the said recited Act :

“ We, therefore, recommend and propose, that the said alterations shall become and be statutes and rules of the said cathedral church, and shall be confirmed as such accordingly :

“ And we humbly recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the cathedral church of Durham, in conformity with the provisions of the said recited Act.”

SCHEDULE.

We, the Dean and Chapter of the cathedral church of Durham do, in pursuance of an Act, passed in the last session of Parliament, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," propose to the Right Reverend Edward Lord Bishop of Durham, the Visitor of the same cathedral church, that the following alterations be made in the statutes of the said cathedral church:

First.—Whereas, in the fourth chapter of the same statutes, intituled "of the entrance and installation of the canons," it is decreed, "that the dean or precentor shall go into the choir before the canon to be installed, and shall induct him into the stall assigned to his prebend;" we, the said Dean and Chapter, propose that these words be altered and extended as followeth, that is to say, "that the dean or precentor shall go into the choir before the canon to be installed, and induct him into such a stall or seat in the choir as the dean and chapter may, from time to time, see fit to assign to his canonry; and that the dean and chapter may, from time to time, make such regulations with respect to the several stalls, and their occupation by the canons respectively, as may become necessary by reason of the suspension of canonries, so as to prevent the continued vacancy of any stall belonging to a suspended canonry, not being one of the lower stalls."

Second.—And whereas also in the fifth chapter of the same statutes, intituled "of the whole number of those who are kept in the cathedral church," it is decreed that, amongst others, "there shall be for ever in the said church twelve canons or prebendaries, and twelve minor canons;" we, the said Dean and Chapter, propose that the following alteration be made, that is to say, that for the word "twelve" relating to the number of canons, the words "not less than six" be substituted; and that for the word "twelve," relating to the number of minor canons, the words "not more than six" be substituted; and that the same words be also substituted in every other part of the said statutes relating to the number of canons and minor canons respectively.

Third.—And whereas also by the sixteenth chapter of the same statutes, intituled "of the tables and residences of the canons," the dean and canons

are enjoined to entertain, amongst others, "the choir, citizens, and strangers;" and whereas the emoluments of the dean and of one of the canons now are, and those of future canons will be, materially diminished by the severance of their separate estates, and otherwise, under the provisions of the said recited Act; we, the said Dean and Chapter, propose that so much of this chapter as enjoins such hospitality be repealed, so far as it applies to the dean and to all canons appointed after the passing of the same Act; but that, notwithstanding, the dean and such canons shall continue to enjoy their respective shares of the income of the church.

Fourth.—And whereas also by the nineteenth chapter of the same statutes, intituled "of the election of officers," and by a certain correction of the same, it is decreed, "that if only ten canons be present at an election, he shall be chosen whom the dean (or he being out of the kingdom of England) the subdean and five of the canons present shall name, and if only eight or fewer of the canons shall be present, then that he shall be chosen, whom the dean (or he being out of the kingdom of England), the subdean and four of the canons present shall name; we, the said Dean and Chapter propose that so much of this chapter as relates to the number of canons to be present at and consenting to the election of officers be repealed, and that the following words be substituted, that is to say, "that a majority of the existing members of chapter, including the dean (or he being out of the kingdom of England), the subdean shall at all times, and for all purposes, be a sufficient number for constituting a chapter."

Fifth.—And we also propose, that so much of the twenty-second chapter of the same statutes, intituled "of the office of treasurer," as provides that the dean and canons shall not change their houses, be suspended until the number of canons shall be reduced to six.

Sixth.—And whereas also, by the twenty-fourth chapter of the same statutes, intituled "of the presence of officers," permission is given to the minor canons to hold together with their officers, in the church one ecclesiastical benefice, so that such benefice be not above twenty-four miles distant from the city of Durham; we, the said Dean and Chapter, propose, that for the words "twenty-four miles," the words "six miles" be substituted, in respect to minor

canons appointed since the passing of the said recited Act.

“In witness whereof, we, the said Dean and Chapter, have hereunto affixed our common or chapter seal, the twentieth day of July one thousand eight hundred and forty one.”

“I, the Right Reverend Edward, by Divine Providence, Lord Bishop of Durham, the Visitor of the cathedral church of Durham, do hereby approve of the alterations proposed to be made in the statutes of the cathedral church of Durham hereunto annexed, and do hereby confirm the same.

“In witness whereof, I have hereunto set my hand and episcopal seal, this thirty-first day of July one thousand eight hundred and forty one.”

And whereas notice of the said scheme has been duly given to the present Dean and Chapter of the cathedral church of Durham, pursuant to the provisions of the said Act, and no objection has been made thereto :

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Durham.

AT the Court at Windsor, the 14th day of September 1841.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament holden in the third and fourth years of Her Majesty's reign, intituled “An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of

“Ecclesiastical Duties and Revenues,” duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirty-first day of August one thousand eight hundred and forty-one, in the words and figures following, that is to say :

“We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled “An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical “Duties and Revenues,” have prepared, and now humbly lay before your Majesty in Council, the following scheme, for uniting the sinecure prebend or rectory of North Newton, in the diocese of Salisbury, with the vicarage of the parish of North Newton and the chapelry of Little Knoyle, in the same diocese :

“Whereas the Right Honourable Robert Henry Earl of Pembroke and Montgomery is now the patron of the said sinecure prebend or rectory of North Newton, otherwise North Newton, otherwise Newington, otherwise Nunton, anciently founded in the abbey or conventual church of Wilton, in the county of Wilts and diocese of Salisbury, and the Reverend Joseph Samuel Stockwell is the Prebendary thereof, and in right of such prebend is patron of the said vicarage of the parish of North Newton, otherwise Nunton, and of the said chapelry of Little Knoyle, otherwise Knoyle Odierne, otherwise West Knoyle, in the county and diocese aforesaid :

“And whereas the said Earl and Prebendary are desirous that the said prebend or rectory shall be permanently united with the said vicarage and chapelry, according to the provisions of the said Act; and whereas, by reason of the distance between the parishes of North Newton and Little Knoyle, it is expedient for the interests of religion that they should be separated and disunited as benefices; and the Right Reverend Edward Bishop of Salisbury, and also the said Earl and Prebendary, are willing and intend, if this present scheme shall obtain the approval of your Majesty in Council, to take such steps as are by law prescribed towards effecting such separation and disunion :

“Now, therefore, we humbly recommend and propose, with the consent of the said Robert Henry Earl of Pembroke and Montgomery, and the said

Joseph Samuel Stockwell (in testimony whereof they have respectively signed and sealed this scheme), that, immediately upon the first vacancy of the said prebend or rectory, the same prebend or rectory, together with all lands, tithes, and other hereditaments and endowments attached or belonging thereto, or held or enjoyed in right thereof, shall, subject to any now subsisting lease or leases of such lands, tithes, and other hereditaments, or of any part or parts thereof, become and be permanently annexed and untied to, and shall belong to and form part of, the said vicarage and chapelry, and shall and may be held and enjoyed by the incumbent or incumbents thereof in as full and ample manner as the same have been held and enjoyed by any prebendary or rector of the said prebend or rectory, or his or their lessee or lessees, to all intents and purposes; and that the patronage of the said vicarage and chapelry shall thenceforth and for ever thereafter be vested, in the patron, of the said prebend or rectory for the time being:

“And we recommend and propose, that nothing herein contained shall prevent us from recommending and proposing further measures respecting the matters to which this scheme relates, or any or either of them, in conformity with the provisions of the said Act.”

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Salisbury.

AT the Court at Windsor, the 14th day of September 1841,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament holden in the

third and fourth years of Her Majesty's reign, intituled “An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;” and of another Act, passed in the last session of Parliament, intituled “An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England,” duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirty-first day of August one thousand eight hundred and forty-one, in the words and figures following, that is to say:

“We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled “An Act for carrying into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;” and of another Act, passed in the last session of Parliament, intituled “An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England,” have prepared, and now humbly lay before your Majesty in Council, the following scheme, for effecting an exchange of certain advowsons between your Majesty and the Dean and Chapter of the cathedral church of Saint David's:

“Whereas it is enacted by the first recited Act, that, with an especial view to the better care of populous parishes, arrangements may, from time to time, be made, by the authority therein provided, for improving the value or making a better provision for the spiritual duties of ill endowed parishes, by means of such exchange of advowsons, or of such other alterations in the exercise of patronage as may be agreed upon by patrons, with the consent of the bishop in every such case; and by the secondly recited Act it is enacted, that it shall be competent to the authority in the first recited Act provided, to make such arrangement, with respect to the exchange of advowsons or other alteration in the exercise of patronage, notwithstanding that such advowsons, or any or either of them, or such patronage, shall be vested in or belong to any ecclesiastical corporation, aggregate or sole:

“And whereas your Majesty is patron of the rectory of Saint Elveis, otherwise Saint Elvies, in the diocese of Saint David's and county of Pembroke, and the Dean and Chapter of the said cathedral

church of Saint David's are patrons of the perpetual curacy of Saint Ederns, alias Saint Edrins, in the same diocese and county:

" And whereas it has been made to appear to us, that it is expedient for the objects contemplated and intended by the said first recited Act, and would be conducive to the interests of religion, to exchange the advowson or right of patronage of the said rectory of Saint Elveis for the advowson or right of patronage of the said perpetual curacy of Saint Ederns, so that the advowson and right of patronage of the said rectory may, after such exchange as aforesaid, be vested in, and exercised by, the said Dean and Chapter, and the advowson and right of patronage of the said perpetual curacy may, in like manner, be vested in, and exercised by, your Majesty:

" And whereas the said rectory of Saint Elveis does not exceed the yearly value of twenty pounds, in your Majesty's books;

" We, therefore, with the consent of the Lord High Chancellor of Great Britain and the Right Reverend Connop Bishop of Saint David's, in testimony whereof they have respectively signed and sealed this scheme, and also of the said Dean and Chapter, in testimony whereof they have hereunto affixed their corporate seal, do humbly recommend and propose, that such exchange of advowsons and right of patronage as aforesaid shall be forthwith made and fully carried into effect."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Saint David's.
