**A**T the Court at *Buckingham-Palace*, the 10th day of *June* 1843,

PRESENT,

The *QUEEN's* Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirtieth day of May one thousand eight hundred and forty-three, in the words and figures following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your present Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for empowering and enabling the Master, Fellows, and Scholars of *St. Mary Magdalene College*, in the University of Cambridge, to convey and assure the advowson of and perpetual right of presentation to the rectory of *Elingham*, in the county of *Norfolk* and diocese of *Norwich*, to the persons, and in the manner, hereinafter mentioned.

Whereas we did, in pursuance of the said recited Act, prepare and lay before your Majesty in Council a scheme, bearing date the eleventh day of February now last past, for severing the said rectory of *Elingham* from the

mastership of the said college, and for authorizing the sale of the advowson of the said rectory; and by the same scheme we did, amongst other things, recommend and propose, with the consent of the Master and Fellows of the said college, and also with the consent of the Right Honourable *Richard Griffin Lord Braybrooke* (as Visitor of the said college), and of the Right Honourable and Reverend *George Neville Grenville*, the then and present Master of the said college, and, as such Master, the then and present Rector and Incumbent of the said rectory of *Elingham*, that the advowson of and perpetual right of presentation to the said rectory of *Elingham* should be severed and disannexed from the said mastership; and that the said advowson and right of presentation, together with all endowments, rights, privileges, and appurtenances thereunto belonging, might and should be sold and conveyed to such person or persons or body corporate, in such manner, and subject to such conditions, and for such price or sum of money as should be determined upon and approved by us, but not for a less price or sum of money than should be approved by the Visitor and Master of the said college for the time being; and, by our said scheme of the eleventh day of February last, we did further recommend and propose, that nothing therein contained should prevent us from recommending and proposing other measures relating to the matters to which the same scheme applied, in conformity with the provisions of the said Act:

And whereas at a Court, held at *Buckingham-Palace* on the twenty-fourth day of February now last past, your Majesty was graciously pleased to approve and ratify the said scheme by an Order in Council, which has been duly published in the *London Gazette* pursuant to the said Act:

And whereas, in pursuance of the said scheme of the eleventh day of February last, and by

virtue of your Majesty's said Order, we did cause certain particulars to be printed, offering the said advowson of and perpetual right of presentation to the said rectory of Elingham for sale, with a form of tender for the purchase thereof annexed:

And whereas the Reverend John Brewster Wilkinson, of Holbrook, in the county of Suffolk, Clerk, Thomas Clark Brettingham, of Brookdish-place, in the county of Norfolk, Esquire, and William Elliott Le Blanc, of New Bridge-street, Blackfriars, in the city of London, Gentleman, did, agreeably to the said printed particulars and form of tender, offer the sum of six thousand five hundred pounds for the purchase of the said advowson and perpetual right of presentation:

"And whereas the said price or sum of six thousand five hundred pounds having been approved by the said Richard Griffin Lord Braybrooke (the said present Visitor of the said college), and by the said George Neville Grenville (the said present Master of the said college), testified by their having, respectively, signed and sealed this present scheme, we have approved the said offer of the said John Brewster Wilkinson, Thomas Clark Brettingham, and William Elliott Le Blanc, to become purchasers of the said advowson and perpetual right of presentation at or for that price or sum:

"And whereas doubts are now entertained whether, in consequence of the Act of Parliament, by virtue of which the said rectory of Elingham was annexed and united to the said mastership of the said college, having rendered it unnecessary for the Master, for the time being, of the said college to be presented to the said rectory, the advowson of and right of presentation to the said rectory is now legally vested in any person or body corporate; and it is therefore expedient, in order to carry the said scheme of the eleventh day of February last, and the said sale which has been made in pursuance thereof as aforesaid, into full and complete effect, that some person or body corporate should be duly authorized and empowered to convey and assure the said advowson of and perpetual right of presentation to the said rectory, unto the said John Brewster Wilkinson, Thomas Clark Brettingham, and William Elliott Le Blanc:

We, therefore, further recommend and propose, with the consent of the Master, Fellows, and Scholars of the said college (testified by their having sealed this scheme with their common seal), and also with the consent of the said Richard Griffin Lord Braybrooke, as Visitor of the said college, and of the said George Neville Grenville (testified by their having, respectively, signed and sealed this scheme), that the said Master, Fellows, and Scholars of the College of Saint Mary Magdalene, in the University of Cambridge, and their successors, shall be hereby authorized and empowered, with our consent (testified under our common seal), and upon the said purchase money or sum of six thousand five hundred pounds being paid to us by the said John Brewster Wilkinson, Thomas Clark Brettingham, and William Elliott Le Blanc, to convey and assure (under the com-

mon seal of the said Master, Fellows, and Scholars) the said advowson of and perpetual right of presentation to the said rectory of Elingham, together with all endowments, rights, privileges, and appurtenances thereunto belonging, unto the said John Brewster Wilkinson, Thomas Clark Brettingham, and William Elliott Le Blanc, their heirs and assigns, or to such uses as they shall direct:

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the matters to which this scheme applies, in conformity with the provisions of the said Act."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrars of the dioceses of Norwich and Ely respectively.

Wm. L. Bathurst.
