

" We, therefore, humbly recommend and propose, that there shall be paid by us, in each and every year, to the incumbent for the time being of each of the benefices and churches so described in the said schedules, marked respectively A. 1, A. 2, A. 3, B, C, and D, the fixed annual sum set opposite to the name of such benefice or church, in the last column of the said schedules respectively, by equal half-yearly payments, on the first day of May and the first day of November in each year; and that the first such half-yearly payment shall be made on the first day of November next; except in the cases of the churches of Saint Leonard and Saint Mary, Bridgnorth aforesaid, contained in the said schedule, marked B., the incumbents whereof respectively shall, on such last-mentioned day, receive two such half-yearly payments; and that in case of a vacancy in any of the benefices or churches contained in the said four schedules having already happened during the period over which the payment recommended and proposed extends, or hereafter happening on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between the incumbent making the vacancy, or his personal representatives, and the incumbent succeeding to the benefice or church so becoming vacant.

" And whereas we have satisfied ourselves that

the several benefices and churches contained in the schedule hereunto annexed, marked E. also fall within the second class aforesaid, except the vicarages of Cropwell Bishop and Strensall, and the district church of Wellington-heath, which fall within the third class aforesaid; we therefore recommend and propose, that, in order to provide fit houses of residence for the incumbents of all the benefices and churches contained in the last-mentioned schedule, we shall be at liberty to pay, to such persons and at such times as shall appear to us from time to time to be expedient, such a sum or sums of money, in the case of each such benefice or church, as shall be required for providing a fit house of residence for the incumbent thereof; provided that (except in the cases of the three last-named benefices), the total amount so paid by us shall not exceed the amount of the whole benefaction where the benefice or church is in public patronage, nor two third parts of the amount of the whole benefaction where the benefice or church is in private patronage.

" And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measure for making better provision for the cure of souls, in conformity with the provisions of the said recited Acts, or either of them."
