"And whereas the township of Hett, lately in the parish of Merrington, in the county and diocese of Durham aforesaid, has been detached therefrom, and added to the adjoining chapelry of Croxdale, and therewith now forms a separate consolidated district parish, under the name of the Parish or Parochial Chapelry of Croxdale, having been so constituted by an Order of your Majesty in Council, bearing date the tenth day of June, in the year one thousand eight hundred and forty-three:

" And whereas, after due consideration of the wants and circumstances of the parish aforesaid, we have deemed it expedient to make additional provision for the cure of souls therein, by conveying and assigning to the incumbent of the parish or parochial chapelry aforesaid the tithes or rent charge hereinafter described, and the Dean and Chapter of Durham have agreed, in pursuance of the powers possessed by them in that behalf, and (with our consent, as required by the said first recited Act) by a proper legal instrument already prepared, and intended to bear date the day on which any Order of your Majesty in Council for ratifying this scheme shall be gazetted, to grant the perpetual annual rent, hereinafter mentioned to be payable to them, out of such tithes or rent charge, to the incumbent of the said parish or parochial chapelry of Croxdale, out of the tithes of which, or rent charge in lieu thereof, such perpetual annual rents are now respectively payable:

"We, therefore, humbly recommend and propose, that all the tithes of corn and grain growing, renewing, and arising out of and from all the titheable lands and places within the said township of Hett, now vested in us, or the rent charge for which such tithes shall hereafter be duly commuted, subject to the deductions to be legally made thereout on account of rates, but including and together with the perpetual annual rent or sum of two pounds six shillings and eight pence now issuing and payable thereout to the said Dean and Chapter of Durham, and so as aforesaid intended to be granted by them, shall forthwith be transferred to, and absolutely vested in, the incumbent of the said parish or parochial chapelry of Croxdale, and his successors for ever.

"And whereas the provision hereby recommended to be made for the said parish or parochial

chapelry was proposed by the said Dean and Chapter, and agreed to by us previously to the date of the constituting thereof as aforesad; we, therefore, further recommend and propose, that there shall be paid by us to the incumbent thereof a sum of money, equal in amount to such portion of the rent charge aforesaid, as may have accrued to us after deducting all out-goings in respect thereof, from the day of the date of the said Order of your Majesty in Council to the day of the date of this scheme.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters herein contained, in conformity with the provisions of the said recited Act."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Durham.
