And in the said Bill power will be applied for to authorize the construction and maintenance of the following branch railways, or some of them, with proper works, stations, communications, approaches, and conveniences connected therewith, (that is to say): a branch railway commencing by a junction

with the intended main line of railway in the parish and township of Great Driffield aforesaid, passing through the said parish and township and terminating in the same by a junction with the Hull and Bridlington Railway.

Another branch railway commencing by a junction with the said intended main line of railway in the parish and township of Old Malton aforesaid, passing through the said last-named parish and township, and terminating in a field or close therein belonging to the Right Honourable Earl Fitzwilliam, and in the occupation of John Hopkins.

And the promoters of the said undertaking reserve to themselves the power of confining the application to Parliament in the ensuing session to a part only instead of the whole of the said railway and branch railways.

And it is intended to take power by such Bill or Bills to construct stations, communications, works, and other conveniences, in the several parishes, townships, and extra-parochial places before mentioned, or some of them, for the working and using the said railway and branch railways, and also to authorize a junction with any railway or railways at the commencement or termination, or on the line or course of the said intended railway, as before described in the several parishes, townships, and extra-parochial places aforesaid; and in the said Bill or Bills, powers will be applied for to deviate from the line or lines laid down on the plans hereinafter mentioned to the extent thereon defined, and to alter, divert, or stop up, whether temporarily or permanently, all such turnpike roads, canals, aqueducts, navigations, railways, and tram-roads, within the parishes, townships, parochial chapelries, or townlands and extra-parochial places aforesaid, as it may be necessary so to alter, divert, or stop up, for the purposes of such railway and branch railways.

And it is intended to apply for power, in the said Bill or Bills, to levy tolls, rates, or duties, for the use of the said railway and branch railways, and to grant certain exemptions from such tolls, rates, or duties; and also for the powers usually conferred for the compulsory purchase of the lands and houses to be described upon the plans hereinafter mentioned.

And also for power to vary and extinguish all rights and privileges which may in any manner interfere with the objects aforesaid, and to confer other rights and privileges.

And it is intended, by such Bill or Bills, to incorporate a company or companies for the purpose of executing the said railway, and branch railways, and other works.

And notice is hereby further given, that duplicate plans and sections, describing the line and levels of the said intended railway and branch railways, and the works connected therewith, and the lands to be taken for the purposes thereof, together with books of reference to such plans, containing the names of the owners or reputed owners, lessees or reputed lessees, and occupiers of such lands, will, on or before the thirtieth day of this present month of November, be deposited with the Clerk of the Peace for the North Riding of the county
