And also to enable the said Wakefield Water-works Company to lay down and maintain mains, culverts, pipes, drains, tunnels and conduits, for the conveyance of such water through private lands, and in and along streets, roads, and public passages within the said parish, and to return the surplus or spare water to the said river Calder, near to the Soke Mill-dam in the township of Wakefield aforesaid, or at some other part of the river Calder, in the said township of Alverthorpe with Thornes, in the parish of Wakefield aforesaid, and above the said Soke Mill-dam; and also to stop up, alter, or divert all such highways or roads within the said parish as it may be necessary to stop up, alter, or divert, for effecting the purposes aforesaid, or any of them.

And notice is hereby further given that it is intended by the said Act or Acts to make provision for the laying and collecting of rates or rents for such supply of water, and for granting such exemptions from the payment of such rates or rents, or to determine any exemptions from any existing rates or rents as may be deemed expedient.

And it is also intended to authorize the said Wakefield Water Works Company to raise or borrow, on the credit of the works and rates or water rents, or to raise by the creation of new shares in the undertaking or otherwise, a sum of money not exceeding ten thousand pounds in addition to the several sums of money they are now authorized by the said Acts, or either of them, to raise or borrow for better enabling them to supply the said town and neighbourhood and places aforesaid with water.
