

Westminster Improvements.

NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing session, for an Act or Acts to authorize and empower certain commissioners to be appointed under the authority of the said Act or Acts, to make, form, and construct a new street, sixty feet in width, commencing at or near Abingdon-street, or College-mews, in the parish of Saint Margaret's, in the city and liberties of Westminster, and passing through College-street, Barton-street, Bowling-street, Little Smith-street, Great Smith-street, Saint Ann's-street or John's-buildings, Saint Ann's-lane, and Perkin's-rents, to Duck-lane; and from thence by a branch to the Horseferry-road, and Rochester-row, and from Duck-lane aforesaid, by another branch through Strutton-ground, Artillery-place, Black Coat-walk, and Buckingham-row, to James-street; and also another street, fifty feet in width, commencing from the above-mentioned street, at or near Perkin's-rents, and passing through Old Pye-street to Orchard-street; and also another street, fifty feet in width, commencing from the first-mentioned street at or near Saint Ann's-lane, and passing through Old Pye-street to Orchard-street aforesaid.

And it is further proposed, in or by the said Act or Acts, to take powers to widen Saint Ann's-street, or any part of it, to the width of fifty feet; and also to widen Orchard-street, or part of it, to the width of fifty feet; and to take down, and remove, and shut up Old Pye-street, New Pye-street, Duck-lane, Perkin's-rents, and Saint Ann's-lane; and also to take down and remove the houses and buildings situate in the Broad Sanctuary, between Westminster Abbey and Flood-street, and numbered respectively one and two; all which said works will be made in, through, or into the several and respective parishes of Saint Margaret's and Saint John's, in the said city and liberties of Westminster, in the county of Middlesex; and also to divert, alter, stop up, or enclose, or widen and improve such parts of the present streets, courts, alleys, ways, or passages, and void ground, as will form entrances to, or will communicate with, the said intended new street or streets, or as shall be necessary to be stopped up and enclosed, or widened and improved for the purposes of the said Act or Acts; and also to raise or lower the ground of any streets or ways, or sub-ways, which shall communicate with the said intended street or streets, and to make such alterations in the levels, drains, and sewerage, sub-ways, roads, footways, and pavements of such streets as may require such alterations; and also to empower the said Commissioners to treat, contract, and agree with the Dean and Chapter of Westminster, the Governors of the Grey Coat Hospital in Tothill-fields, of the Royal Foundation of Queen Ann, the Governors or Trustees of the Hospital of Saint Margaret's, in the city of Westminster, in the county of Middlesex, of the Foundation of King Charles, the Master and Fellows of Corpus Christi or Benet's College, Cambridge, and the Governors or

Trustees of Emanuel Hospital, or Lord and Lady Dacre's Charity Estate, the Governors or Trustees of Emery Hill's Almshouses, the Trustees of Palmer's Charity, the Governors or Trustees of the Blue Coat School, or other governors or trustees of any charity, estate, or other incapacitated persons, whose lands or property may be required for the said intended street or streets, or other improvements connected therewith, or contemplated by the said Act or Acts, for the sale to or the settlement upon them of new houses or buildings upon the proposed line of the said streets, or either of them, in lieu of all or any of the lands, houses, or property intended to be taken from them by the said Commissioners for the purposes of the said Act or Acts.

And it is further intended, by the said Act or Acts, to obtain powers for the purchase of lands and houses, either by compulsion or agreement, through which the said proposed street or streets will be carried, and also such lands and houses on each side of the said street or streets, and being within the said parishes aforesaid, and to such extent as may be necessary for carrying out the before-mentioned improvements and all other improvements contemplated by the said Act or Acts.

And it is also intended to vary or extinguish all existing rights or privileges in any manner connected with, or incident to, such lands and houses, which would in any manner impede or interfere with the objects aforesaid, and to confer other rights and privileges.

And it is further proposed, in and by the said Act or Acts, to take powers to authorize the appropriation of any increased rates, or of any annual or other sum or sums of money, out of the rates levied and collected, or hereafter to be levied and collected, within the above-mentioned parishes, for and towards the forming and constructing such proposed new streets and other improvements, and for paying the costs of applying for and obtaining the said Act or Acts.—Dated this tenth day of November 1845.

Bridges and Mason, Solicitors for the Bill.

CONTRACT FOR WELSH COALS FOR
DEPTFORD.

Department of the Comptroller for Victualling and Transport Services, Somerset-Place, December 13, 1845.

THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that, on Friday the 19th instant, at one o'clock, they will be ready to treat with such persons as may be willing to contract for supplying and delivering into Her Majesty's Victualling Stores at Deptford,

600 tons of hand-picked Bryndorway, Llangenneck, or Graigola Coals; half to be delivered in three weeks, and the remainder in three weeks afterwards.

The conditions of the contract may be seen at the said Office.
