To the Honourable the Committee of Privy Council for Trade.

The Memorial of the undersigned Shareholders in the Rugby, Derby, and Manchester Railway Company,

Sheweth,

That your Memorialists are respectively shareholders and copartners in a public joint stock company for making a railway from Rugby, through Derby, to Manchester, to be called "The Rugby, Derby, and Manchester Railway Company," under the several covenants, clauses, and agreements set forth in their deeds of partnership or subscription contract:

That the said Company hath been provisionally registered under the regulation of the 7th and 8th Victoria, chapter 110, entitled "An Act for the registration, incorporation, and regulation of joint stock companies," and the certificate of such provisional registration bears date the 22d day of July 1845, and is numbered 4745:

That notice of the intended application to Parliament, for an Act to incorporate the said railway company, was duly published in the London Gazette and in the local newspapers, and plans and sections of the said intended line of railway and books of reference were duly deposited with the clerks of the peace for the several counties through which the said line was intended to be made, and with the Railway Department of your Honourable Board:

That your Memorialists beg leave most respectfully to refer your Right Honourable Board to the proceedings at a special general meeting of the shareholders in the said Company, duly convened and held at the London Coffee-house, Bishopsgate-street, London, on Wednesday the 17th day of December 1845, and to the several resolutions passed thereat, a copy of which printed report and resolutions is appended to this Memorial:

That your Memorialists cannot enforce their just claims against the promoters of the said undertaking, inasmuch as such claims can be enforced only, as your Memorialists are advised, by means of a suit in equity, to which, owing to the said Company not being incorporated, each shareholder must be made a party; and that such suit, by reason of the great number of parties, could not practically be carried on to judgment; your Memorialists, therefore, are most desirous to obtain a certificate of complete registration of the said Company, in order that they may be incorporated by the name of the said Company, for the purpose of winding up the affairs of the said

Company, under the provisions of the said Act, and for the purpose of suing and being sued in the name of the said Company:

That your Memorialists are prepared to return to the Registry Office, under the said Act, a copy of their said deeds of partnership or subscription contracts; but, inasmuch, as it is not intended to prosecute the application to Parliament for an Act to incorporate the said Company, your Memorialists are unable to comply with the other conditions and regulations in the 9th section of the said Act of the 7th and 8th Victoria, c. 110, prescribed to enable the Registrar of joint stock companies to accept the copy of the said deeds of partnership or subscription contracts, instead of the deed of settlement by the said last-mentioned Act required to be returned, for the purpose of obtaining a certificate of complete registration:

Your Memorialists, therefore, under the circumstances, and on the special grounds and for the special purposes before stated or referred to, hereby make their respectful application to your Right Honourable Board, that the conditions and regulations, by the 9th section of the said last-mentioned Act prescribed to enable any company for executing any public work therein mentioned, which cannot be carried into execution without the authority of Parliament, to obtain a certificate of complete registration, may, in so far as your Memorialists are unable to comply with the same, be dispensed with, so that the Registrar of joint stock companies may be enabled to accept a copy of the deeds of partnership or subscribers contracts of the said Company, instead of the deed of settlement by the said Joint Stock Companies' Act required to be returned; and the said Railway Company may obtain a certificate of complete registration, and may be incorporated by the name of the said Company, for the purpose of winding up the affairs of the said Company under the provisions of the said Act, and of their said deeds of partnership or subscription contracts, and for the purpose of suing and being sued in the name of the said Company.

And your Memorialists will ever pray, &c.
