NEW FOREST.

Declaration for throwing open Inclosures.

Whereas by an Act of Parliament, made and passed in the ninth and tenth years of the reign of His Majesty King William the Third, intituled "An Act for the increase and preservation of timber in the New Forest, in the county of Southampton," it was required, that one thousand acres, part of the waste lands of the said forest, should be enclosed and kept in severalty for the growth and preservation of timber for the supply of His Majesty's Royal Navy forthwith, after the passing of the said Act; and that, in the year following, one thousand acres more, part of the said waste lands, should be in like manner enclosed; and that two hundred acres more, part also of the said waste lands, should yearly and every year, for the term or space of twenty years from and after the time that the several inclosures of the two thousand acres above mentioned should be made and completed, be in like manner enclosed and kept in severalty as aforesaid, in the actual possession of the Crown, freed and discharged of and from all manner of rights, title, and pretence whatsoever, and should be called, made, and kept as a nursery for wood and timber only; and whereas it was also directed by the said Act, that whenever the Lords Commissioners of His Majesty's Treasury, the Lord High Treasurer of England, or Chancellor of the Exchequer for the time being should be satisfied and should determine that the woods and trees which should be growing on any of the inclosures made under and by virtue of the said Act, or any part thereof, are become past danger of browsing of deer, cattle, or other prejudice, and shall think fit to lay the same, or any part thereof, open and in common, then and so often it may be lawful for His Majesty, his heirs and successors, from time to time, to enclose, in lieu of so much of the said inclosures as shall be so laid open, the like quantity of the waste of the said forest, to be holden freed and discharged of and from all manner of common or other rights for so long time as the same shall remain and continue to be enclosed; and whereas by another Act of forty-eighth George the Third, cap. 72, the powers of the before-mentioned Act were revived and confirmed, and inclosures and plantations were made to the full extent of six thousand acres, authorized by the Acts:

And whereas the quantity of five hundred acres, part of the waste lands of the said forest, was enclosed pursuant to the provisions of the said last-mentioned Act; and it has been certified to the Lords Commissioners of the Treasury, on the authority of Lieutenant Colonel Thornhill, Deputy Surveyor of New Forest, Thomas White, D. Whitbourne, William Lanson, John Brown, and Frederick Fuller, Regarders of the Forest, that the woods and trees growing on the said five hundred acres are become past danger of browsing of cattle, deer, or other prejudice, viz.

Wilverley Inclosure, containing 500 acres :

We, being three of the Lords Commissioners of Her Majesty's Treasury, think fit to lay the same open and in common, and do hereby declare and make known, that the inclosure above mentioned is laid open and in common accordingly, to the intent that an equal quantity of other waste lands of the same forest may be enclosed in lieu thereof, and kept in severalty for the growth and preservation of timber, agreeably to the directions of the said Acts.

Harrow on the Hill Inclosure.

NOTICE is hereby given, that application in writing by the greatest part in value of the owners or proprietors of the several lands, tenements, and hereditaments out of which the several sums of money by way of corn rent issue under and by virtue of a certain Act of Parliament, made and passed in the forty-third year of the reign of His late Majesty King George the Third, intituled "An Act for dividing, allotting, and enclosing the open and common fields, commons, and waste grounds within the parish of Harrow, in the county

of Middlesex," will be made to Her Majesty's justices of the peace in and for the said county of Middlesex, at their next General Quarter Sessions of the Peace, to have three persons named or appointed by the justices then and there assembled to be referees for the purpose of enquiring and ascertaining by or from or by means of the London Gazette, or by such other ways or means as they shall think fit, equitable, and proper, the average price of a Winchester bushel of good marketable wheat, within the said county of Middlesex, for the fourteen years then last past, as directed and required by the said Statute in that case made and provided, for the purpose of having the corn rent to be paid and payable for the next fourteen years, computed in pursuance of and according to the directions of the said Statute.

United General Bread and Flour Company for Plymouth, Stonehouse, and Devonport.

WHEREAS a memorial was presented, on the 30th day of July 1846, to the Committee of Privy Council for Trade, which hath been registered at the Office of the Registrar of Joint Stock Companies, in pursuance of the Act of the 7th and 8th Vict. cap. 110, entitled "An Act for the registration, incorporation, and regulation of joint stock companies," of which the following is a copy:

To the Committee of Privy Council for Trade.

The petition of the undersigned, being two of the Directors of the United General Bread and Flour Company for Plymouth, Stonehouse, and Devonport, humbly sheweth,

That your petitioners were two of the promoters of the said Company for supplying themselves and families with pure and unadulterated bread and flour;

That the draft of the said intended Company was approved by the Registrar of Joint Stock Companies on the 9th day of April last;

That the deed of settlement, agreeing with the aforesaid draft, was engrossed, and signed by upwards of 900 subscribers, who represent upwards of 1800 shares;

That, after the said deed was so signed, and submitted to the Registrar for complete registration, it was discovered that a certain alphabetical index and schedules were wanting, and that it was not possible to make the addition without invalidating the deed;

Your petitioners, who are, with the majority of the shareholders, working men, consider that the objection taken will be fatal to the Company, unless your Honours will be pleased to exercise the power vested in you by the 7th and 8th Victoria, cap. 10, sec. 62;

Your petitioners, therefore, humbly pray your Honours to allow the said deed, as already prepared and executed, to be registered as the deed of settlement for the aforesaid Company.

And your petitioners, as in duty bound, will ever pray.

Vincent Bird.
