“ That the consent of the Right Reverend Charles Richard Lord Bishop of Winchester, as the Bishop of the diocese, has been obtained thereto, as required by the above-mentioned section of the said Act, passed in the fifty-ninth year of the reign of His said Majesty King George the Third; and that the like consent of the said Charles Richard Lord Bishop of Winchester (as patron in right of his see of the rectory or parish church of Saint Mary aforesaid), and also the consent of the Right Honourable and Reverend Francis Earl of Guildford, as Rector or Incumbent of the said parish church of Saint Mary, and also the consent of Sir Matthew Blakiston, of Sandy-brook, in the county of Derby, Baronet, the Reverend William Wilson, Clerk, Vicar of the parish of Holy Rood, in the town of Southampton, and Alexander Gordon, of Old Broad-street, in the city of London, Esq, as the majority of the subscribers entitled to elect the trustees of Trinity Church aforesaid, have been respectively obtained thereto, as required by the sixteenth section of the said Act, passed in the fifth year of the reign of His said Majesty King George the Fourth; in testimony whereof, the said Charles Richard Lord Bishop of Winchester, and the said Francis Earl of Guildford, and also the said Sir Matthew Blakiston, William Wilson, and Alexander Gordon have respectively signed and sealed this present instrument :

“ Your Majesty’s Commissioners, therefore, humbly pray, that your Majesty will be graciously pleased to take the premises into your royal consideration, and to make such order in respect thereto as to your Majesty in your royal wisdom shall seem meet.”

Her Majesty, having taken the said representation, together with the map or plan thereunto annexed, into consideration, was pleased, by and with the advice of Her Privy Council, to approve

thereof, and to order, as it is hereby ordered, that the proposed assignment be accordingly made; and the recommendations of the said Commissioners, in respect of the publication of banns, and the solemnization of marriages, baptisms, churchings, and burials, and the fees arising therefrom, be carried into effect, agreeably to the provisions of the said Acts.

AT the Court at *Buckingham-Palace*, the 11th day of *February* 1848,

PRESENT,

The QUEEN’s Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty’s reign, intituled “ An Act to make better provision for the spiritual care of populous parishes,” duly prepared and laid before Her Majesty in Council a scheme, bearing date the ninth day of December, in the year one thousand eight hundred and forty-seven, in the words following, that is to say :

“ We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty’s reign, intituled “ An Act “ to make better provision for the spiritual care “ of populous parishes,” have prepared; and now humbly lay before your Majesty in Council, the following scheme, for authorizing the sale of certain property formerly belonging to the deanery of the cathedral church of Wells.

“ Whereas it is by the said Act (amongst other things) enacted, that notwithstanding the charge by that Act created (being a charge created in favour of the Governors of the Bounty of Queen Anne), all the same and the like powers and rights of ownership as are possessed and enjoyed respecting and over any lands, tenements or other hereditaments whatsoever, by any absolute owner thereof, shall be enjoyed by us with respect to and over all or any lands, tithes, rent charges, tenements and other hereditaments vested in us under certain Acts therein mentioned (being the Acts under which the property hereinafter described is vested in us), and may, subject to the provisions of the same Acts and of the now reciting Act, be exercised by us by proper instruments in writing duly executed according to law, with a certain proviso respecting the application of every sum of money received as the consideration or purchase money for the sale, transfer or conveyance by us of any of such lands, tithes, tenements or other hereditaments, or of any estate or interest therein; and with a further proviso, that none of such lands, tithes, tenements or other hereditaments be sold, transferred or conveyed except by the authority of a scheme prepared by us, and an Order issued by your Majesty in Council ratifying the same :

“ And whereas all the separate estates and endowments heretofore belonging to the said deanery of Wells, comprising among other estates certain lands, tenements and hereditaments, situate in the parishes of Wellington and West Buckland, in the county of Somerset, became vested in us on the vacancy of the said deanery (subject to certain subsisting leases thereof):

“ And whereas applications have been made and are likely to be made to us for the purchase of all our estate and interest in portions of the said lands, tenements and hereditaments, and after due consideration it appears to us to be expedient, that the said lands, tenements and hereditaments should be accordingly sold :

“ We, therefore, humbly recommend and propose, that we may be authorized and empowered, by any deed or deeds duly executed under our common seal; from time to time to sell and duly to convey, according to the provisions of the said Act, all or any of the said lands, tenements and hereditaments, situate in the said parishes of Wellington and West Buckland, heretofore belong-

ing to the deanery of the cathedral church of Wells as aforesaid, with their appurtenances, and all our estate, right, title and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs and assigns, or otherwise as he or they shall direct or appoint, and in such manner and for such consideration as shall, upon due calculation and enquiry, appear to us to be just and reasonable.

“And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in conformity with the provisions of the said recited Act, or of any other Act of Parliament.”

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Bath and Wells.

#### TREASURY WARRANT.

WHEREAS by an Act, passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," power is given to the Commissioners of Her Majesty's Treasury, from time to time, by warrant under their hands, to alter and fix any of the rates of British postage or inland postage payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such warrant; and from time to time, by warrant as aforesaid, to alter or repeal any such altered rates, and to make and establish any new or other rates in lieu thereof; and from time to time, by warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid; and it is provided, that the power thereby given should extend to any increase or reduction or remission of postage :

And whereas by an Act, passed in the eleventh year of the reign of Her present Majesty, intituled "An Act for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post-office," power is given to the Commissioners of Her Majesty's Treasury, at any time or times, by warrant under their hands, to fix the maximum weight of letters to be sent by the post, and to regulate the form, size, and dimensions of such letters; and also in all cases in which the British postage chargeable on every letter sent by the post shall exceed the sum of one penny, by warrant under their hands, to reduce such postage to any other rate of postage they may think fit; and by the said Act it is enacted, that the Postmaster General may collect and receive foreign and colonial postage, charged or chargeable on any letters sent by the post, and may also, with the consent of the Commissioners of Her Majesty's Treasury, require the postage (British, colonial, or foreign) of any letters sent by the post to be prepaid, either in money or in stamps as he may think fit, on the same being put into the post-office; and he may also, with such consent, abolish or restrict the prepayment in

money of postage on letters sent by the post, either altogether or on certain letters, and may require the prepayment thereof to be in stamps, and may refuse to receive or send by the post any letters tendered contrary to any regulation made under this enactment :

And whereas a Postal Convention has been made and entered into between Her Majesty's Government and the Government of the Republic of New Granada:

Now, for the purpose of better carrying into effect the terms of such Convention, we, the undersigned, being three of the Commissioners of Her Majesty's Treasury, do, in exercise of the powers and authorities in us for such purpose vested in and by the said recited Acts, and of all other powers and authorities enabling us in this behalf, direct that on every letter, not exceeding half an ounce in weight, posted in or addressed to any part of New Granada, and transmitted between any part of the United Kingdom and any port in New Granada, there shall be charged, taken, and paid, in lieu of any rates of British postage now payable by law on such letters, the rates of British postage following (that is to say):

If conveyed by packet boat, a rate of one shilling.

And if by private ship, a rate of eight pence.

And we further direct, that on every letter, not exceeding half an ounce in weight, posted in or addressed to any part of New Granada, transmitted by the post between any port in New Granada and any of Her Majesty's colonies or possessions or any foreign country, through the United Kingdom (letters transmitted through the United Kingdom between New Granada and France, or any of Her Majesty's colonies or possessions, or any foreign country through France only excepted, which letters are to be charged and chargeable with the same rates of postage as if this warrant had not been signed), there shall be charged and taken, in lieu of any rates of British postage now payable by law on such letters, the rates of British postage following (that is to say):

For the conveyance of every such letter between any port in New Granada and any part of the United Kingdom, if the sea conveyance be by packet boat, a rate of one shilling, and if by private ship, a rate of eight pence.

And for the conveyance of every such letter between the port in the United Kingdom of the departure or arrival of the packet or ship conveying the same, and the colony or foreign country to or from which the same shall be forwarded, such a further or additional rate of postage as shall, from time to time, be charged and payable for British postage on letters posted or delivered at the port in the United Kingdom of the departure or arrival of the packet or ship conveying the same, and transmitted direct between such port and such colony or foreign country.

And we further direct, that on every letter, not exceeding half an ounce in weight, transmitted by packet boat or private ship (without passing through the United Kingdom) between any of Her Majesty's colonies and any of the ports of

New Granada, or between the French colonies of Martinique or Guadeloupe and any of the ports of New Granada, or between any ports in New Granada, there shall be charged and taken, in lieu of any rates of British postage now payable by law on such letters, a rate of British postage of four pence.

And we further direct, that on every letter, not exceeding half an ounce in weight, transmitted by packet boat between any foreign port at which such packet may touch (Martinique and Guadeloupe excepted) and any port in New Granada (without passing through the United Kingdom), there shall be charged, taken, and paid, in lieu of any rates of British postage now payable by law on such letters, a rate of British postage of one shilling.

And we further direct, that on every letter transmitted as is mentioned in this warrant, exceeding half an ounce in weight, there shall be charged, taken, and paid progressive and additional rates of postage as follow (that is to say):

For every letter, exceeding half an ounce in weight, but not exceeding one ounce in weight, two rates of postage.

If exceeding one ounce, but not exceeding two ounces in weight, four rates of postage.

If exceeding two ounces, but not exceeding three ounces in weight, six rates of postage.

If exceeding three ounces, but not exceeding four ounces in weight, eight rates of postage.

And for every ounce in weight above the weight of four ounces, there shall be charged and taken two additional rates of postage, and every fraction of an ounce above the weight of four ounces shall be charged as one additional ounce, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such letter would be charged with under this warrant if not exceeding half an ounce in weight.

And we further direct, that such printed newspapers as are hereinafter mentioned may be sent by the post free of postage, or liable to postage according to the regulations and rates hereinafter mentioned (that is to say):

Newspapers published in New Granada, in the Spanish language, and sent direct from New Granada to the United Kingdom or any of the British colonies (whether through the United Kingdom or not), or from one port in New Granada to another port in New Granada, by packet boat, free, and by private ship, at a rate of one penny each.

British newspapers (in whatever language they be published), sent direct from the United Kingdom to any port in New Granada, and colonial newspapers sent from any port in Her Majesty's colonies to any port in New Granada (whether through the United Kingdom or not), by packet boat, free, and by private ship, at a rate of one penny each.

Foreign newspapers, sent direct by packet boat or private ship between any port in New Granada

and any other foreign port, without passing through the United Kingdom, at a rate of two pence each.

And we further direct, that every printed supplement or additional sheet to any newspaper shall, for the purpose of charging the postage under this warrant, be deemed a distinct newspaper, unless sent in the same cover or together with the newspaper to which it is a supplement or addition.

And we further direct, that all such printed newspapers as aforesaid shall be forwarded without covers, or in covers open at the sides, and there shall be no word or communication printed on the paper after its publication, or upon the cover thereof, except the name and address of the person to whom sent, nor shall any paper or thing be enclosed in or with the same; and if any such printed newspaper shall not be posted and forwarded in conformity with this warrant, the same shall respectively be liable to the like rates of postage as would have been chargeable on such newspapers if the same had been letters so conveyed by the post.

And we further direct, that nothing herein contained shall be deemed or construed to annul, prejudice, or affect any of the exemptions and privileges granted by the said first recited Act, or by an Act made and passed in the first year of the reign of Her present Majesty, intituled "An Act for the management of the Post-office," and that all such exemptions and privileges shall remain in full force.

And we further direct, that the terms and expressions used in this warrant shall be construed to have the like meaning, in all respects, as they would have had if inserted in the said Act of the fourth year of the reign of Her present Majesty.

And we further direct, that this warrant shall come into operation on the sixteenth day of March one thousand eight hundred and forty-eight.

Provided lastly, and we hereby declare and direct, that it shall be lawful for the Commissioners for the time being of Her Majesty's Treasury, or any three of them, by warrant under their hands, at any time hereafter to alter or repeal any of the rates hereby altered, or the regulations hereby made, and to make and establish any new or other rates or regulations in lieu thereof, and from time to time to appoint at what time the rates that may be payable are to be paid.

East India-House, February 23, 1848.

**W**HEREAS, in pursuance of the by-law of the East India Company, cap. 7, sec. 6, it is ordained,

"That a list shall be published thirty days before the annual election of Directors, containing the names of such Proprietors, qualified agreeable to law, as shall signify, in writing, to the Secretary their desire of becoming Candidates for the Direction, thirty-two days before such annual election;"

The Court of Directors of the said Company do hereby give notice, in order that the Proprietors may conform to the said by-law, that the ensuing election of six Directors of the East India Company, for four years, is appointed for Wednesday the 12th of April next; and that such list will be published thirty days before the said election, as the above-mentioned by-law directs.

James C. Melvill, Secretary.

East India-House, February 23, 1848.

**T**HE Court of Directors of the East India Company do hereby give notice,

That a Special General Court of the said Company will be held at their House, in Leaden-hall-street, on Wednesday the 8th of March next, at eleven o'clock in the forenoon, at the desire of nine Proprietors of East India Stock, as expressed in the following letter, viz.

London, February 16, 1848.

To the Chairman and Directors of the East India Company.

Honourable Sirs,

We, the undersigned, Proprietors of East India Stock, duly qualified by law, request that you will convene a Special General Court of Proprietors, for the purpose of taking into consideration the accompanying resolution, and that you will be pleased to publish the same with this our requisition.

We have the honour to be,

Honourable Sirs,

your obedient servants,

(Signed) Joseph Hume.  
Alexr. Raphael.  
Arthur J. Lewis.  
J. Sullivan.  
Robert J. Bagshaw.  
Chas. Forbes.  
J. W. Graham.  
J. Williams.  
Geo. Thompson.

Resolved—That it appears, by the official documents laid before this Court, that, in the year 1836, a secret inquiry was instituted by order of the Government of Bombay into an alleged breach of the treaty of the 25th September 1819, subsisting between the East India Company and his Highness Pertaub Shean, the Raja of Sattara.

That, on the 26th of October 1836, the Raja appeared before the Secret Commission, consisting of Colonel Lodwick, Mr. Willoughby, and Colonel Ovans, and requested a Mahratta copy of so much

of the "deposition of the two soobahdars and the brahmin, as-affected himself, which was not at the time objected to."

That, on the 27th of October, the Commission were occupied the greater part of this day in preparing Mahratta translations of the evidence regarding the interview at the palace, for the ultimate use of his Highness the Raja of Sattara.

That Sir Robert Grant, Governor of Bombay, recorded, in a minute of Council, on the 15th of August 1837, "That he was strongly of opinion that before the case is conclusively disposed of, the Raja should be made acquainted with the fresh evidence that has been elicited against him, and should be allowed the opportunity of offering defence or explanation;" and again, in his minute of Council, of the 20th of September 1837, suggests, "That Colonel Ovans should be instructed to prepare a complete statement of the case which has been established against the Raja, in order that, when his inquiries are concluded, it may be furnished to his Highness for any such explanation or answer as he may choose to offer."

That Mr. Wathen, Chief Secretary to the Government of Bombay, in his letter to Colonel Ovans, dated the 27th of September 1847, directed Colonel Ovans to prepare "a complete statement of the case established against the Raja, that it may be furnished to the Raja; and that, if this statement be denied, his Highness should be confronted with the witnesses, the most effective measures being adopted for their protection."

That Sir Robert Grant again, in a minute of Council, dated 31st of May 1838, says, "The Raja has not been told of the evidence taken by Colonel Ovans, and undoubtedly has a right to be heard in his vindication." "I repeat this opinion (which he) expressed in a minute of Council, in August 1837, not meaning that there should be merely the *form or farce* of a trial, to be closed by a ready-made judgment, but that the defence should be fairly heard and impartially weighed."

That Lord Auckland, the Governor General of India, in a minute, dated 23d September 1838, ordered, in the following words:

"I would, as suggested by Sir Robert Grant, request that the Raja should be furnished with a written statement, embodying a full and clear detail of the facts connected with the several charges, and of the names (with any reservations which may be absolutely required for the safety of the party) of the witnesses by whom they are proved, with a notice of the circumstances under which the evidence was obtained, and call for from him, within a certain reasonable time to be fixed, a similar written statement of whatever he may desire to urge in his own behalf."

That notwithstanding the preparation of the evidence promised by the Commission (which closed its proceedings on the 4th of November 1836), and the repeated desire expressed by the Governor of Bombay and the Governor General of India, that a statement of the whole of the evidence taken against the Raja should be placed in his Highness's hand, such statement was withheld, for reasons secretly stated by Colonel Ovans,—

Colonel Ovans personally informing his Highness, "That the proceedings of the Commission being strictly secret, it did not consider itself authorized to grant a copy of any part of those proceedings to any person whatsoever."

That the dethronement of the late Raja of Sattara, when "no sudden emergency, nor imminent danger, nor any preparations made by him for commencing hostilities," threatened without obtaining the previous and express sanction of the Home Authorities for the act, was a violation of the thirty-third George III. cap. 52, secs. 42 and 43, made and provided to guard against and prohibit the exercise of such dangerous and despotic power by any subordinate authority in India, viz.

Section 43.—"It shall not be lawful for the Governor General in Council, without the express command or authority of the Court of Directors, or of the Secret Committee, by the authority of the Board of Control, in any case (except where hostilities have actually been commenced or preparations actually made for the commencement of hostilities against the British nation in India), either to declare war or commence hostilities, or enter into any treaty for making war, &c."

Resolved—That this Court, taking all these circumstances into consideration, is of opinion, that the dethronement of the Raja of Sattara by Sir James Carnac, without furnishing him with a copy of the evidence taken in secret against him, and thereby withholding from him the means of making a defence, and without the previous consent and authority of the Court of Directors, or the Secret Committee of that Court, and of the Board of Control, was unjust, premature, and contrary to law; and, therefore, the guilt or innocence of the late Raja of Sattara, and the conduct of the Bombay Government in these transactions, ought to be made the subject of a public and impartial inquiry, alike for the protection of the Princes of India, in alliance with the East India Company, from the perpetration of similar wrongs, for the satisfaction of the ends of justice, and for the vindication of the honour of the British name, and the security of the British empire in the East.
