

V. And in case of death by cholera, or any other epidemic, endemic, or contagious disease, we hereby authorize and require the last Medical Attendant upon the person of the deceased, or in case of there having been no Medical Attendant, the housekeeper or person present at the death, or who is in charge of the body, forthwith to notify the fact of the death to the Medical Officer of the district, who is charged with the execution of these orders for the prevention of the spread of such disease.

And we do hereby authorize such Medical Officer to give such directions as may appear to him to be needful, in respect to the care, removal, and the time of interment of the body, for preventing the communication or spread of disease.

And we hereby authorize and require all persons to give such information, or such assistance, to such Medical Officer, and to be otherwise aiding him as he may need in the execution of these orders.

VI. And in the event of the fatal termination of any case of cholera, or of other epidemic, endemic, or contagious disease, in any room occupied as a living or sleeping room by one family or more, or by numerous persons, we hereby authorize and require the Medical Officer to remove, or cause to be removed, as speedily as may be, either the corpse or the persons occupying such room, until the corpse can be conveniently removed and properly interred.

VII. And we do authorize and direct the said Guardians to make arrangements for obtaining daily lists of persons attacked by cholera, or other epidemic, endemic, or contagious disease, within their respective unions and parishes, with the particulars of their cases and treatment, and for communicating the same daily to the General Board of Health.

VIII. And we do hereby authorize and direct the said guardians, where it may appear needful, to appoint such additional Medical Officers, and also to appoint such other officers as may be necessary to execute and superintend the execution of these regulations; and to publish and circulate, by printed hand bills or other means, notices of our directions and regulations, or of such part of any of them as it may appear desirable to make publicly known.

IX. And we hereby direct, that in these directions and regulations, and in the directions and regulations already issued by us as aforesaid, the words "Guardians of the Poor," and the word "Guardians," respectively, shall mean the Guardians, Directors, Wardens, Governors, or other like Officers having the management of the poor for any union, parish, or place, where the matter requiring the cognizance of any such officers arises; and the word "parishes" shall include every place where the relief of the poor is administered by a Board of Guardians for such place.
