FRIDAY, JANUARY 5, 1849.

At the Court at *Osborne-House, Isle of Wight*,
the 16th day of *December 1848*,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-third day of November, in the year one thousand eight hundred and forty-eight, in the words following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting a separate district for spiritual purposes out of the parishes Saint Mary, Hornsey, and Saint Mary, Stoke Newington, in the county of Middlesex and diocese of London.

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to

the patron or patrons of the church or chapel of any parish, chapelry or district out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the mean time, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as thereafter provided:

"And whereas a considerable annual revenue is accruing to us in respect of certain property situate within the said parish of Saint Mary, Stoke Newington; and the said parishes are respectively of great extent, and contain a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular parts of such parishes hereinafter mentioned, neither of which parts at present contains within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in manner hereinafter set forth:

"Now, therefore, we humbly recommend and propose, with the consent of the Right Honourable and Right Reverend Charles James Bishop of London, in testimony whereof he has signed and sealed this scheme, that all that part of the said parish of Saint Mary, Hornsey, and also all that part of the said parish of Saint Mary, Stoke Newington, described in the schedule hereunto annexed,—which several parts, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto also annexed,—

shall be together constituted a separate district for spiritual purposes accordingly, and that the same shall be named, "The District of Saint Matthias, Stoke Newington."

"And we further recommend and propose, that there shall be paid by us in each and every year, by equal half-yearly payments, on the first day of May and the first day of November to the minister, for the time being, of the district so recommended to be constituted, and as soon as such district shall have become, according to the provisions of the said Act, a new parish for ecclesiastical purposes, to the perpetual curate thereof, the sum of two hundred pounds; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of a minister or perpetual curate as aforesaid as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

" SCHEDULE.

"The district of SAINT MATTHIAS, STOKE NEWINGTON, being—

"All that part of the parish of Saint Mary, Hornsey, and all that part of the parish of Saint Mary, Stoke Newington, in the county of Middlesex, and diocese of London, situate on the southern side of an irregular imaginary line commencing at the point (marked *a* on the map or plan hereunto annexed) on the western boundary of the parish of Stoke Newington where such boundary is crossed by the New River, and thence extending towards the north east, along the eastern bank thereof, as far as the middle of Albion-road, and thence towards the south east along the middle of such road to the point (marked *b* as aforesaid) opposite to the middle of a public footpath leading from such last-mentioned road to Newington-green, and thence eastward in a straight direction from such last-mentioned point, to the point (marked *c* as aforesaid) opposite to the middle of another public footpath leading from Church-street to Coach and Horses-lane, and thence towards the south east along such last-mentioned footpath to the ditch dividing the said parish of Saint Mary, Hornsey, from the said parish of Saint Mary, Stoke Newington, and thence eastward along such last-mentioned ditch to the point (marked *d* as aforesaid) opposite to the middle of White Hart-court, and thence towards the south east along such last-mentioned court to the eastern boundary of the said parish of Saint Mary, Stoke Newington."

And whereas the draft of the said scheme has been transmitted to the incumbents and to the patron of the churches of the parishes, out of which it is intended that the district therein recommended to be constituted shall be taken, pur-

suant to the provisions of the said Act; and such incumbents and patron have respectively consented to the said scheme :

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of London.
