The names of the Gentleman appointed to the 1st Foot, on 19th October 1849, are "Edward Thomas St. Lawrence *McC Gwire*," not "*Mc Guire*," as previously stated.

*To the Churchwardens of the parish of Saint Giles-in-the-Fields, in the county of Middlesex; and to all other persons having the care and control of the Burial Ground hereinafter described.*

Whereas by the "Nuisances' Removal and Diseases' Prevention Act, 1848," it was enacted, that when any part of the United Kingdom should appear to be threatened by any formidable epidemic, endemic, or contagious disease, the Lords and others of Her Majesty's Most Honourable Privy Council, or any three or more of them (the Lord President of the Council or one of Her Majesty's Principal Secretaries of State being one), might by Order or Orders to be by them made, direct that the provisions contained in the said Act for the prevention of epidemic, endemic, and contagious diseases, be put in force in Great Britain, and that every such Order should be in force for six calendar months, or for such shorter period as in such Order should be expressed;

And whereas by an Order of Her Majesty's Most Honourable Privy Council, the Right Honourable Viscount Palmerston, one of Her Majesty's Principal Secretaries of State, being one, bearing date the 23th day of September 1848, the said provisions of the said recited Act were directed to be put in force throughout the whole of Great Britain for a period of six calendar months thence next ensuing; and whereas by another Order of Her Majesty's Most Honourable Privy Council, the Most Honourable the Lord President of the said Council being one, bearing date the 27th day of March 1849, the said recited Order of the 28th day of September 1848 was renewed for a period of six calendar months from the date of the said last-mentioned Order; and whereas by another Order of Her Majesty's Most Honourable Privy Council, the Most Honourable the Lord President of the said Council being one, bearing date the 25th day of September 1849, the said first-mentioned Order was renewed for a further period of six calendar months from the said 25th day of September 1849, which said

last-mentioned Order is now in force throughout the whole of Great Britain; and whereas by another Act of Parliament, passed in the thirteenth year of the reign of Her present Majesty, intituled "An Act to amend the Nuisances' Removal and Diseases' Prevention Act, 1848," it was enacted, that it should be lawful for the General Board of Health to cause inquiry to be made by a superintending inspector, or by such other ways and means as the General Board of Health might deem fit to direct, into the state of the burial grounds in any part of England or Wales excepted from the powers of the Public Health Act, 1848, or in any populous city, town, or place, in England or Wales to which for the time being the said Act had not been applied, and if it appeared to the General Board of Health that any such burial ground was in such a state as to be dangerous to the health of the persons living in the neighbourhood thereof, it should be lawful for the said General Board of Health in England and Wales, under the seal of the said Board, and under the hands of two or more members thereof, to issue such Orders as the said Board might think fit for the application of such disinfecting substances, and for the adoption of such other measures of precaution in relation to the premises as might, in the opinion of the said Board, tend to lessen or remove the danger to health; and whereas after the issuing of the said above-recited Orders of Her Majesty's Most Honourable Privy Council, and whilst the same have continued in force, the General Board of Health have caused inquiry to be made by Gavin Milroy, Doctor of Medicine, a superintending inspector to the said Board, into the state of a certain burial ground of and in the parish of Saint Giles-in-the-Fields, in the county of Middlesex, being the church-yard of the said parish, situate in or near the High-street, in the said parish, being a part of England excepted from the powers of the Public Health Act, 1848; and whereas it now appears to us, the said General Board of Health, upon the report of the said Gavin Milroy, upon and after the inquiry made by him as aforesaid, that the said burial ground is in such a state as to be dangerous to the health of the persons living in the neighbourhood thereof; now We, the said General Board of Health, being of opinion that the adoption of the measures of precaution hereinafter specified would tend to lessen the aforesaid danger to health, do hereby, in exercise of the power vested in us by the above-recited Acts, order and direct you, the Churchwardens of the said parish, and all other persons (if any there be) having the care and control of the said burial ground, to do and cause to be done the following works and matters in and in relation to the said burial ground, and the mode of interment therein; that is to say:

1. That the whole surface of the said burial ground (excepting such parts thereof as are now used as footpaths, or are now covered with flat stones) shall be forthwith covered with quicklime of an uniform thickness of three inches at the least.

2. That when any portion of the said lime shall be removed for the purpose of making or digging any grave in the said burial ground, or for any other purpose, such lime shall be replaced immediately after the filling up of the grave, or the completion of such purpose, and a sufficient quantity of quicklime shall be provided, and from time to time shall be applied, so as to keep the whole of the said burying ground (except the parts above excepted) covered therewith to the thickness of three inches as aforesaid.

3. That to prevent the contamination of springs of water, every grave which shall be made or dug in the said burial ground shall be covered at the bottom thereof with quicklime of an uniform thickness of three inches at the least, upon which covering of lime the coffin containing the corpse, which shall be buried or deposited in such grave, shall be placed.

4. That not more than one corpse shall be buried or deposited in any grave, and every grave in which any corpse shall be buried or deposited shall be filled up to the level of the ordinary surface of the said burial ground immediately upon the corpse being buried or deposited therein, and no further burial shall take place in the same grave, nor shall any other corpse be deposited therein.

5. That no corpse shall be buried or deposited in any grave in the said burial ground at a less distance than two feet and six inches from any other grave, such distance to be computed from that part of the coffin containing such corpse which is nearest to such other grave.

6. That no corpse shall be buried or deposited in any grave in the said burial ground in which after the burial or deposit thereof there shall not be at least five feet of earth remaining between the ordinary surface of the said burial ground and the upper part of the coffin in which such corpse shall be contained.

7. Provided always, that the foregoing directions and regulations, which are respectively numbered 3, 4, 5, and 6, shall not apply to burials in stone or brick graves, vaults, or catacombs.

8. That no corpse shall be deposited in any stone or brick grave, vault, or catacomb, in the said burial ground, or in any vault or receptacle connected therewith, unless such corpse shall be enclosed in a coffin made of, or lined with lead of the weight of at least six pounds to every superficial square foot, and of the thickness throughout of one-tenth of an inch, nor unless such coffin or lining be soldered up, or otherwise secured so as to be perfectly air-tight.

9. That if in making or digging any grave in the said burial ground, or in opening any part of the said burial ground for any purpose whatever, any human bone, or other part of a human body, or any coffin, or portion of a coffin shall be found, or become visible, the earth that shall have been disturbed by such making, digging, or opening shall be forthwith filled in and covered with quicklime to the depth of at least three inches, in addition to the uniform thickness of lime with which the surface of the said burial ground is hereinbefore ordered to be covered.

10. That no grave shall be made or dug, nor shall the ground, for any purpose or upon any pretence, be opened in any part of the said burial ground where a corpse has been buried or deposited within ten years now last past.

And we do further order and direct that this Order shall take effect on the day of the date hereof, and the works and matters above specified shall continue to be done, acted upon, and executed by you, the said Churchwardens and other persons (if any) until further or other Order be made in relation to the premises.

Given under our hands, and under the seal of the General Board of Health, in Great Britain, this 27th day of October 1849.

*To the Town Council of the borough of Leicester; and to all else whom it may concern.*

Whereas by the Act eleventh and twelfth Victoria, cap. 123, intituled "An Act to renew and amend an Act of the tenth year of Her present Majesty for the more speedy removal of certain nuisances," and by virtue of an Order of Her Majesty's Most Honourable Privy Council, bearing date the 25th day of September 1849, directing that the provisions of the said Act be continued in force throughout the whole of Great Britain; We, the General Board of Health, are authorized to issue such directions and regulations as the said Board shall think fit for the prevention as far as possible, or mitigation of epidemic, endemic, and contagious diseases;

And whereas it is provided in the 5th section of the aforesaid recited Act "That nothing hereinbefore contained shall apply to any district, parish, or place in which the Public Health Act, 1848, or any part thereof, shall be in force, unless and except in so far as the General Board of Health, by order in writing, sealed with the seal of such Board and signed by two or more members thereof, or (in case there be no such Board in existence), as one of Her Majesty's Principal Secretaries of State, by order, in writing under his hand, shall otherwise direct;"

And whereas it appears to be expedient that the provisions of the said Act, and of the Nuisances' Removal and Diseases' Prevention Amendment Act, 1849, shall continue in force throughout the several parishes and places within the borough of Leicester, until the 1st day of January next; notwithstanding the application of the Public Health Act to Leicester;

We, the General Board of Health, do hereby order and declare that the various provisions and powers of the above-recited Removal of Nuisances' and Prevention of Contagious Diseases' Act, and of the Nuisances' Removal and Diseases' Prevention Amendment Act, 1849, shall remain in force within and throughout the several parishes and places within the said borough of Leicester, from and after the date of this present Order, until the 1st day of January 1850.
