Whitehall, December 18, 1849.

The following Addresses of condolence to the Queen, on the occasion of the death of Her late Majesty Queen Adelaide, having been transmitted

to the Right Honourable Sir George Grey, Bart. Her Majesty's Principal Secretary of State for the Home Department; for presentation, were presented accordingly to Her Majesty, who was pleased to receive the same very graciously:

To the QUEEN'S Most Excellent Majesty.

May it please your Majesty,

WE, the Mayor, Aldermen, and Burgesses, of the borough of Liverpool, in council assembled, beg to approach your Majesty with the expression of our sincere and heartfelt sorrow for the loss which your Majesty and the people of these kingdoms have sustained by the lamented death of Her Majesty the Queen Dowager. The virtues which adorned the private life of this illustrious Lady, the rectitude of her public conduct, and the munificence with which she supported every object calculated to promote the interests of true charity, and to extend the knowledge and influence of religious principles, all endeared her to your Majesty's loyal subjects, and render her loss an occasion of general and unaffected sorrow. Whilst we approach your Majesty with our sincere condolence and our deepest sympathy, we at the same time venture to express our earnest hope that your Majesty may be long spared to perpetuate the virtues which distinguished Queen Adelaide, and to reign in the hearts of a loyal and devoted people.

Signed on behalf of the Council of the borough of Liverpool.

John Holmes, Mayor.

[Transmitted by the Mayor.]

NOTICE TO MARINERS.

Ship Rock of Sanda Lighthouse, at the mouth of the Firth of Clyde.

THE Commissioners of the Northern Lighthouses hereby give notice, that a Lighthouse has been built upon the Rock called "Ship of Sanda," off the Mull of Kintyre, in the county of Argyll, the Light of which will be exhibited on the night of Monday the 7th January 1850, and every Night thereafter, from Sun-set till Sun-rise.

The following is a specification of the Lighthouse and the appearance of the Light, by Mr. Alan Stevenson, Engineer to the Commissioners:

The Lighthouse is in N. lat. $55^{\circ} 16' 30''$, and W. long. $5^{\circ} 34' 55''$. By compass, the Lighthouse bears from Pladda Light, W. by S. $\frac{3}{4}$ W., distant 18 miles; from Patterson's Rock Buoy, W. by N., distant $1\frac{1}{2}$ mile; from Ailsa Craig, N. W. by W. $\frac{1}{3}$ W., distant 16 miles; from Corsewall Light, N. by W. $\frac{1}{4}$ W., distant 22 miles; from the Maiden's Rocks Lights, N. E. $\frac{1}{4}$ N., distant $21\frac{1}{2}$ miles; from Fair Head, in the county Antrim, E. S. E. $\frac{1}{4}$ E., distant $19\frac{1}{4}$ miles; from the most northern point of Rathlin Island, S. E. by E. $\frac{1}{3}$ E., distant 21 miles; and from the most southern point of the Mull of Kintyre, S. E. $\frac{3}{4}$ E., distant 6 miles.

The Ship Rock of Sanda Light will be known to mariners as a fixed red light. It will be visible in a south-westerly direction from N. W. $\frac{1}{4}$ W. round to S. E. by E. $\frac{1}{3}$ E. The Lantern is elevated 165 feet above the level of the sea; but the Light, being red, will not be seen at a greater distance than about five leagues, and at lesser distances according to the state of the atmosphere.

The Commissioners hereby further give notice, that by virtue of a warrant from the Queen in Council, dated 1st March 1849, the following tolls will be levied in respect of this Light; viz:

"For every vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty, her heirs and successors, or being navigated wholly in ballast), and for every foreign vessel which, by any act of Parliament, Order in Council, Convention, or Treaty, shall be privileged to enter the ports of the said United Kingdom, upon paying the same duties of

tonnage as are paid by British vessels (the same not being vessels navigated wholly in ballast), which shall pass the said Lighthouse of Sanda, or derive benefit thereby, the toll of one farthing per ton of the burden of every such vessel, for each time of passing the said Lighthouse, or deriving benefit thereby, on a coasting voyage, and double the said toll for passing or deriving benefit on an over-sea voyage; and double the said respective tolls for every foreign vessel not so privileged."

MARINE BARRACK CANTEENS.

Department of the Comptroller for Victualling and Transport Services, Somerset-Place, December 12, 1849.

NOTICE is hereby given, that on Thursday, the 27th instant, at one o'clock, the Canteens in the undermentioned barracks will be let from the 31st instant, to the 1st January 1853, by order of the Lords Commissioners of the Admiralty.

No person but of unexceptionable character, nor any person for more than one Canteen, or who will not undertake bonâ fide to reside in or occupy the Canteen, and conduct the business thereof in his own person, will be approved; and two sureties will be required for the regular payment of the rent, and of all sums which may become due in respect of the said Canteen, and for the due performance of the several conditions and stipulations of the indenture of lease. The revenue or other licenses to be paid by the tenant.

The person whose proposal shall be accepted, and his sureties, must execute an indenture of lease and covenants relating thereto, the particulars whereof may be known by applying to this Office, or to the Barrack Masters at the several barracks.

The Christian and Surnames of two respectable persons, with their professions and places of abode, who will join the tenant in executing the indenture of lease as his sureties, must be inserted in the proposals. The tenant is to pay half the value of the stamps on the indenture of lease upon executing the same, and it is to be understood that the said Commissioners will not undertake to procure the tenant a license.

A printed form of the tender and indenture of lease may be had at this office, or on application to the respective Barrack Masters. No tender will be received after one o'clock, on the day of treaty, nor any noticed, unless the party attends, or an agent for him duly authorized in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words, "Tender for Marine Barrack Canteen," and must also be delivered at the Office of the Comptroller for Victualling and Transport Services, at Somerset-place.

By the Mutiny Act, Canteens are not liable to have troops billeted on them.

As all persons becoming tenants of Canteens will be bound to the strict performance of the covenants of the indenture of lease, and to the full payment of the rent and privilege of sale to the troops, without any remission or reduction under any circumstances whatever, they are hereby cautioned to make themselves fully acquainted with the conditions of letting, prior to their making a proposal.

The rents of the Canteens as tenements or dwellings are to be proposed at the sums stated opposite to each in the following list; therefore the biddings will be upon what is offered for every ten men per month, exclusive of sergeants occupying the barracks, the number being ascertained from the Barrack Master's returns, made up at twelve o'clock at noon on the first day of every month, and no changes in the occupation of the barrack

which may take place in the progress of the month, either for or against the tenant, will be taken into account. No less number than ten will be charged against the tenant, nor will any odd number be calculated: thus, if the barrack should be occupied by 148 men on the first day of the month, only 140 will be calculated for that month. The bidders are also desired to introduce no fractional parts of a penny in their offers, as they will not be noticed, nor will any tenders be noticed except such as are strictly according to the form furnished.
