FRIDAY, APRIL 19, 1850.

AT the Court at *Buckingham-Palace*, the  
22nd day of *March* 1850,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-first day of March, in the year one thousand eight hundred and fifty, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled 'An Act to make better provision for the spiritual care of populous parishes,' have prepared, and now humbly lay before your Majesty in Council the following scheme, for constituting a separate district for spiritual purposes out of the chapelry district of Christchurch in Saint George's in the East, in the county of Middlesex, and in the diocese of London.

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us that it would promote the interests of religion that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to

the patron or patrons of the church or chapel of any parish, chapelry or district out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the mean time, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as thereafter provided:

"And whereas the said chapelry district of Christchurch, in Saint George's in the East, is of great extent, and contains a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion that the particular part of such chapelry district hereinafter mentioned and described, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in manner hereinafter set forth:

"Now, therefore, we humbly recommend and propose, with the consent of the Right Honourable and Right Reverend Charles James Bishop of London, in testimony whereof he has signed and sealed this scheme, that all that part of the said chapelry district of Christchurch, in Saint George's in the East, described in the schedule hereunto annexed, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto also annexed, shall be constituted a separate district for spiritual purposes accordingly, and that the same shall be named 'The District of Saint Mary in Saint George's in the East.'

" And whereas it is by the said Act further enacted, that it shall be lawful, by the authority aforesaid, at any time to assign the right of patronage of any such district or new parish as aforesaid, and the nomination of the minister or perpetual curate thereof respectively, either in perpetuity, or for one or more nomination or nominations, to any ecclesiastical corporation aggregate or sole, or to either of the universities of Oxford, Cambridge, or Durham, or to any college therein respectively, or to any person or persons, or the nominee or nominees of such person or persons or body respectively, upon condition of such corporation, university, college, person or persons contributing to the permanent endowment of such minister or perpetual curate, or towards providing a church or chapel for the use of the inhabitants of such district or new parish, in such proportion and in such manner as shall be approved by the like authority :

" And whereas George John James Gordon, Esquire, commonly called Lord Haddo, has transferred into our account and to our names in the books of the governor and company of the Bank of England a sum of three pounds per centum consolidated bank annuities sufficient to produce the annual sum of one hundred pounds, for the permanent endowment as aforesaid of the minister of the district so herein recommended to be constituted, and, so soon as such district shall have become a new parish as aforesaid, of the perpetual curate thereof : and whereas the said Lord Haddo has provided a church or chapel for the use and service of the minister and inhabitants of such district or new parish, and he has, by an instrument in writing under his hand, proposed that the patronage of such district and new parish shall be assigned under the provisions of the said Act in manner hereinafter mentioned.

" We therefore further recommend and propose, that the right of patronage of, and the nomination of the minister or perpetual curate to the said district or new parish of Saint Mary, in Saint George's in the East, shall be assigned to, and shall and may from time to time be exercised by, the said Lord Haddo and Mary his wife, for and during their lives, and the life of the survivor of them, and that from and after the death of such survivor the patronage of the said district or new parish shall for ever belong to and be exercised by the Bishop of London for the time being.

" And we further recommend and propose, that there shall be paid by us in each and every year, to the minister, for the time being, of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to such minister the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate, for the time being, of such new parish the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds,

as the case may be, shall be paid by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives and the minister or the perpetual curate succeeding to such district or new parish.

" And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

#### " SCHEDULE.

" The district of SAINT MARY IN SAINT GEORGE'S IN THE EAST, being—

" All that part of the chapelry district of Christ Church in Saint George's in the East, in the county of Middlesex, and in the diocese of London, situate on the western and southern sides of an imaginary line commencing at a point on the boundary between the said chapelry district and the parish of Saint Paul, Shadwell, in the said county and diocese, opposite to the middle of Charles-street, and extending thence northward along the middle of such street to a point opposite to the middle of Spencer-street, and thence eastward along the middle of such last-mentioned street as far as the middle of Church-road, and thence northward along the middle of such road and of Sutton-street as far as the middle of the Commercial-road, and thence eastward along the middle of such last-mentioned road until it crosses the boundary between the said chapelry district and the chapelry district of Saint Thomas, Stepney, in the said county and diocese."

And whereas the draft of the said scheme has been duly transmitted to the several incumbents and patrons, as required by the said Act, and no objections have been made thereto :

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of London.
