AT the Court at *Buckingham-Palace*, the 7th day of *March* 1851,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the

third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;" and of another Act, passed in the session of Parliament held in the fourth and fifth years of Her Majesty's reign, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," duly prepared and laid before Her Majesty in Council a scheme, bearing date the sixth day of March, in the year one thousand eight hundred and fifty-one, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,' and of another Act passed in the session of Parliament held in the fourth and fifth years of your Majesty's reign, intituled 'An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England,' have prepared, and now humbly lay before your Majesty in Council, the following scheme for substituting a money payment to the prebendary of Bishop's Norton, in the cathedral church of Lincoln, for the property belonging to his prebend:

"Whereas, by and under the provisions of the said Acts, the whole of the separate estates and endowments belonging to the said prebend will (excepting any right of patronage), upon the first avoidance of the said prebend, become absolutely vested in us, for the purposes of the said Acts, and the chief of such purposes is that of making better provision for the cure of souls in parishes where such assistance is most required:

"And whereas it was by the same Acts enacted, that by the authority therein provided, and for the purpose of fully carrying into effect any of the provisions thereof, any arrangement might from time to time be made, with the consent in writing under the hand of any prebendary of any cathedral church, for the sale, transfer, or exchange of any lands, tithes, or other hereditaments belonging to such prebendary, or for the purchase of other lands, tithes, or other hereditaments in lieu thereof, or for substituting, in any case, any lands, tithes, or other hereditaments for any money payment, or any money payment for any lands, tithes, or other hereditaments:

"And whereas it has been agreed between us and the Reverend Frederick Borradaile, Master of Arts, the present prebendary of the said prebend that, with a view to sooner carrying into effect the purpose of the said recited Acts hereinbefore particularly mentioned, the following arrangement should be recommended by us to your Majesty in Council:

"We therefore, with the consent of the said Frederick Borradaile, testified by his having signed this scheme, humbly recommend and propose, that, without any conveyance or assurance in the law, other than this scheme and any duly gazetted Order of your Majesty in Council ratifying the same, and upon and after the day of such gazetting, all lands, tithes and other hereditaments whatsoever (except any right of patronage) now belonging to the said prebend of Bishop's Norton as aforesaid, or to or in which he has or ought to have any estate, right, title or interest, shall, together with all such estate, right, title, and interest therein (except as aforesaid), be and be held to be, for the consideration hereinafter men-

tioned, transferred, and conveyed by and from the said Frederick Borradaile to us, and shall then and thereupon become and be absolutely vested in us, for the purposes of the said Acts, subject only to any legally subsisting lease or leases thereof, or of any part or parts thereof; and that, in consideration of and for such transfer and conveyance, there shall be paid by us to the said Frederick Borradaile so long as he shall continue to be the prebendary of the same prebend, and no longer, the annual sum of one hundred and thirty pounds by equal half yearly payments, on the first day of May and the first day of November in every year, and that a proportionate part of the first such half-yearly payment, calculated from the first day of this instant month of March, shall be made on the first day of May next: provided that no renewal of any lease, nor any new lease, of the said lands, tithes, or other hereditaments, or of any part thereof, shall since the thirty-first day of August in the year one thousand eight hundred and eleven, have been or shall be granted or made by the said Frederick Borradaile, or any of his predecessors, prebendaries of the said prebend; and that if the next avoidance of the said prebend shall happen on any other day than one of the said two half-yearly days of payment, then a proportionate sum only shall be paid to the said Frederick Borradaile, or his representatives:

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in conformity with the provisions of the said recited Acts or either of them, or of any other other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Lincoln.

C. C. Greville.

AT the Court at Buckingham-Palace, the 7th day of March 1851,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the sixth day of March, in the year one thousand eight hundred and fifty one, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled 'An Act to make better provision for the spiritual care of populous parishes,' have prepared, and now humbly lay before your Majesty in Council, the

following scheme for authorizing the sale of certain property formerly belonging to the prebend of Litton, in the cathedral church of Wells, and now vested in us.

"Whereas it is by the said Act (amongst other things) enacted, that notwithstanding the charge by that Act created (being a charge created in favour of the Governors of the Bounty of Queen Anne), all the same and the like powers and rights of ownership as are possessed and enjoyed respecting and over any lands, tenements, or other hereditaments whatsoever, by any absolute owner thereof, shall be enjoyed by us with respect to and over all or any lands, tithes, rent-charges, tenements, or other hereditaments vested in us under certain Acts therein mentioned (being the Acts under which the property hereinafter described is vested in us), and may, subject to the provisions of the same Acts, and of the now reciting Act, be exercised by us, by proper instruments in writing duly executed according to law, with a certain proviso respecting the application of every sum of money received as the consideration or purchase-money for the sale, transfer, and conveyance by us of any of such lands, tithes, tenements, or other hereditaments, or of any estate or interest therein, and with a further proviso that none of such lands, tithes, tenements, or other hereditaments be sold, transferred or conveyed, except by the authority of a Scheme, and an Order issued by your Majesty in Council ratifying the same :

"And whereas all the lands, tenements, hereditaments, and endowments (excepting any right of patronage) formerly belonging to the said prebend of Litton, became vested in us on the vacancy of the said prebend, subject to any legally subsisting lease or leases thereof :

"And whereas application has been made to us for the purchase of our estate and interest in certain portions of the said lands, tenements, and hereditaments ; and after due consideration it appears to us to be expedient that we should be empowered to dispose of our interest therein, or in any part or parts thereof, in such manner as shall appear to us to be advisable :

"We, therefore, humbly recommend and propose that we may be authorized and empowered, by deed or deeds duly executed under our common seal, from time to time to sell and duly to convey, according to the provisions of the said Act, all or any of the said lands, tenements, and hereditaments (except as aforesaid), heretofore belonging to the said prebend, with their appurtenances, and all our estate, right, title and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs or assigns, or otherwise, as he or they shall direct or appoint, and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable :

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council ; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London

Gazette, pursuant to the said Act ; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Bath and Wells.
