At the Court at *Buckingham-Palace*, the 30th day of *June* 1852,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS Her Majesty's Commissioners for building new churches have, in pursuance of the sixteenth section of an Act, passed in the fifty-ninth year of the reign of His Majesty King George the Third, intituled "An Act to amend and render more effectual an Act, passed in the last session of Parliament, for building and promoting the building of additional churches in populous parishes;" and of the first section of an Act, passed in the session of Parliament holden in the third and fourth years of Her Majesty's reign, intituled "An Act to further amend the Church Building Acts;" or under and by virtue of any and every other power or authority contained in the Church Building Acts, duly prepared and laid before Her Majesty in Council a representation, bearing date the twenty-fifth day of June one thousand eight hundred and fifty-two, in the words following; viz.:

"Your Majesty's Commissioners for building new churches beg leave humbly to represent to your Majesty, that having taken into consideration all the circumstances of the parish of Saint John,

Westminster, in the county of Middlesex, and in the diocese of London, it appears to them to be expedient that a particular district should be assigned to the consecrated church of the Holy Trinity, situate in Bessborough Gardens, in the said parish of Saint John, Westminster, under and by virtue of the power or authority for this purpose contained in the sixteenth section of an Act, passed in the fifty-ninth year of the reign of His Majesty King George the Third, intituled 'An Act to amend and render more effectual an Act, passed in the last session of Parliament, for building and promoting the building of additional churches in populous parishes;' and in the first section of an Act, passed in the session of Parliament holden in the third and fourth years of your Majesty's reign, intituled 'An Act to further amend the Church Building Acts;' or under and by virtue of every other power or authority in this behalf contained in the Church Building Acts, and that such proposed district should comprise a portion of the said parish of Saint John, Westminster, and also a portion of the district chapelry of Saint Mary, Tothill Fields (heretofore assigned out of the said parish of Saint John, Westminster), and should be called 'The District Chapelry of the Holy Trinity, Vauxhall Bridge Road,' and that the boundaries thereof should be those hereinafter mentioned; that is to say:

"The boundary commences at the point where the Great Sewer discharges itself into the Thames, and proceeds in a north-westerly direction above the middle of the said sewer until it reaches a point where Bessborough-street and Lupus-street unite opposite to Tachbrook-street; then proceeds up the middle of Tachbrook-street as far as Morton-street; then proceeds in a north-easterly direction along the middle of Morton-street to the Vauxhall-bridge-road; then in a south-easterly direction along the middle of the said Vauxhall-bridge-road to a point directly opposite to Five Chimney-court; then along the middle of the said Five Chimney-court into Douglas-street, and along the middle of that street, and easterly into Regent-street; then in a northerly direction along the middle of Regent-street to a point where Causton-street enters Regent-street; then down the middle of Causton-street in an easterly direction in a straight line to the wall of the Millbank Prison; then follows the line of the said wall in a south-easterly direction to the Great Gate of the said Prison; from thence in a stright line to the Water Gate of the said Prison; then turns south-westerly and proceeds along the bank of the river Thames to the point where the Great Sewer discharges itself as aforesaid, which said district chapelry of the Holy Trinity, Vauxhall-bridge-road is more particularly delineated in the map or plan hereunto annexed, and is thereon coloured red.

"Your Majesty's said Commissioners beg leave further to represent that it also appears to them to be expedient that banns of matrimony should be published, and that marriages, baptisms, and churchings should be solemnized or performed in the said church of the Holy Trinity, and that the fees to arise therefrom (except those from marriages), should forthwith be paid and belong to the incumbent of such church for the time being. That the fees from marriages should also belong to such incumbent from and after the next avoidance of the parish church of the said parish of Saint John, Westminster.

"That the consent of the Right Honourable and Right Reverend Charles James, Bishop of the said diocese of London, has been obtained thereto, as required by the Acts and sections firstly and
