NOTICE is hereby given, that application is intended to be made to Parliament in the ensuing session, for leave to bring in a Bill to alter, amend, and enlarge the powers and provisions of an Act, passed in the 2nd year of His late Majesty King George the Fourth, intituled "An Act for incorporating the Town of Dudley Gas Light Company," or to repeal the said Act, and grant further, better, and more effectual powers to the Town of Dudley Gas Light Company instead thereof, and to incorporate in such Bill "The Gas Works Clauses Act, 1847;" "The Companies Clauses Consolidation Act, 1845," and the Lands Clauses Consolidation Act, 1845," or some of them, or some part thereof respectively; and it is also intended by the said Bill to enable the Town of Dudley Gas Light Company, incorporated by the said Act, to increase their capital by the creation of new shares, and by the exercise of a further power of borrowing on mortgage or on bond, or by either such means, and, if they think fit, to attach to any shares so created a preference or priority in payment of interest or dividends over the existing shares of the Company; and it is also intended to apply for power to make further and other provisions with respect to the augmentation and regulation of the capital of the Company, and certain alterations in the existing capital of the Company, and in the number and mode of election of the directors or committee of management of the said Company, and in the time and mode of holding committee meetings, and to authorise the purchase of additional lands.

Stockport Improvement.

Amendment, Repeal, or Consolidation of Acts, Extension and Alteration of Borrowing Powers, and for other purposes.

NOTICE is hereby given, that application is intended to be made to Parliament in the present session, for an Act to alter, amend, extend, and enlarge, or to consolidate, the powers and provisions of the two several Acts following, or one of them, and to make further provisions and grant further powers for carrying into execution the objects and purposes thereof; that is to say: an Act passed in the first year of the reign of Her present Majesty Queen Victoria, intituled "An Act for improving and regulating the borough of Stockport, in the several counties of Chester and Lancaster;" and an Act made and passed in the tenth and eleventh years of the reign of Her present Majesty Queen Victoria, intituled "An Act to purchase and define the manorial and market rights of Stockport, to es-

tablish public parks, to purchase or lease water-works, to build bridges, and to make other communications within the borough of Stockport," or otherwise to repeal or consolidate the said Acts, or either of them, or some part or parts thereof respectively, and to grant other powers and provisions in lieu thereof, or of such parts thereof respectively as shall be so repealed.

And to alter, amend, extend and enlarge, or consolidate the powers by the said last-mentioned Acts or either of them, given to the mayor, aldermen, and burgesses, of the borough of Stockport, for borrowing money on mortgage of all or any of the various tolls, rates, rents, duties, and property now vested, or hereafter to be vested, in them. And to enable the said mayor, aldermen, and burgesses, to pay off any existing mortgage or mortgages; and in any mortgage or mortgages hereafter to be granted, to fix a time for the repayment of the principal money so borrowed, either in one sum, or by instalments; and from time to time to re-borrow such sum or sums so repaid or intended to be repaid, or any greater or less sum, on mortgage of the same tolls, rates, rents, duties, and property, or any of them, or any part thereof respectively.

And it is further proposed, by the said intended Act to take powers to apply the whole or any portion of the surplus income and profits from time to time to arise from any property now vested in the said mayor, aldermen, and burgesses, in and towards certain improvements within the said borough. And it is also proposed, by the said intended Act, to take power to compel the owners or occupiers of any mill, factory, dye-house, brewery, bakehouse, gas work, or any manufactory whatsoever, in which a furnace or fire-place now is, or shall hereafter be, or be used, to alter or construct such furnace or fire-place, so that the same shall consume the smoke arising therefrom: and for that purpose to incorporate such of the powers and provisions of "The Towns Improvement Clauses Act, 1847," as may be necessary or expedient.

And it is further proposed to incorporate in the said intended Act such of the powers and provisions of "The Towns Improvement Clauses Act, 1847," as relate to the letting and occupation of cellars in the said borough.

And it is further proposed by the said intended Act to take powers to enable the said mayor, aldermen, and burgesses, to make, assess, levy, and collect the rate or assessment, called "The Borough of Stockport Improvement Rate," authorised by the said first-mentioned Act passed in the first year of the reign of Her present Majesty Queen Victoria, in such and the same manner as the borough rate of the said borough is now by the several statutes for that purpose made and provided, authorised and directed to be made, assessed, levied, and collected.

And it is further proposed to vary or extinguish all such rights and privileges as would, in any manner, impede or interfere with the carrying out of the purposes contemplated by the said intended Act, and to confer other rights and privileges.

And notice is hereby further given, that on or before the thirty-first of December now next ensuing, copies of the intended Bill will be deposited in the Private Bill Office of the House of Commons.

York Drainage and Sanitary Improvement and Foss Navigation.

Sale and Purchase of Foss Navigation, Abandonment of Navigation and Works, Diversion or Improvement in and near York, Removal of Locks, Improvement of Drainage, regulating Sale of Coals, Powers to assess and levy Rates and to raise Money, Alteration and Amendment of Improvement, Market, Drainage, and Navigation Acts, and other purposes.

NOTICE is hereby given, that application is intended to be made to Parliament in the present or ensuing session, for leave to bring in a Bill to enable the Foss Navigation Company to sell the Foss Navigation or Canal, situate in the city of York, and county of the same city, and in the North Riding of the county of York, and the branches thereof, and all lands, buildings, dams, mills, locks, and works connected therewith, and all messuages, buildings, lands, tenements, and hereditaments belonging to the said Company, with their appurtenances; and to enable the mayor, aldermen, and citizens of the city of York to purchase the same, and to close the whole or any part of the said navigation or canal and branches, between Sheriff Hutton Bridge, in the parish of Sheriff Hutton, in the North Riding of the county of York, and the junction of the said canal with the River Ouse, in or near the city of York; and to enable the said mayor, aldermen, and citizens to remove the Castle mills and dam, situate in or near the suburbs of the said city of York, and all other dams and obstructions, and all locks and works connected therewith, on any part of the said navigation within the before-mentioned limits; and to extinguish all powers, rights, and privileges now vested in any corporations or persons, in, or over, or in respect of, the said navigation or canal, or the towing-paths, banks, and other works connected therewith; and to make provision for the payment or extinguishment of all subsisting charges and claims on the said navigation, or the Company of Proprietors thereof.

And it is also intended by the said Bill to authorise the said mayor, aldermen, and citizens to divert the waters of the said navigation or canal from a point at or near the end of Palmer-lane, in the parish of St. Saviour, in the said city of York, and marked A on the plans to be deposited as hereinafter mentioned, and to carry the same into the River Ouse by a new channel or watercourse, either open or covered, to be made outside the city walls, and to commence at the said point marked A, and to pass thence from, in, or through the several parishes, townships, and extra-parochial and other places following; that is to say: St. Saviour, St. Cuthbert, St. Margaret, and St. Lawrence, all in the said city of York, and county of the same city and county of York, and to terminate by a junction with the River Ouse near Blue Bridge-lane, at the point marked B, in the said parish of St. Lawrence, on the said plans, and to construct, in connexion with such new channel or watercourse, all such works and conveniences as may be necessary for the purposes thereof, or of carrying off the waters of the said navigation, or of any sewers or other watercourses draining into the same or into such new channel or watercourse.

And it is also intended by the said Bill to authorise the said mayor, aldermen, and citizens to stop up so much of the channel of the said navigation, canal, and branches below the said point marked A, as will be rendered unnecessary by the formation of the said new channel or watercourse, and to fill in the channels so stopped up, and to remove the bridges over the said navigation in the city of

York or the suburbs thereof, and to use the land acquired by filling up the channel of the said navigation, and any other lands adjoining or near thereto, and any buildings which may be purchased by the mayor, aldermen, and citizens under the powers of the said Bill, either from the Foss Navigation Company or from any other corporation or persons for the improvement and benefit of the said city, in such manner as shall be authorised by the said Bill; which portion of the said navigation so to be stopped up is situate or passes in or through the several parishes, townships, and extra-parochial places following, or some of them; that is to say: St. Maurice, St. Cuthbert, St. Helen-on-the-Walls, All Saints Peaseholme, St. Saviour, St. Crux, All Saints Pavement, St. Dennis, St. Lawrence, St. Margaret, St. Nicholas, St. Peter-le-Willows, St. George, St. Mary Castlegate, the Tang Hall estate, and the extra-parochial place or liberty of York Castle.

And it is also intended by the said Bill to authorise the said mayor, aldermen, and citizens, in case the upper part only of the said navigation between Sheriff Hutton Bridge aforesaid and Monk Bridge, in the city of York, or the suburbs thereof, shall be abandoned as a navigation, to improve the lower portion of the said navigation between Monk Bridge aforesaid and the junction thereof with the River Ouse, and for that purpose to lower the level of the said navigation, and to deepen, widen, and otherwise improve the same to such extent as will be shown upon the plans to be deposited as hereinafter mentioned, and to purchase and take such lands, and execute such works, as may be necessary, and be authorised by the said Bill, which portion of the said navigation so to be altered and improved is situate, or passes from, through, or into the several parishes, townships, and extra-parochial places following, or some of them; that is to say: St. Maurice, St. Cuthbert, St. Helen-on-the-Walls, All Saints Peaseholme, St. Saviour, St. Crux, All Saints Pavement, St. Dennis, St. Lawrence, St. Margaret, St. Nicholas, St. Peter-le-Willows, St. George, St. Mary Castlegate, the Tang Hall estate, and the extra-parochial place or liberty of York Castle.

And it is also intended by the said Bill to authorise the said mayor, aldermen, and citizens to purchase and take, either compulsorily or by agreement, the several lands and buildings and other property in and near the said city of York, which will be described in a schedule to the said Bill, and also the several lands and houses to be described upon the plans to be deposited as hereinafter mentioned.

And it is also intended to insert in the said Bill clauses and provisions dissolving the Foss Navigation Company, and enabling the Committee of Management of the said Company to distribute the purchase money for the said navigation, and the other assets of the said Company, and to settle and wind up the accounts and affairs thereof.

And it is also intended by the said Bill to confer upon the said mayor, aldermen, and citizens, such of the powers and provisions now vested in the Foss Navigation Company, under the Local and Personal Act 33 George 3, chapter 99, intituled "An Act for making and maintaining a navigable communication from the junction of the River Foss with the River Ouse at or near the city of York to Stillington Mill, in the parish of Stillington, in the North Riding of the county of York, and for draining and improving certain low lands lying on each side of the said River Foss," and of the Local and Personal Act 41 George 3, chapter 115, explaining and amending the said Act, as may be deemed necessary or expedient.

And it is also intended by the said Bill to repeal, vary, or alter the provisions contained in the said Act for draining and improving the low lands lying on each side of the River Foss, and to confer other and further powers for the drainage and improvement of the lands adjoining the said river; and to alter the existing rates and taxes, and to confer exemptions from the payment of drainage rates and taxes, and to confer, vary, or extinguish other rights, privileges, and exemptions, and to give new and additional powers for assessing, levying, and recovering the said rates and taxes.

And it is intended by the said Bill to extend the several provisions contained in the Local and Personal Act 6 George 4, chapter 127, intituled "An Act for paving, lighting, watching, and improving the city of York, and the suburbs thereof, and the liberty of St. Peter, within the said city, and for regulating the police of the same respectively," for preventing frauds in the quality, measure, and delivery of coals brought by water to the city of York, and for regulating the weighing of all water-borne coals sold within the said city, and the rates to be charged for carriage, portage, and weighing such coals within the said city, suburbs, and liberty; and for authorising the appointment of inspectors, and the making of regulations for weighing of coals, and for preventing inspectors and weighers from being dealers in coals, and for preventing frauds in the delivery of coals, and connected therewith, to coals brought into the said city by railway, or otherwise than by water, and to enable the Local Board of Health of the said city to exercise and put in force such provisions, and to confer on them further powers for regulating the weighing and sale of coals within the said city.

And it is intended by the said Bill to authorise the mayor, aldermen, and citizens of the said city to demise or let all or any of the market-places belonging to them, or under their control, or under the control of the lord mayor, as clerk of the markets within the said city; and also to demise or let the rents, stallages, sums of money, and other market tolls payable to the said mayor, aldermen, and citizens, in respect of any of the markets or fairs held within the said city or the suburbs thereof, or arising from or in respect of such markets or fairs, or any stalls, standings, shops, or other conveniences in such market-places; and to repeal so much of the provisions of the Local and Personal Act 3 Will. 4, chapter 62, intituled "An Act for improving and enlarging the market-places within the city of York, and rendering the approaches thereto more commodious, and for regulating and maintaining the several markets and fairs held within the same city and the suburbs thereof, and for amending an Act of His late Majesty for paving, lighting, watching, and improving the said city, and other purposes," as prohibits any such demise or lease.

And it is also intended by the said Bill to increase, vary, abolish, or alter the tolls now demandable or taken in the markets and fairs held within the said city or the suburbs thereof, for the buying and selling of live cattle, beasts, sheep, horses, pigs, and other animals; and to authorize the taking of other tolls in lieu thereof or in addition thereto, and to confer, vary, or extinguish exemptions from the payment of such tolls, or any of them, and other rights and privileges; and also to confer upon the said mayor, aldermen, and citizens all or some of the powers contained in "The Markets and Fairs Clauses Act, 1847," and other powers for the better regulation of the said cattle markets and fairs.

And it is also intended by the said Bill to amend

and extend the powers of making, assessing, and levying rates now vested in the Local Board of Health of the said city, under "The Public Health Act, 1848," and "The Public Health Supplemental Act, 1850," and the provisional order of the General Board of Health relating to the city of York, confirmed by the said last mentioned Act, and to authorise the said Local Board of Health to make, assess, and levy rates within the said city, as a rate in the nature of a county rate, and for the purposes of duly assessing any such rates, to cause the parishes within the said city to be valued or re-valued from time to time as occasion may require, and to confer upon the said Local Board of Health further and additional powers for ascertaining, assessing, and fixing rates within the said city; and also power to levy district drainage rates for a limited period, in addition to the general rates under the Public Health Act to which such district shall be liable, and to provide that the payment of such district rates shall not exempt the property or persons liable thereto from the payment of any general rates under the said Act.

And it is also intended by the said Bill to enable the said mayor, aldermen, and citizens to raise and apply, by and out of the corporate funds and estates belonging to the said city, or out of any tolls or dues to arise under the said Bill, or by rates to be made and levied on the several owners and occupiers of houses, lands, tenements, and hereditaments within the said city, or any district or part thereof, or by borrowing on the security of the said funds, estates, tolls, dues, and rates, or by all or any of the same ways and means, such sum or sums of money as may be required for the purposes of the said Bill.

And it is intended by the said Bill to incorporate and make applicable to the objects and purposes thereof, all or some of the clauses and provisions of "The Commissioners' Clauses Act, 1847," and "The Lands Clauses Consolidation Act, 1845," and "The Towns Improvement Clauses Act, 1847," and to confer all or any of the powers mentioned in this notice, either upon the said mayor, aldermen, and citizens, or upon the Local Board of Health of the said city, as may be deemed expedient, the word "city," for the purposes of this notice, being intended to comprise the city of York as defined by the Act to provide for the regulation of municipal corporations in England and Wales.

And it is also intended by the said Bill to take power to make lateral deviations from the line of the proposed works to the extent or within the limits defined upon the plans hereinafter mentioned, and to stop up, alter, or divert, whether temporarily or permanently, all turnpike and other roads, highways, footpaths, aqueducts, streams, and rivers, which it may be necessary to stop up, alter, or divert, for any of the objects or purposes mentioned in this notice. And to vary or extinguish all existing rights and privileges in any manner connected with any of the works, lands, and buildings proposed to be purchased or taken for the purposes to be authorised by the said Bill, or which will be affected by the powers thereof, or which rights or privileges would in any manner impede or interfere with the construction of any of the works to be thereby authorised, or with any of the objects or purposes aforesaid, and to confer vary, or extinguish other rights and privileges.

And it is intended by the said Bill to repeal, vary, alter, extend, or amend all or some of the powers and provisions of the several Acts of Parliament and Charters following; that is to say: The Local and Personal Acts, 3rd George 3rd,

chapter 48—The 49th George 3rd, chapter 126—The 50th George 3rd, chapter 86—The 55th George 3rd, chapter 71—The 6th George 4th, chapter 127—The 3rd William 4th, chapter 62—The 3rd Victoria, chapter 61—The 9th and 10th Victoria, chapter 123—and the 10th and 11th Victoria, chapter 205—The Public Acts 11th and 12th Victoria, chapter 63—The 12th and 13th Victoria, chapter 94—and the 13th and 14th Victoria, chapter 32.
