Somerset-Place, December 10, 1852.

THE Commissioners for executing the office of
Lord High Admiral of the United Kingdom
of Great Britain and Ireland, do hereby give
notice, that the contract for supplying

SHOES,

for the Seamen of Her Majesty's Navy,
is POSTPONED from Thursday the 30th instant to
Thursday the 6th January, 1853, on which latter
day, at one o'clock, tenders will be received, and
that the shoes are to be delivered at Deptford,
Gosport, and Plymouth, instead of at Deptford
only.

Patterns of the shoes and the conditions of the
revised contract, to which particular attention is
called, may be seen at the said office, and at
Gosport and Plymouth.

CONTRACT FOR MEDICAL COMFORTS.

Department of the Comptroller for
Victualling and Transport Services,
Somerset-Place, December 11, 1852.

THE Commissioners for executing the office of
Lord High Admiral of the United Kingdom
of Great Britain and Ireland do hereby give notice,
that, on Thursday the 6th January next, at one
o'clock, they will be ready to treat with such persons
as may be willing to contract for supplying and
delivering into Her Majesty's Victualling Stores
at Deptford, Gosport, and Plymouth, the under-
mentioned articles, viz.:

Boiled Mutton, 4,000 lbs. Deptford; 2,000 lbs.

Gosport; 2,000 lbs. Plymouth; half of each
quantity to be delivered in one month, and
the remainder in a month afterwards, or
earlier if preferred by the party tendering.

Soup and Bouilli, 4,000 lbs. Deptford;
2,000 lbs. Gosport; 2,000 lbs. Plymouth;
half of each quantity to be delivered in one
month, and the remainder in a month after-
wards, or earlier if preferred by the party
tendering.

The conditions of the contract and a form of the
tender may be obtained at the said office, at the
Victualling Yards at Gosport and Plymouth, at
the office of Commander Bevis, at Liverpool, and
of the Collector of Customs at Bristol.

No tender will be received after one o'clock on
the day of treaty, nor any noticed, unless the party
attends, or an agent for him duly authorized in
writing.

Every tender must be addressed to the Secretary
of the Admiralty, and bear in the left-hand corner
the words "Tender for _____," and must
also be delivered at Somerset-place, and must be
accompanied by a letter signed by a responsible
person, engaging to become bound with the person
tendering in the sum of £20 per cent. on the value,
for the due performance of the contract.

MARINE BARRACK CANTEENS.

Department of the Comptroller for
Victualling and Transport Services,
Somerset-Place, December 7, 1852.

NOTICE is hereby given, that on Thursday
the 30th instant, at one o'clock, the Canteens
in the undermentioned barracks will be let from
the 31st instant to the 1st January 1856, by order
of the Lords Commissioners of the Admiralty.

No person but of unexceptionable character,
nor any person for more than one Canteen, or
who will not undertake bonâ fide to reside in or
occupy the Canteen, and conduct the business thereof
in his own person, will be approved; and two sureties

will be required for the regular payment of the
rent, and of all sums which may become due in
respect of the said Canteen, and for the due per-
formance of the several conditions and stipulations
of the indenture of lease. The revenue or other
licences to be paid by the tenant.

The person whose proposal shall be accepted,
and his sureties, must execute an indenture of lease
and covenants relating thereto, the particulars
whereof may be known by applying to this Office,
or to the Barrack Masters at the several barracks.

The Christian and Surnames of two respectable
persons, with their professions and places of abode,
who will join the tenant in executing the indenture
of lease as his sureties, must be inserted in the pro-
posals. The tenant is to pay half the value of the
stamps on the indenture of lease upon executing
the same, and it is to be understood that the said
Commissioners will not undertake to procure the
tenant a licence.

A printed form of the tender and indenture of
lease may be had at this office, or on application
to the respective Barrack Masters. No tender will
be received after one o'clock, on the day of treaty,
nor any noticed, unless the party attends, or an
agent for him duly authorized in writing.

Every tender must be addressed to the Secretary
of the Admiralty, and bear in the left-hand corner
the words, "Tender for Marine Barrack Canteen,"
and must also be delivered at the Office of the
Comptroller for Victualling and Transport Ser-
vices, at Somerset-place.

By the Mutiny Act, Canteens are not liable to
have troops billeted on them.

As all persons becoming tenants of Canteens
will be bound to the strict performance of the
covenants of the indenture of lease, and to the full
payment of the rent and privilege of sale to the
troops, without any remission or reduction under
any circumstances whatever, they are hereby
cautioned to make themselves fully acquainted with
the conditions of letting, prior to their making a
proposal.

The rents of the Canteens as tenements or
dwellings are to be proposed at the sums stated
opposite to each in the following list; therefore the
biddings will be upon what is offered for every ten
men per month, exclusive of sergeants occupying the
barracks, the number being ascertained from the
Barrack Master's returns, made up at twelve
o'clock at noon on the first day of every month,
and no changes in the occupation of the barrack
which may take place in the progress of the month,
either for or against the tenant, will be taken into
account. No less number than ten will be charged
against the tenant, nor will any odd number be
calculated: thus, if the barrack should be occupied
by 148 men on the first day of the month, only 140
will be calculated for that month. The bidders
are also desired to introduce no fractional parts of
a penny in their offers, as they will not be noticed,
nor will any tenders be noticed except such as are
strictly according to the form furnished.

THE Court of Directors of the East India
Company do hereby give notice,

That a Proprietor of East India Stock has
given notice that at the Quarterly General Court
of the said Company, appointed to be held at their
House, in Leadenhall-street, on Wednesday the
22nd instant, he will submit the following motion;
viz.:

"That in accordance with a principle which
obtains at the Royal Military Colleges of

Woolwich and Sandhurst, it be recommended to the Honourable the Court of Directors, to establish at Addiscombe, a graduated scale of payments for Cadets, reducing the charge for the sons of Indian Officers, proportionably to the ascertained means of parents; provided that the same can be effected without increased charge to the East India Company."

That another Proprietor has given notice of his intention to submit the two following motions, viz.:

"That Copies of the Report of the Commission which was appointed in 1850-51, by the Governor General of India, to investigate certain charges against Ali Worad, Ameer of Kipoor, in Upper Sind, and of the minutes thereon, by the Indian Governments; also of the Report on Sind by Sir George Clerk, late Governor of Bombay, be laid before the Court of Proprietors."

"That some improved organization of the Survey Department in India, and of the Mapping Office in this country, is urgently called for, for making available to the public, in a more convenient form, and with greater expedition than heretofore, the stores of statistical data and geographical delineations with which there is reason to believe the records of government have been long enriched; also for securing to the public, by means of more systematic and timely publication, the advantages of the surveys still in progress, and of those which may be hereafter undertaken in our own territories as well as in these of our allies."

That another Proprietor has given notice of his intention to submit the two following motions, viz.:

"That this Court is of opinion that the privileges of Election of Directors of the East India Company, should be extended to parties holding stock of the Government of India."

"That this Court is of opinion that an opportunity should be afforded to the natives of India of being heard by their representatives in the discussions about to take place in Parliament relative to the renewal of the Charter of the East India Company."

That another Proprietor has given notice of his intention to submit the following motions, viz.:

"That there be laid before this Court such information as the Court of Directors deem proper concerning the conduct or services of Captain Mayflower Crisp, in connection with the present Burmese War."

"That the present crisis in the Company's Government of India affords a favourable occasion for requesting the numerous Clerical Proprietors of India Stock, to consider the several appeals made by the Metropolitan in India and others, concerning the further support of Christianity in India."

"That this Court consider the propriety of having a Permanent Chairman of the Company."
