Conflantinople, February 22.

OU have aftendy had an attenut of the Changes that have been occasioned at this Court, by the ill successes of the last Campague, of which we can now give a more particular Relation. After the deseat of the Turkish Army near Gran, there arole great Divisions among the Janilaries and Spahi's, each laying the Divisions among the janiaries and spain's, each laying the blame thereof upon the other; The Serasquier Shaitia Ibrahim thinking by severity to put a stop to this growing mischief, cut off the meads of the chi. I promine to the result of; but the disorder fill increased, and many Odicers as well are soldiers deserted; Upon which an Officer was sent are soldiers deserted; Upon which an Officer was sent among the Soldiers, and with Orders to inquire into the dake of the Soldiers, and with Order's to inquire into the dalks of three Dillurbances; And a report was made very much to the prejudice of Shaitan Ibrahim. About the fame time three was a Mutiny of the Spani's at Adrianople, which was quickly appealed, by outing off the Heads of four of the Veiles Ringleadets. The 17th of November, the Copelarkial (or Malter of the Ceremonies to the Grand Signior) was font to Hungary with a Command to take off the Head of Shaitan Ibrahim, and to declare Abdi Baska of Buda Soralquierin his place, and Oliman Ogli Viner of Buda, but Ofwant's Head was cut off by thrahim three days before the man's Head was cut off by Ibrahim three days before the Copelarkiari arrived at Belgrade. The Un of December, Shairan Ibrahim's Head was brought to Adeiahople, He was shattan idrainin's freat was brought to Advance is no was about 80 years old, had ferred 40 years in the greatest Employments, and had performed very fignal Services, partie cularly in the defence of Bada in the year 1684; borneither his Services, nor his havings had for Wife the Grand Signior's, Auna, and after her decease, his sitter, availed him, the blande off are unfacediful Campague being turned upon bing and he being farther charged with having converted the soldiers Pay and Provinces to his own profer. The last Autumn sho Grand Viller Cara Ibrahim was for three months confined by an Indisposition to his Chamber, never coming, all that time to the Divan; The Ottoman Arms were unfortunate in all Parts but in Roland, where Solyman Balla defender the Confines with applaule; The Grand Visiter perceiving his Literall begun to be very considerable; and fearing his would be calledted Court, thought it his best way to be the Author of it himself, and accordingly prayed the Grand Signor, that feeing his Sicknels disabled him to take upon him the care of the Publick Affairs, he might have the affiliance of Solyman Basse, which was granted. Solyman arrived at Adrianople the 25th of Nevember, and was recoved by the Visiter with all the appearances of Elicem and areas frigad, thip. The Grand Signion fent him a rich Sable Vell, and swe Horses richly summitted, according to which Example, the Wister and all she great Monande Perfents to him; The next day he fat in the Divan, and dispatched all Publick Business, But the Wister being pretty, well recovered, Lay, the ground Solyman got, which made him resolve to be more thing again from Court. He sherefore represented to the Grand Signion, that Solyman Basse was not only a by an Indisposition to his Chamber, never coming, all that to the Grand Signior, that Splyman Balla was not only a to the Grand Signar, that Solyman 1911a was up, only a faithful and experienced, but fortusate Gommander, and the onely fir Man in the Empire to be feat General into Hungary, which the Grand-Signary approved of. Solyman had Notice of what was doing, and reading his own Farq in what had befolden Shaitab Ibrahima to avoid it, refolded to path the shelf liferibip. He work and, sall himfelf at the Grand Signious Herny declaring histographics to, lay down his Life in Linguist and the October 1818 the clearly but with a taking in blungary, or wherever eller he pleased, but withal taking the theory an acquaint him, that whoever went to Hungary without the Seal ( than is unless the pas Vilier J. would, not be able to boothe Empireday fervices for which the gave many Realons, and being banko by this Friends, who reperferred

the then Viller's infirmities and Unitinels to 189 to the War, the Grand Signior resolved to make Solvman Visier, and the next day an Officer was sent to Cora Ibrahim, to decidand the Seal of Him; which the Officed Signior de incred wish his old hand three Seal of Him; which the Officed Signior de incred wish his old hand three Officed Signior de incred wish his old hand three Officed Signior de incred wish his old hand three Officed Signior de incredit to 150 Aspess a day, and four days after was ordered to retire to Continuity of the Officed Stave of the time at a Hoofe of his or the Bolphorus; He defired Stave I gardy, and Orden campoin the Gaignacan survey of Centre, his Region, and Greek of Signior to the Saray is northed Priloner to the Seragimand his Houle, He was carried Priloner to the Seragimand his Houle was started Priloner to the Seragimand his houle, he was carried Priloner to the Seragimand his houle. The sand Houle of the Jenal Wilsen has given him More y corrilled 2000 Men, and has protested the Seragiment of Butla; and Indiana survey of the Serand Viller goes for fertain to Huggary; And the Serand Viller goes for fertain to Huggary; And the Serand Viller goes for fertain to Huggary; And the Serand Viller goes for fertain to Huggary; And the Serand Viller goes for fertain to Huggary; And the Serand Viller goes for fertain to Huggary; And the Serand Viller goes for fertain to Huggary; And the Serand Viller goes for fertain to Huggary; And the Serand Viller goes for fertain to Huggary; And the Serand Viller goes for fertain to Huggary; And the Serand Viller goes for fertain to Huggary; And the Serand Viller goes for fertain to Huggary; And the Serand Viller go

Confluctionie, perille The late Visit Card fordist after being stipped of all his Estate; we fill the last Mobili gitt on board a Gally and sent to khodes to remain a prisoner in the Cartle there. The present Grand Visier sent him form Money, and a Sable Vest, and the Grand Signior gives him a small allowance for his subsistence. The Grand Signior is expected here in ten Days, and will reside here this Summer, and the Grand Visier will depart about the end of this Month for Bestrade. An Envoy is arrived at Advantable from Moscovy, and with him adotter from the Circlera of the Costack, who are inspect to the Moscovyes They come to complain of the Tarrars, and the Governoir of Macke, a Portress of the Tarrar and the Governoir of Macke, a Portress of the Tarrar before they making incursions into the Countries belonging to the Cars, but it's believed they have other business of more secrecy and importance. The French Ambassador is returned from Advantable, where he has had Addience of the Grand Signior.

hinself, teveral days with Hulling at at an flee; returned the 30th of the last thought to the Burn-Returned the 30th of the last thought to the Burn-Returned. It is faid at Court, that the Marquis de Configures will be made Viceroy of Galicia, where he ferved formerly in the Command of Maistre the Camp General. The Marquis de Villena partiell from thence the first of this month, to go and fais the Campagne in Hungary. We have an account from Cadia, that Six French Men of War, commanded by the Siehr de Villette, were come into that Bay, and that the Mareichal destruct was on the Coast with the French Fleet under the Command. When the Letters came from Cadia, there were it spanish men of War ready to fail, and 9 more were fitting out.
