TUESDAY, JUNE 28, 1853.

At the Court at *Buckingham-Palace*, the 13th day of *June*, 1853,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," and of another Act, passed in the session of Parliament, held in the fifth and sixth years of Her Majesty's reign, intituled "An Act for enabling Ecclesiastical Corporations, aggregate and sole, to grant leases for long terms of years," duly prepared and laid before Her Majesty in Council a scheme, bearing date the second day of June, one thousand eight hundred and fifty-three, in the words following; that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled 'An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,' and of another Act, passed in the session of Parliament held in the fifth and sixth years of your Majesty's reign, intituled 'An Act for enabling Ecclesiastical Corporations, aggregate and sole, to grant leases for long terms of years,' have prepared, and now humbly lay before your Majesty in Council, the following scheme, for determining the portion of the improved value to be made payable to us in a certain lease of a coal mine about to be granted by the Vicar of Batley, in the county of York.

"Whereas by the said last-recited Act it is enacted, that it shall be lawful for any Ecclesiastical Corporation, aggregate or sole (with certain exceptions which do not include vicars), from time to time, with the consent or consents thereby required, to grant or demise by lease, in manner thereinafter mentioned, any mines, minerals, quarries, or beds, belonging to such Corporation, together with the right of working, or of opening and working the same:

"And whereas by the same Act it is further enacted, that in case of any lease of mines, minerals, quarries, or beds, granted thereunder, such portion of the improved value accruing under such lease, as by the authority provided in the

first-recited Act shall be determined, not being more than three-fourth parts, nor less than one moiety of such improved value, shall forthwith, and from time to time, as the same shall accrue, be paid to us, and shall be subject to the provisions relating to monies payable to us:

"And whereas, with the consent required by the said Act, and otherwise in accordance with the provisions thereof, it is proposed by the Reverend Andrew Cassels, the present vicar of Batley aforesaid, to grant, or demise by lease, certain beds of coal, situate at Brownhill, in the parish and township of Batley aforesaid, belonging to him as such vicar.

"And whereas the improved value to accrue under the lease so proposed to be granted as aforesaid, will, according to the meaning of the same Act, be the whole of the rents, royalties, or other reservations which will become payable by virtue of such lease.

"Now, therefore, we humbly recommend and propose, that three fourth parts of the whole net amount of the reservation or reservations to be made in the said lease so to be granted, whether consisting of rent, royalty, or otherwise, shall, by such lease, be made directly payable to us, and that we shall have all the like remedies in respect of such three-fourth parts of any such reservation as aforesaid, as if the same were a separate rent reserved to us as lessors, or grantors, and reversioners of the premises comprised in such lease, independently of the rights and remedies of the said Andrew Cassels, and his successors, Vicars of Batley, in respect of the remaining one-fourth part thereof, without any priority or preference between us and the Vicars of Batley for the time being; and, further, that we shall have full benefit and advantage, either jointly with, or separately from, the said Andrew Cassels and his successors, Vicars of Batley, for the time being, of all or any of the covenants, conditions, and agreements in the said lease to be contained on the lessees' part, in like manner as if we had been grantors, lessors, and reversioners as aforesaid, and as in such lease shall be expressed; and that, for effectuating such objects, the said lease shall, and may, be framed in such manner, and contain all such clauses and provisions as we shall approve, and shall have full force accordingly, any rule of law, statute, or custom to the contrary notwithstanding.

"And we further recommend and propose, that we be authorized to apply, from time to time, as we shall think fit, all or any part of the monies

which shall be received by us, by virtue or on account of the reservation or reservations aforesaid (after deducting therefrom all costs, charges, and expenses which we may have incurred in respect of the premises) towards making better provision for the cure of souls within the present limits of the parish of Batley aforesaid.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in conformity with the provisions of the said recited Acts, or of any other Act of Parliament."

And whereas notice of the said scheme has been given to the said Andrew Cassels, as such vicar as aforesaid, in accordance with the provisions of the first recited Act, and he has made no objection thereto.

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law, immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the Diocese of Ripon.

AT the Court at *Buckingham-Palace*, the 13th day of *June*, 1853,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS Her Majesty's Commissioners for building new churches have, in pursuance of the sixteenth section of an Act passed in the fifty-ninth year of the reign of His Majesty King George the Third, intituled "An Act to amend and render more effectual an Act passed in the last session of Parliament for building and promoting the building of additional churches in populous parishes," and of the third section of an Act passed in the session of Parliament holden in the second and third years of Her Majesty's reign, intituled "An Act to make better provision for the assignment of ecclesiastical districts to churches or chapels augmented by the Governors of the Bounty of Queen Anne, and for other purposes," duly prepared and laid before Her Majesty in Council a representation, bearing date the eleventh day of June, one thousand eight hundred and fifty-three, in the words following, viz.:

"Your Majesty's Commissioners for building new churches beg leave humbly to represent to your Majesty that, having taken into consideration all the circumstances of the parish of Saint Pancras, in the county of Middlesex, and in the diocese of London, it appears to them to be expedient that a particular district should be assigned to the consecrated church of Saint Mark, situate in Albert-road, Regent's-park, in the said parish of Saint Pancras, under and by virtue of the power or authority contained in the sixteenth section of an Act of Parliament, passed in the fifty-ninth year of the reign of His Majesty King George the Third, intituled 'An Act to amend and render more effectual an Act, passed in the last session of Parliament,

'for building and promoting the building of additional churches in populous parishes;' and in the third section of an Act of Parliament, passed in the second and third years of your Majesty's reign, intituled 'An Act to make better provision for the assignment of Ecclesiastical districts to churches or chapels augmented by the Governors of the Bounty of Queen Anne, and for other purposes;' and that such proposed district should be named or called 'the District Chapelry of Saint Mark, Saint Pancras,' and the boundaries thereof should be those hereinafter mentioned; that is to say: Bounded by a line drawn along the north margin of the Regent's Park, on the outside of the said park from the boundary of Saint Marylebone parish, in the Albert-road, and proceeding in a curve inclining towards a south-easterly direction to the end of the same road, next to Gloucester Gate, including in the district all that portion of the Albert-road; thence by a line drawn north-easterly along the middle of Park-street to the corner of High-street, Camden Town; thence northerly along the middle of the Hampstead-road to the Canal Bridge, including Park-terrace, Seymour-place, and Adams'-terrace; thence northerly along the more southerly bank of the canal to the Canal Bridge, in the Gloucester-road; thence north-westerly along the western side of the North Western Railway boundary to the boundary of Hampstead parish, which boundary it follows south-westerly to the boundary of the parish of Saint Marylebone, in Albert Park, Primrose-hill; and then proceeds south-easterly along the latter boundary to the point in the Albert-road where the boundary line of the said district chapelry of Saint Mark, Saint Pancras, commenced, and which is more particularly delineated on the map or plan hereunto annexed, and thereon coloured pink.

"That the consent of the Right Honourable and Right Reverend Charles James, Bishop of the said diocese of London, has been obtained thereto, as required by the Acts and sections hereinbefore mentioned, in testimony whereof he has signed and sealed this representation.

"Your Majesty's said Commissioners therefore humbly pray that your Majesty will be graciously pleased to take the premises into your royal consideration and to make such Order in respect thereof as to your Majesty in your royal wisdom shall seem meet."

Her Majesty having taken the said representation, together with the map or plan thereunto annexed, into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof, and to order, as it is hereby ordered, that the proposed assignment of a district chapelry to the said consecrated church of Saint Mark, in the parish of Saint Pancras, be accordingly made, and carried into effect agreeably to the provisions of the said Acts; and Her Majesty is further pleased to direct that this Order be forthwith registered by the registrar of the diocese of London.

Wm. L. Bathurst.

Downing-Street, June 27, 1853.

THE Queen has been pleased to issue the following Additional Instructions, under the Royal Sign Manual and Signet, to the Governor of New Zealand, for the purpose of providing for the maintenance of the terms of purchase of land and pasturage in the Settlement of Otago, in that

Colony, until the General Assembly of the Colony shall otherwise enact, and for other purposes therein specified :

Whereas by an Act of the 15th and 16th years of Our reign, chapter 72, entitled "An Act to grant a Representative Constitution to the Colony of New Zealand," it is amongst other things provided, that, subject to the provisions therein contained, it should be lawful for the General Assembly of the said colony to make laws for regulating the sale, letting, disposal, and occupation of the waste lands of the Crown in New Zealand, and all lands wherein the title of natives should be extinguished, as thereafter mentioned, and all such other lands as are described in an Act of the session holden in the 10th and 11th years of Her Majesty, chapter 112, "to promote colonization in New Zealand, and to authorize a loan to the New Zealand Company," as demesne lands of the Crown should be deemed and taken to be waste lands of the Crown, within the meaning of the Act: provided always, that subject to the said provisions, and until the said General Assembly should otherwise enact, it should be lawful for Her Majesty to regulate such sale, letting, disposal, and occupation by instructions to be issued under the Signet and Royal Sign Manual. And whereas the New Zealand Company, on the 1st day of August, 1849, issued certain terms of purchase of land and pasturage in the Settlement of Otago (in substitution for other terms of purchase and pasturage therein mentioned), of which said first-mentioned terms of purchase and pasturage a copy is annexed to these instructions.

2. And whereas the Directors of the New Zealand Company did, on the 5th day of July, 1850 (in pursuance of the powers and authorities given to them in that behalf by the Act of the 10th and 11th years of Her Majesty, c. 112, entitled "An Act to promote colonization in New Zealand, and to authorize a loan to the New Zealand Company"), give notice to one of Our Principal Secretaries of State, that they were ready to surrender the charters of the said Company to Us, whereby the lands, tenements, and hereditaments of the said Company in New Zealand, including the lands to which the said terms of purchase and pasturage relate, reverted to, and became vested in Us as part of Our demesne lands in New Zealand, subject, nevertheless, to the contracts which were then subsisting in regard to any of the said lands.

3. And whereas from the 5th day of July, 1850, as aforesaid, the terms of purchase and pasturage aforesaid have been maintained in the said settlement of Otago, so far as the vesting in Us of the lands to which the same related, and the cessation of the operations of the New Zealand Company in New Zealand, allowed of the same being done, the sum payable to the New Zealand Company under the said terms on all sales of land on account of its capital and risk having been paid to Us instead of the said Company. And whereas, on the 23rd day of November last past, the Otago Association had failed in effecting the sale of the 2000 properties in the said terms of purchase and pasturage specified, by which event, under the terms aforesaid, the option of disposing of the whole of the remaining lands to which the said terms relate to other persons has devolved on Us.

4. And whereas it is expedient that provision should be made for the maintenance of the said terms of purchase and pasturage, so far as the same can conveniently be done, until the General Assembly of New Zealand may otherwise provide: now, therefore, We do, in pursuance of the said Act, and in exercise of the powers thereby

in Us vested, and of all and every other the powers in Us in that behalf vested, hereby declare that the said terms of purchase and pasturage shall continue to be observed, so far as this can be done, in respect of all sales of land and licences for the pasturage of lands to which the said terms relate, until the General Assembly of New Zealand shall otherwise enact.

5. And We do further declare that all sums received from and after the 23rd day of November last past, or which shall hereafter be received in respect of the purchase-money of such land, shall be appropriated according to the said terms, except that the two-eighths of the purchase-money assigned by the said terms of purchase to the New Zealand Company, and, since the 5th day of July, 1850, payable to Us, shall cease to be paid, and that in lieu thereof there shall be paid to the New Zealand Company, in conformity with the 74th section of the hereinbefore recited Act, a sum equal to one-fourth part of every sum paid on the sale or alienation of any land in the said settlement; and except that no farther selections shall be made by Us, or on Our behalf, or by the trustees for religious and educational uses, as required under the 19th section of the beforementioned terms of purchase.

6. And We do further declare that it shall be lawful for Our Colonial Land and Emigration Commissioners to exercise, during the continuance in force of these general instructions, such functions as are by the said terms directed to be exercised by the New Zealand Company within the United Kingdom of Great Britain and Ireland, and for such person or persons as you may appoint in that behalf to exercise such functions as are thereby directed to be exercised by the New Zealand Company, or by its Agents, in New Zealand.

Terms of Purchase of Land referred to in the foregoing Instructions.

OTAGO.

THE following Regulations are substituted for those dated respectively the 14th of May and 24th of November, 1847, and the 15th of April, 1848.

1. The Association of Lay Members of the Free Church of Scotland, as reported by the General Assembly of May, 1845, with the addition of such other Members as have been, or hereafter may be from time to time appointed by the Association, to be recognized as the party to promote the settlement now in progress.

2. The lands to be sold under the following arrangements to persons brought forward or approved by the Association; and the Association, (including those persons) to carry out the enterprise on their own principles, and, so far as possible, in their own name, looking only to the Company for such assistance and acts of management in the matter of surveys, emigration, and general process of founding and maintaining the settlement as may be requisite.

3. Amendments which experience may from time to time show to be desirable, to be made by the Company and the Association, concurrently, in those parts of the following arrangements in which they are not already provided for.

4. The site of the settlement to continue to be at Otago in the Middle Island of New Zealand, on the land granted to the Company by a deed under the seal of the territory, bearing date the 13th day of April, 1846, and already decided on, surveyed and laid out.

5. The settlement to comprise 144,600 acres of land, divided into 2,400 properties, and each property to consist of 60½ acres, divided into three

allotments, namely, a town allotment of a quarter of an acre in a spot selected as the site of a town, a suburban allotment of 10 acres in the vicinity of a town site, and a rural allotment of 50 acres, be the measurements more or less.

But each class of land to be sold separately, if so desired by the purchaser; and, in case of such separate sale, the rural allotment to be reduced, if so desired, to 25 acres.

6. The 2,400 properties, or 144,600 acres, to be appropriated as follows, namely:—

2,000 properties, or 120,500 acres, for sale to private individuals;

100 properties, or 6,025 acres, for the estate to be purchased by the Local Municipal Government;

100 properties, or 6,025 acres, for the estate to be purchased by the trustees for religious and educational uses; and

200 properties, or 12,050 acres, for the estate to be purchased by the New Zealand Company.

7. The price of the land for sale in the United Kingdom to be fixed for the present at 40s. an acre, or 120*l.* 10s. a property, if the property be purchased entire as defined in paragraph 5. But if purchased separately, the price of each class of land to be as follows, viz.:—Town land, 12*l.* 10s. per allotment of a quarter acre; suburban land, 30*l.* per allotment of 10 acres; and rural land, 50*l.* per allotment of 25 acres.

The said prices to be charged on the estates of the Municipal Government, of the trustees for religious and educational uses, and of the New Zealand Company, in the same manner as on the 2,000 properties intended for sale to private individuals; and the purchase-money, amounting (at the rate of 40s. an acre) to 289,200*l.* to be appropriated as follows, namely:

Emigration and supply of labour (three-eighths, 7s. 6*d.* in *l.*, or 37½ per cent.), 108,450*l.*

Civil uses to be administered by the Company, viz.:—Surveys and other expenses of founding and maintaining the settlement, roads, bridges, and other improvements, including steam if hereafter deemed expedient, and if the requisite funds be found available (two-eighths, 5s. in *l.*, or 25 per cent.), 72,300*l.*

Religious and educational uses, to be administered by trustees (one-eighth, 2s. 6*d.* in *l.*, or 12½ per cent.), 36,150*l.*

The New Zealand Company, on account of its capital and risk (two eighths, 5s. in *l.*, or 25 per cent.), 72,300*l.*

It is to be observed that from the sum of 36,150*l.* to be assigned to the trustees of religious and educational uses, will be defrayed 12,050*l.*, the price of the 100 properties or 6,025 acres to be purchased as the estate of that trust.

In like manner, out of the sum of 72,300*l.* to be assigned to the New Zealand Company, will be defrayed 24,100*l.*, the price of the 200 properties or 12,050 acres to be purchased by the Company as its estate.

But the 100 properties, or 6,025 acres, constituting the estate to be purchased by the local municipal government, must be separately paid for by that government; and until payment therefore of the price, 12,050*l.*, together with colonial interest thereon, the land will be held by the administrators of the Fund for Civil Uses, with power to dispose of the same, if such payment be not made within one year after the completion of the sales or the remainder of the 2,400 properties.

8. The Company to reserve to itself the power of increasing the prices above mentioned from time to time, as may be arranged after consultation with the Association.

9. In consideration of the consent given by the Company to contribute to the emigration and other special funds, in the same proportions as private purchasers, on account of the 200 properties to be selected as the Company's estate, in lieu of those properties being free of charge or deduction, as was originally intended; and in consideration of the expenses to which the Company is subjected in its general superintendence of the interests of the several settlements, and which ought to be borne in due proportions by the several settlements respectively; the Company to be entitled to charge commission, at the rate of 5 per cent. on the gross amount of the funds appropriated to emigration and to civil uses; and such charge to be debited to those funds respectively.

10. The purchase of the surface, under the present arrangements, to include in every case coal and all other minerals whatever, granted to the Company by the Crown, and lying underneath the allotment purchased; but the Company to have power to exclude lands containing, in considerable quantities, coal or other minerals, from the allotments intended for sale or appropriation, and to reserve them for the purpose of being disposed of in the manner under mentioned.

Lands so reserved and containing coal, to be disposed of by lease or otherwise, in such way as may from time to time be agreed on between the Company and the Association, with a view to prevent the coal-field from becoming a monopoly in the hands of private individuals, injurious to the public interests, and to ensure to the community a due supply of fuel at the cheapest possible rate.

Lands reserved as above, and containing other minerals, to be disposed of in such way as the Company, after consultation with the Association, may from time to time consider most expedient.

11. Reservations to be made, so far as may be practicable, of the sites of villages and towns, with suburban allotments adjacent, in the several parishes and hundreds, which are to be laid out in accordance with the Government regulations on this head.

12. In laying out the chief town of the settlement, named "Dunedin," due provision to be made for public purposes, as fortifications, public buildings, sites for places of public worship and instruction, baths, wharfs, quays, cemeteries, squares, a park and other places for health and recreation; for all which, instructions have already been given to the Company's Principal Agent.

13. Successive parties of colonists to be despatched from time to time, as the Company and Association may deem expedient, whatever the quantity of land sold, due regard being had always to the wishes and convenience of purchasers, and to the proportion between capital and labour; but purchasers to be at liberty to proceed to the settlement at such times as they may individually prefer, without waiting for the parties in question.

14. Five years from the 23rd of November, 1847, the date of the embarkation of the first party, to be allowed to the Association for effecting the sale of the 2,000 properties, or 120,500 acres to private individuals; but on their failing to complete such sale within the time stated, the Company to have the option of disposing of the whole of the remaining lands to other persons.

In the event, however, of the whole 2,000 properties being sold to private individuals within the said period, the Association to have further the refusal, on such terms as shall then be agreed upon, of the entire remainder of the block of 400,000 acres, or such portion of the same as the Company shall not have returned to the Crown under the terms of Mr. Hope's letter of the 7th August, 1845.

15. The full sum, stated in paragraph 7, as the price of each entire property, or each separate allotment desired to be purchased (accompanied by an authority from the Association for receiving such sum), to be paid to the Commercial Bank of Scotland, in Edinburgh, or to Messrs. Smith, Payne, & Smiths, Bankers, in London, on the New Zealand Company's account; and the Bankers' receipt to be transmitted to the New Zealand House, accompanied by a letter stating particulars of the entire properties, or the separate allotments, desired to be purchased, and, at full length, the name, surname, and residence of the person in whose favour the conveyance is required to be prepared.

16. For each allotment purchased as above mentioned, the purchaser to receive a conveyance with as little delay as practicable.

17. Ballots for priority of choice to be discontinued, and each allotment to be assigned to the person first making application for it at the appointed place in the settlement, in accordance with the regulations which may be prescribed from time to time by the Company's Principal Agent in New Zealand, or other officer duly authorized in that behalf.

18. Disputes and simultaneous applications for any particular allotment to be determined either by arbitration or by lot, if the parties concur in desiring either of these modes of decision; and, in default of such concurrence, by the Company's Agent, or other authorized officer. Such determination to be in every case conclusive and binding as against all parties interested.

But if the Company's Agent or other officer decline to give any decision, the parties to be at liberty to have recourse to such remedy as they possess, at law or in equity.

19. Purchasers to be allowed to select out of the whole of the lands of each class which may be surveyed, laid out and open to selection at the time in the settlement.

The municipality and the trustees for religious and educational uses to be entitled to select their respective estates in the proportion of one property or allotment each for every 20 properties or allotments sold to private individuals; and the New Zealand Company in the proportion of two properties or allotments for every 20 so sold.

20. Seventy-five properties, or 4,568 $\frac{1}{2}$ acres, to be placed at the disposal of the Company's Agent, for sale in New Zealand, at the following increased prices, each kind of allotment being sold separately, if so desired by the purchaser; namely, town land, 40*l.* per allotment of a quarter-acre; suburban land, 40*l.* per allotment of 10 acres; and rural land, 50*l.* per allotment of 25 acres.

21. The whole proceeds of the increased prices mentioned in the paragraphs 7 and 20, and also of coals and other minerals disposed of especially under the provisions of paragraph 10, and of the sites of villages and towns with suburban allotments adjacent, as provided for in paragraph 11, to be in all cases appropriated (by eighths) in the proportions and manner laid down in paragraph 7.

22. The Association (including the purchasers and colonists whom they have brought forward or approved) having prepared a deed of trust and relative institutes, dated 6th November, 1847, as a constitution for church and schools, the same to be held as part of the terms of purchase; to trustees appointed thereunder, the funds for religious and educational uses to be handed over as collected, on the completion of each party; the provisions of such deed of trust and relative institutes to be duly observed in all respects; and in this and all other matters the Association to have respect to the full exoneration of the Company from responsibility at the earliest possible period.

23. The emigration fund to be applied as may be decided on from time to time by the Company, after consultation with the Association; and the selection of free or assisted passengers to be entirely confided to the Association.

Purchasers desirous of recommending labourers to the Association for free or assisted passages, to give to the Association written notice of the desire to make such recommendation, with full particulars of the labourers recommended, six weeks before the sailing of the vessel in which the labourers, if approved, are proposed to be sent.

Two-thirds of the amount of the emigration fund (or 30*l.* on each entire property purchased) to be applied to the provision of a supply of labour in accordance with the Government regulations; and the remainder (or 15*l.* on each entire property), subject to the concurrence of the Company, to the passages from the United Kingdom of persons who, under those regulations, are not strictly eligible, such as the parents of grown-up children, children under seven years of age, in excess of the authorized number, and, to a limited extent, purchasers, as detailed in paragraphs 24 to 27 below.

24. Chief-cabin passengers, being purchasers, to be entitled, at any time within 12 months from the date of their respective purchases, to receive one-third of the emigration fund accruing thereon (or 15*l.* on each entire property), as an allowance towards defraying the expense actually and reasonably incurred for the passages to the settlement of the said purchasers and their families, at the rates laid down by the New Zealand Company.

25. Fore-cabin and steerage passengers, being purchasers, with regard to whom the Otago Association may be satisfied that they intend to be hirers of labour in the colony, to be allowed at any time within 12 months from the date of their respective purchases, the same sum as chief-cabin passengers, if, to the satisfaction of the Association, not intending to be hirers of labour, but to be, in fact, labourers themselves, the whole emigration fund accruing on their purchases (or 45*l.* on each entire property), provided in every case that the sum specified be actually and reasonably expended as stated in paragraph 24 above.

26. Passages to be reserved for purchasers and for labourers recommended by them, and approved by the Association, in the ships chartered by the Company, provided that application for such passages be made six weeks before the sailing of the ship in which the parties desire to proceed.

27. Purchasers proceeding direct to the settlement from India or Ceylon, to be placed so far on the same footing as purchasers in the United Kingdom, as to have the same allowance for the passage of themselves and their families, provided the amount be shown to the satisfaction of the Company's Principal Agent to have been actually and reasonably expended on such passage at rates proportionate to those of the Company from England, and provided also the interval between the purchaser's arrival in the settlement and his purchase (whichever be prior in order of time) do not exceed 12 months.

28. The expenditure of the Association, including the committee in London, to be met in the first instance by the Company, to such moderate extent as may be necessary, it being understood that, with the exception of a paid secretary and travelling expenses, if incurred, the members of the Association are to act gratuitously; the whole of such expenditure, together with that already incurred under the arrangements prior to the 14th of May 1847, to be charged to the fund for founding and maintaining the settlement.

29. Subject to the modifications mentioned in the foregoing paragraphs, and to the exception of offi-

cers and funds relating to religious and educational uses, the appointment of officers, and the management and expenditure of the several funds, to be vested altogether in the Company; but all reasonable attention to be paid by the Court of Directors to the recommendations of the Association.

30. In case of any difference arising between the Company and any purchaser with respect to the construction of these presents, or the execution of any contract founded thereon, such difference to be decided by two arbitrators, one to be named by each party, or by an umpire to be named by the arbitrators.

In the event, also, of any difference or question arising, either between private parties, or between such parties and the Company or other public body, or between such public bodies only, and relating to water connected with any land referred to in these presents, or to the possession or use of such water, or to the erection of mills or machinery to be moved thereby, or to any other right or privilege connected therewith, such difference or question to be decided in like manner, either by arbitrators or by an umpire, the whole to be named respectively as above mentioned.

By order of the Court of Directors.

Secretary.

OTAGO.

Terms of Pasturage referred to in the foregoing Instructions.

THE issue of licenses for the pasturage of lands at the disposal of the New Zealand Company in the settlement of Otago, will be allowed until further notice, under such regulations, subject to the following conditions, as may be prescribed from time to time by the Company's Principal Agent in New Zealand or other officer duly authorized in that behalf.

Duration of Licenses.

1. Licenses for the pasturage of land in the Otago Settlement or block of 400,000 acres, while such land continues unappropriated and not required for any purpose other than pasturage, to be granted for periods not exceeding one year, nor less than six months, to end on the 31st of December in each year, but to be otherwise sooner determinable, as hereinafter mentioned. Fresh licenses to be in like manner issued at the end of each year.

Licenses.

2. The persons qualified to hold such licenses, on making application as hereinafter mentioned, to be the owners of not less than 20 acres of suburban or 25 acres of rural land in the settlement, under titles originally derived from the Company; or, with the consent of such owners, their immediate lessees or tenants, to the like extent; in the latter case, however, the owner not to be qualified to hold a pasturage license in respect of the same lands as his tenant.

Applications for Licenses.

3. Applications for such licenses to be made in writing; to be delivered, within the periods hereinafter mentioned, to such persons, and at such times and places as may be appointed by the Company's Principal Agent or other authorized officer; and to contain the following particulars, or such

others as the said agent or other officer may deem necessary, viz. :—

Name and residence of the applicant;

Quantity and class of land under titles originally derived from the Company, held by the applicant in the settlement as owner, and not let (with the privilege of pasturage thereto attached) to any lessee or tenant;

FORASMUCH as this Court was this present day informed by Mr. Bazalgette, of Counsel for the plaintiff, that the plaintiff having exhibited his Bill in this Court against the defendants, which was afterwards amended, pursuant to an Order, dated the 26th day of February last, and sued out process of subpoena against the defendant, John Edward Berkeley Smith, on the 11th day of March, 1853, and again on the 6th day of June instant, to compel him to appear to and answer the said amended Bill; it appears, by

the affidavits of John Mayhew, Henry Heald, and Thomas Hayward, filed respectively on the 13th and 14th days of June, 1853, that the said defendant has been within the jurisdiction of this Court within two years before the said subpoenas were issued, but that, notwithstanding diligent search and enquiries have been made, his present place of abode or resort cannot be ascertained, and that there is just ground for believing that the said defendant is gone out of this realm, or otherwise absconded, to avoid being served with process: it is thereupon ordered, that the defendant, John Edward Berkeley Smith, do appear to the plaintiff's Bill, on or before the 14th day of July next; and it is ordered that the plaintiff do cause a copy of this Order, together with a notice thereof to the effect set forth at the foot of the General Order of this Court in that behalf, to be inserted in the London Gazette within fourteen days from the date hereof, and in two newspapers published in the county of Middlesex, on or before the 30th June instant.
