

" And whereas all the lands, tenements, hereditaments, and endowments formerly belonging to the said prebend of Grantham Borealis (except any right of ecclesiastical patronage), became vested in us by virtue of an Order of your Majesty in Council, bearing date the eleventh day of August, one thousand eight hundred and forty-eight, and duly published in the London Gazette of the fifteenth day of same month, subject to any legally subsisting lease or leases thereof :

" And whereas application has been made to us for the purchase of all our estate and interest in certain portions of the said lands, tenements, and hereditaments ; and, after due consideration, it appears to us to be expedient that we should be empowered to dispose of our interest therein, or in any part or parts thereof, in such manner as shall appear to us to be advisable :

" We, therefore, humbly recommend and propose, that we may be authorized and empowered, by instrument or instruments in writing duly executed according to law, from time to time to sell and duly to convey, according to the provisions of the said Act, all or any of the said lands, tenements, hereditaments, or endowments heretofore belonging to the said prebend of Grantham Borealis, and so vested in us as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise, as he or they shall direct or appoint, and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable.

" And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council ; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act ; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Salisbury.
