NOTICE TO MARINERS.

ALL the floating-lights are now laid out and lighted.

Moreover, it is made publicly known hereby:— That the Light-vessels at "Læssø-Trindelen," at "Kobbergrunden," and at the "Anholt-Knob," are in future to be laid up on the 31st of December, supposing the ice permits them to remain on their stations till then, and they will not then be laid out again before the 1st of March.

That the Light-vessels in "Drogden" and the "Læssø-strait," are ordered to keep their stations as long as the ice permits them to do so. If the floating-ice should force them to leave their stations, they will not be laid out again before the 1st of March.

When the Light-vessel in the "Læssø-strait" is not on her station, on account of ice in the

Cattgat, a white flag with a blue perpendicular stripe will still, according to the notification of the 9th November, be hoisted on the lighthouses of Hanstholm and Skagen; if, from other reasons, it shall be obliged to leave the station, a red ball will appear on the lighthouses of Skagen and Hirtsholm.
