

the church at Beadnell, in the parish of Bam-  
brough, otherwise Bamburgh, in the county of  
Northumberland, be accordingly made, and the  
recommendations of the said Commissioners in  
respect of the publication of banns and the solemn-  
ization of marriages, baptisms, churchings, and  
burials, in the said church, and the fees to arise  
therefrom, be carried into effect agreeably to the  
provisions of the said Acts; and Her Majesty, by  
and with the like advice, is pleased to direct that  
this Order be forthwith registered by the Regis-  
trar of the diocese of Durham.

*C. C. Greville.*

**A**T the Court at *Buckingham Palace*, the  
8th day of *June*, 1854,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS there was this day read at the  
Board, a Report from the General Board  
of Health, dated the seventeenth day of May,  
one thousand eight hundred and fifty-four, in  
the words following; that is to say:

"To the Queen's Most Excellent Majesty.

"We, the General Board of Health, appointed  
for the purposes of 'The Public Health Act, 1848,'  
have, in pursuance of the provisions of that Act, upon  
the petition of not less than one-tenth of the in-  
habitants rated to the relief of the poor of and  
within the township of Heanor, in the county of  
Derby (the number of the said petitioners greatly  
exceeding thirty in the whole), directed William  
Lee, a Superintending Inspector, appointed for the  
purposes of the said Public Health Act, to  
visit the said township, and to make inquiry  
and to examine witnesses as to the sewerage,  
drainage, and supply of water, the state of the  
burial-grounds, the number and sanitary condition  
of the inhabitants, and as to any local Acts of  
Parliament in force within such township, for  
paving, lighting, cleansing, watching, regulating,  
supplying with water, or improving the said town-  
ship, or having relation to the purposes of the said  
Public Health Act; also as to the natural drain-  
age areas, and the existing municipal, parochial,  
and other local boundaries, and the boundaries  
which might be most advantageously adopted for  
the purposes of that Act;

And the said Superintending Inspector, having  
previously given the notices directed by the said  
Public Health Act, proceeded upon the said in-  
quiry in the manner directed by that Act, and  
hath reported in writing to the said Board upon  
the said several matters with respect to which he  
was directed to inquire, and upon certain other  
matters with respect to which he deemed it expe-  
dient to report for the purposes of that Act;

And copies of the said report, accompanied by  
a notice, stating that written statements might be  
forwarded to the said Board with respect to any  
matter contained in or omitted from the said re-  
port, or any amendment proposed to be made  
therein, have been duly published and deposited as  
directed by the said Public Health Act, and the  
time for forwarding such statements has now  
elapsed, and the statements which have been re-  
ceived by the said Board have been duly deposited  
as required by that Act;

And it appears by the said report, that there is  
no local Act of Parliament in force within the

said township, for paving, lighting (otherwise than  
for the profit of proprietors or shareholders),  
cleansing, watching, regulating, supplying with  
water, or improving such township, or any part  
thereof, or in anywise relating to the purposes of  
the said Public Health Act;

"Now, therefore, we, the said General Board  
of Health, do hereby, in pursuance of the said  
Public Health Act, humbly report to your Majesty  
that it appears to us to be expedient that:

"1. 'The Public Health Act, 1848,' and  
every part thereof, except the section numbered  
50 in the copies of that Act, printed by your  
Majesty's printers, should be applied to and be in  
force within and throughout the entire area, places,  
and parts of places comprised within the boundaries  
of the said township of Heanor, in the county of  
Derby, and that such area, places, and parts of  
places should be and constitute a district for the  
purposes of the said Public Health Act accord-  
ingly.

"2. The Local Board of Health to be elected  
under the said Public Health Act should consist  
of nine persons, and that the entire number should  
be elected for the whole of the said district.

"3. The first election of the said Local Board  
should take place on the twenty-first day  
of July, in the year of our Lord, one thousand  
eight hundred and fifty-four.

"4. One-third in number of the said Local  
Board of Health should go out of office on the  
thirty-first day of March in each year subsequently  
to that in which the said first election of that  
Local Board takes place; but in case the day so  
appointed should fall on a Sunday, or on a day  
appointed for public fast or thanksgiving, then  
that such one-third should go out of office on the  
day next following.

"5. Every person at the time of his election  
as member of the said Local Board, and so long as  
he shall continue in office by virtue of such election,  
should be resident, as in the said 'Public  
Health Act, 1848,' is required, and be seized or  
possessed of real or personal estate, or both, to  
the value or amount of not less than five  
hundred pounds, or should be so resident, and  
rated to the relief of the poor of some parish,  
township, or place, of which some part is within  
the said district, upon an annual value of not less  
than four pounds.

"6. At the first election of the said Local  
Board, Mr. Henry Frearson, of Heanor afore-  
said, should have the powers and perform the  
duties vested in or imposed upon the chairman of  
the Local Board of Health by 'the Public Health  
Act, 1848,' in relation to the election by owners  
of property and rate payers, and should perform  
all other duties which it may be requisite for him  
to perform in conducting and completing the said  
first election; and in case the said Henry  
Frearson, from illness, or other sufficient cause,  
should be unable to exercise or discharge such  
powers or duties, or should be absent, or should  
refuse to act, then that Mr. John Argyle, of Heanor  
aforesaid, should exercise and perform such of the  
said powers and duties as then remain to be  
exercised or performed.

"7. The fourteen days' notice of qualification,  
required by 'The Public Health Act, 1848,'  
to be given by owners of property, in order to  
entitle them to vote at the said first election,  
should be given to the said Henry Frearson, at  
his residence, at Heanor, situate within the  
aforesaid district; or in case he should re-
