"By an imaginary line commencing in the middle of Huttart-lane, opposite the end of Lodge-lane, and proceeding in a south-westerly direction along the middle of Huttart-lane, as far as High Park-road; then proceeding in a north-westerly direction along the middle of High Park-road, as far as North-street; then in a north-easterly direction along the middle of North-street, as far as Tan-yard-lane; then proceeding in a south-easterly direction along the middle of Tan-yard-lane, to that part of it now called Croxteth-road, and along the middle of that road as far as Lodge-lane; then proceeding in a southerly direction along the middle of Lodge-lane, as far as Huttart-lane, to the point where the boundary of the said district chapelry of Saint Paul Princes Park commenced; and as the same is more particularly delineated on the map or plan hereto annexed and thereon colored pink.

"Your Majesty's said Commissioners beg leave further to represent that it also appears to them to be expedient that banns of matrimony should be published, and that marriages, baptisms, and churchings, should be solemnized or performed in the said church of Saint Paul at Princes Park aforesaid, and that the fees to arise therefrom should be equally divided between the Reverend James Hassall, the present incumbent of the said district parish of Saint John the Baptist Toxteth Park, and the minister or incumbent of the said church of Saint Paul at Princes Park, during the existing incumbency of the said district parish, and that upon the first avoidance thereof all the said fees should then belong to the minister or incumbent for the time being, of the said church of Saint Paul.

"That the consent of the Right Reverend John Bishop of the said diocese of Chester, has been obtained thereto, as required by the Acts and sections hereinbefore mentioned, and also the consent of the Reverend James Hassall, as the minister or incumbent of the said district parish of Saint John the Baptist Toxteth Park, as required by the Act and section secondly hereinbefore mentioned, in order that the subdivision of such district parish, by forming thereout a district chapelry as aforesaid, should take effect from the assignment of such district chapelry; in testimony whereof the said John Bishop of Chester and James Hassall have signed and sealed this representation.

"Your Majesty's said Commissioners therefore humbly pray, that your Majesty will be graciously pleased to take the premises into your royal consideration, and to make such Order in respect thereto, as to your Majesty in your royal wisdom shall seem meet."

Her Majesty having taken the said representation, together with the map or plan thereunto annexed, into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof, and to order, as it is hereby ordered, that the proposed assignment of a particular district to the consecrated church of Saint Paul, situate at Princes Park, in the district parish of Saint John the Baptist Toxteth Park, be accordingly made and that the recommendations of the said Commissioners in respect of the publication of banns, and the solemnization of marriages, baptisms, and churchings in the said church, and the fees to arise therefrom, be carried into effect agreeably to the provisions of the said Acts; and Her Majesty, by and with the like advice, is pleased to direct that this Order be forthwith registered by the Registrar of the diocese of Chester.

Foreign-Office, June 13, 1854.

IT is hereby notified that the Right Honourable the Earl of Clarendon, Her Majesty's Principal Secretary of State for Foreign Affairs, has received a Despatch from Vice-Admiral Dundas, Commanding Her Majesty's Naval Forces in the Black Sea, addressed to the Lords Commissioners of the Admiralty, and dated the first of June, announcing that the Danube was blockaded by the combined Naval Forces of Her Majesty and of the Emperor of the French.

Admiralty, June 10, 1854.

DESPATCHES, of which the following are copies or extracts, have been received from Vice-Admiral Dundas, C.B., Commander-in-Chief of Her Majesty's Ships and Vessels in the Mediterranean and Black Sea:

PRESENT STATE OF THE FORTS ON THE COASTS OF CIRCASSIA AND GEORGIA.

No. 229.

*Britannia, off Baljeh,
May 25, 1854.*

I BEG you will acquaint the Lords Commissioners of the Admiralty, that the Mogador arrived yesterday from Redoubt Kalé, on the coast of Georgia, having left Sir Edmund Lyons with the Agamemnon, Charlemagne, Sampson, and Highflyer there, on the 20th instant, and I expect him to-night or to-morrow morning.

2. I have not yet received Sir Edmund Lyons' official despatches, which shall be forwarded as soon as I get them; but the result of his movements appears to be, that from the entrance of the Sea of Azof to the Turkish Asiatic Boundary, the flag of Russia only flies over the fortresses of Anapa and Soujak, and the only two vessels that were on that coast have been captured, as noted in my letter No. 214.

3. All the places were evacuated, and the forts and materiel more or less destroyed (many of the guns however being serviceable), except Redoubt Kalé and Poti, from which the Russian soldiers were driven by the fire of the French and English ships, and they were then garrisoned by a bat-
