FRIDAY, JULY 7, 1854.

At the Court at *Buckingham Palace*, the 3rd day of *July*, 1854,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the session of Parliament holden in the sixth and seventh years of Her Majesty's reign, entitled "An Act to remove doubts as to the exercise of power and jurisdiction by Her Majesty within divers countries and places out of Her Majesty's dominions, and to render the same more effectual," it was enacted, that it is and shall be lawful for Her Majesty to hold, exercise, and enjoy any power or jurisdiction which Her Majesty now hath, or may at any time hereafter have within any country or place, out of Her Majesty's dominions, in the same and as ample a manner as if Her Majesty had acquired such power or jurisdiction by the cession or conquest of territory. And whereas Her Majesty hath power and jurisdiction in the dominions of the Sublime Ottoman Porte, and the same or certain parts thereof, hath heretofore been exercised by Her Majesty's Ambassadors, Consuls, and other officers resident within the said dominions. And whereas the right of levying hospital duties on British and Ionian merchant vessels entering the ports of the Levant, was within the powers conferred upon the late Levant Company by its Charter. And whereas under and by virtue of certain rules and regulations duly made and issued by the authority of the late Levant Company, and before the surrender of the Charter of the said company, in the year of our Lord one thousand eight hundred and twenty-five, a certain tonnage rate, or duty, was imposed and levied upon all British and Ionian merchant vessels entering the port of Smyrna, by the British Consul at that port, for the maintenance and support of the sick Seamen's Hospital there. And whereas the said tonnage rate, or duty, has ever since continued to be so levied and applied as aforesaid. And whereas under and by virtue of a certain statute made and passed in the sixth year of the reign of his late Majesty King George the Fourth, entitled "An Act to repeal certain Acts relating to the Governor and Company of Merchants of England trading to the Levant seas, and the duties payable to them, and to authorize the transfer and disposal of the possessions and property of the said Governor and Company for the Public

"Service," it is enacted, that from and immediately after the enrolment of a certain deed or instrument therein mentioned (which deed or instrument has been since enrolled), all such rights and duties of jurisdiction and authority over His Majesty's subjects resorting to the ports of the Levant, for the purpose of trade or otherwise, as were lawfully exercised and performed, or which were by certain letters patent and Acts of Parliament (therein more particularly referred to), or any of them, authorized to be exercised and performed, by any Consuls or other officers, appointed by the said company, or which such Consuls or other officers lawfully exercised and performed, under and by virtue of any power or authority whatever, shall, from and after the enrolment of such deed or instrument as aforesaid, be and become vested in, and shall be exercised and performed by, such Consuls and other officers respectively as His Majesty may be pleased to appoint, for the protection of the trade of His Majesty's subjects in the ports and places respectively mentioned in the said letters patent and Acts, or any or either of them.

And whereas the right of levying hospital dues on ships trading to the Levant was one of the rights theretofore exercised by the said company and its Consuls, and the same may now be lawfully exercised and performed by Her Majesty's Consuls in and throughout the dominions of the Sublime Ottoman Porte. And whereas it is expedient to provide for the establishment, support, and maintenance of British hospitals for sick seamen coming in British or Ionian merchant vessels within the dominions of the Sublime Ottoman Porte.

Now, therefore, under and by virtue, and in pursuance of the premises, and of the said recited Acts of Parliament, and of all or any power, jurisdiction, or authority whatsoever, thereby or otherwise vested in or belonging to Her Majesty in this behalf, Her Majesty is pleased by and with the advice of Her Privy Council to order, and it is hereby ordered, that it shall be lawful for Her Majesty's Consuls residing within the said dominions, and they are hereby authorized, to levy upon all British or Ionian merchant vessels, which may enter any of the ports within their respective jurisdictions, a tonnage duty or dues, not exceeding one penny per ton on each vessel; and they are hereby authorized, directed, and required to apply all the said duty or dues, and all monies raised or received by them on account thereof, for and towards the establishment, main-

tenance, and support of British hospitals, for sick seamen coming in British or Ionian vessels within the said dominions. And Her Majesty is pleased by and with the like advice to order, and it is hereby ordered, that it shall be lawful for Her Principal Secretary of State for Foreign Affairs, from time to time, by any writing under his hand, to make and issue, and he is hereby authorized to make and issue, any such rules and regulations as to him may seem fit with regard to the manner in which the monies, which may be so levied or received as aforesaid by the said consuls, shall be applied or expended for the establishment, maintenance, or support of such hospitals as aforesaid; and Her Majesty is further pleased to order, and it is hereby further ordered, that it shall be lawful for any such Secretary of State as aforesaid, from time to time, by any rule, regulation, or order in writing under his hand, to provide for the exempting any British or Ionian merchant vessel which may within any period therein set forth have once paid the said tonnage duty or dues from all or any other or additional or subsequent payment or liability in respect thereof; and Her Majesty, by and with the like advice, is further pleased to order, and it is hereby further ordered, that it shall be lawful for any such Secretary of State as aforesaid, and he is hereby authorized from time to time by any such rule, regulation, or order in writing under his hand, to alter and vary the rate or amount of the tonnage duty, or dues so to be levied or paid as aforesaid, or the manner of levying or paying or receiving the same; provided always that no such alteration or variation shall extend or operate so as to increase or exceed the aforesaid rate or amount of tonnage duty or dues, that is to say, one penny per ton upon each vessel; and it is hereby further ordered, that it shall be lawful for Her Majesty's Principal Secretary of State for Foreign Affairs, by any writing under his hand, from time to time to limit the extent to which any Consul-General, Consul, or Vice-Consul shall exercise jurisdiction over British subjects within the dominions of the Sublime Ottoman Porte, in the matter of or in any thing relating to the said tonnage duty or dues, anything in the present Order contained notwithstanding; and Her Majesty is, by and with the like advice and consent, pleased further to order, and it is hereby further ordered, that for the purposes of this Order the words British merchant vessel or vessels, and British ship or ships shall be taken and deemed to include all or any merchant ship or vessel being the property of any subject of Her Majesty.

And the Right Honourable the Earl of Clarendon, one of Her Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

AT the Court at *Buckingham Palace*, the 3rd day of *July*, 1854,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Report from the General Board of Health, dated the eighth day of June, one thousand eight hundred and fifty-four, in the words following; that is to say:

"To the Queen's Most Excellent Majesty.

"We, the General Board of Health, appointed for the purposes of 'The Public Health Act, 1848,' have, in pursuance of the provisions of that Act, upon

the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within the township of Garston, in the parish of Childwall, in the county palatine of Lancaster, the same being a place having a known and defined boundary (the number of the said petitioners greatly exceeding thirty in the whole), directed Robert Rawlinson, a Superintending Inspector, appointed for the purposes of the said Public Health Act, to visit the said township, and to make inquiry and to examine witnesses as to the sewerage, drainage, and supply of water, the state of the burial-grounds, the number and sanitary condition of the inhabitants, and as to any local Acts of Parliament in force within such township, for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said township, or having relation to the purposes of the said Public Health Act; also as to the natural drainage areas, and the existing municipal, parochial, and other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of that Act;

And the said Superintending Inspector, having previously given the notices directed by the said Public Health Act, proceeded upon the said inquiry in the manner directed by that Act, and hath reported in writing to the said Board upon the said several matters with respect to which he was directed to inquire, and upon certain other matters with respect to which he deemed it expedient to report for the purposes of that Act;

And copies of the said report, accompanied by a notice, stating that written statements might be forwarded to the said Board with respect to any matter contained in or omitted from the said report, or any amendment proposed to be made therein, have been duly published and deposited as directed by the said Public Health Act, and the time for forwarding such statements has now elapsed, and all statements which have been received by the said Board have been duly deposited as required by that Act;

And it appears by the said report, that there is no local Act of Parliament in force within the said township, for paving, lighting (otherwise than for the profit of proprietors or shareholders), cleansing, watching, regulating, supplying with water, or improving such township, or any part thereof, or in anywise relating to the purposes of the said Public Health Act;

"Now, therefore, we, the General Board of Health, do hereby, in pursuance of the said Public Health Act, humbly report to your Majesty that it appears to us to be expedient that:

"1. 'The Public Health Act, 1848,' and every part thereof, except the section numbered 50 in the copies of that Act, printed by your Majesty's printers, should be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said township of Garston, in the parish of Childwall, in the county palatine of Lancaster, and that such area, places, and parts of places should be and constitute a district for the purposes of the said Public Health Act accordingly.

"2. The Local Board of Health to be elected under the said Public Health Act should consist of twelve persons, and that the entire number should be elected for the whole of the said district.

"3. The first election of the said Local Board should take place on the twenty-fifth day of July, in the year of our Lord one thousand eight hundred and fifty-four.

"4. One-third in number of the said Local Board of Health should go out of office on the

thirty-first day of March in each year subsequently to that in which the said first election of that Local Board takes place; but in case the day so appointed should fall on a Sunday, or on a day appointed for public fast or thanksgiving, then that such one-third should go out of office on the day next following.

"5. Every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, should be resident, as in the said 'Public Health Act, 1848,' is required, and be seized or possessed of real or personal estate, or both, to the value or amount of not less than one thousand pounds, or should be so resident, and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than thirty pounds.

"6. At the first election of the said Local Board, John Abraham Tinne, Esquire, J. P. of Briarley, Aigburth, within the district of Garston, should perform the duties which it may be requisite for him to perform in conducting the said first election; and in case the said John Abraham Tinne, from illness, or other sufficient cause, should be unable to discharge such duties, or should be absent, or should refuse to act, then John Grant Morris, Esquire, of Grassendale, within the district aforesaid, should perform such of the said duties as then remain to be performed.

"7. The fourteen days' notice of qualification, required by 'The Public Health Act, 1848,' to be given by owners of property, in order to entitle them to vote at the said first election, should be given to the said John Abraham Tinne, at his residence, Briarley, Aigburth, within the district of Garston aforesaid; or in case he should refuse, or be unable to receive the same, then to the said John Grant Morris, at his residence, Grassendale, likewise within the aforesaid township of Garston.

"Given under our hands and under the seal of the General Board of Health, this eighth day of June, in the year of our Lord one thousand eight hundred and fifty-four.

(Signed) *Edwin Chadwick.*  
*T. Southwood Smith."*

Now, therefore, Her Majesty having taken the said Report into consideration, is pleased to approve thereof, and by and with the advice of Her Privy Council, doth hereby, under and in pursuance of the "Public Health Act, 1848," order and direct that:

1. From and after the date of this Order the "Public Health Act, 1848," and every part thereof, except the section numbered 50 in the copies of that Act, printed by Her Majesty's printers, shall be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said township of Garston, in the parish of Childwall, in the county palatine of Lancaster, and that such area, places, and parts of places, shall be and constitute a district for the purposes of the said Public Health Act accordingly.

2. The Local Board of Health to be elected under the said Public Health Act, shall consist of twelve persons, and that the entire number shall be elected for the whole of the said district.

3. The first election of the said Local Board shall take place on the twenty-fifth day of July, in

the year of our Lord one thousand eight hundred and fifty-four.

4. 5. Every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, shall be resident, as in the said "Public Health Act, 1848," is required, and be seized or possessed of real or personal estate, or both, to the value or amount of not less than one thousand pounds, or shall be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than thirty pounds.

6. At the first election of the said Local Board, John Abraham Tinne, Esquire, J. P. of Briarley, Aigburth, within the district of Garston, shall perform the duties which it may be requisite for him to perform in conducting the said first election; and, in case the said John Abraham Tinne, from illness, or other sufficient cause, shall be unable to discharge such duties, or shall be absent, or shall refuse to act, then John Grant Morris, Esquire, of Grassendale, within the district aforesaid, shall perform such of the said duties as then remain to be performed.
