

notice in that behalf, on Thursday the thirteenth day of July last, it was resolved,—

“That the Poor Law Board be requested to issue an order, under their seal of office, directing that the Act passed on the 5th August, 1850 (13th and 14th Vict., cap. 57), entitled ‘An Act to prevent the holding of vestry or other meetings in churches, and for regulating the appointment of vestry clerks,’ shall be applied to and put in force within this township as regards the providing of a room for holding the vestry meetings of the township and for the keeping of the township books.”

And whereas there being no Churchwardens of the said township, the Overseers of the Poor thereof have made their application in writing to the Poor Law Board, pursuant to the before recited resolution.

Now, therefore, we, the said Poor Law Board, under the authority of the several Statutes in that behalf made and provided, do hereby order and direct, hat so much of the Act aforesaid as relates to the providing of a room or suitable buildings for the purpose of holding Vestry or other meetings for the transaction of any business of or relating to the said township of Stockton, shall forthwith be applied to and be put in force within the said township of Stockton.

And we do hereby order and direct that a copy of this Order shall be published in the London Gazette.

Given under our hand and seal of office, this tenth day of August, in the year one thousand eight hundred and fifty-four.

M. T. Baines, President.

Courtenay, Secretary.

Northern Lighthouses.

NOTICE TO MARINERS.

WHALSEY SKERRIES, SHETLAND—TEMPORARY LIGHTHOUSE.

THE Commissioners of Northern Lighthouses hereby give notice, that they are at present engaged in erecting a Lighthouse on the Out-Skerries of Whalsey, on the eastern coast of the Shetland Isles, and that until the completion of the permanent Lighthouse, a light will be shewn from a temporary tower, and will be exhibited for the first time on the night of Friday the 15th September, and every night thereafter, from the going away of day-light in the evening, till the return of day-light in the morning.

The following is a Specification of the Lighthouse, and the Appearance of the Light, by MR. DAVID STEVENSON, Engineer to the Commissioners:—

The Lighthouse is situated on the eastern part of the Island of Gruna, in N. Lat. 60° 25' 24", and W. Long. 0° 44' 20", the Bound Skerry of Whalsey bearing from the Lighthouse about E. by compass. The outer or seaward extremity of the Bound Skerry is about half a mile or thereby from the site of the Lighthouse, so that vessels in rounding the light must give it a wide berth.

The Whalsey Light will be known to Mariners as a Revolving Light, which shews a bright White Light once in every minute.

The temporary light will be exhibited from a tower of timber frame work, and is elevated about 108 feet above the level of high-water of ordinary spring-tides, and may be seen at the distance of about 16 nautic miles, and at lesser distances according to the state of the atmosphere. To a near observer, in favourable circumstances, the light will not wholly disappear between the intervals of greatest brightness.

The Commissioners further give notice, that by Order in Council, dated the 3rd day of July last, the following tolls are authorised to be levied in respect of the said Lighthouse; viz.:—

For every vessel belonging to the United Kingdom (the same not belonging to Her Majesty, her heirs or successors, nor being navigated wholly in ballast), and for every foreign vessel privileged to enter the ports of the United Kingdom upon paying the same duties of tonnage as are payable
