

SUPPLEMENT
TO
The London Gazette

Of TUESDAY the 31st of JULY.

Published by Authority.

WEDNESDAY, AUGUST 1, 1855.

War-Department, August 1, 1855.

LORD PANMURE has this day received a Despatch and its Enclosures, of which the following are copies, addressed to his Lordship by Lieutenant-General Simpson, Commanding Her Majesty's Forces in the East.

Mr LORD,

*Before Sevastopol,
July 21, 1855.*

I HAVE great pleasure to inform your Lordship that the health of the Army has greatly improved; cholera has nearly disappeared, and although more sickness has appeared amongst the officers, it is not of that character to cause uneasiness.

With reference to the exterior army, the Russians hold their strong position on the Mackenzie Heights, extending by Aitodor to Albat, with advanced posts by Chouli, Ogenbash, and the strong range of heights overhanging Urkusta and the valley of Baidar. It is reported they have also a force of artillery and infantry at Alupka. The French have pushed forward the whole of their cavalry into the Valley of Baidar, resting upon the Sardinians, upon the left bank of the Souhai river, and communicating with the French upon the Tchernaya, whilst the high ridge protecting Balaklava is guarded by the Turkish Army.

I purpose sending four squadrons of light cavalry into the Valley of Baidar to-morrow, to protect and afford convoys to the commissariat for the purpose of bringing in forage and supplies for the use of the army.

Major-General Markham, arrived on the 19th instant, and, agreeable to the instructions conveyed in your Lordship's telegraphic message, I have appointed him to the command of the 2nd Division.

Sir Stephen Lushington, K.C.B., having been promoted to the rank of Admiral, has been relieved in the command of the Naval Brigade, by Captain Honourable Henry Keppel. I take this

opportunity of recording my sense of the ability and zeal with which he has throughout conducted his arduous and responsible situation of commanding the Naval Brigade, which has rendered such excellent service in our batteries.

I beg also to report to your Lordship that Mr. Commissary-General Filder has been obliged to relinquish the command of his important department, and will have to return to England upon the recommendation of a Medical Board.

I inclose the list of casualties to the 19th instant.

I have, &c.,

JAMES SIMPSON,
Lieutenant-General Commanding.

The Lord Panmure, &c. &c. &c.
