*(Extract from the Canada Gazette Extra  
of 16th July, 1856.)*

## PROVINCE OF CANADA.

By His Excellency Sir EDMUND WALKER HEAD, Baronet, Governor-General of British North America, and Captain-General and Governor-in-Chief in and over the Provinces of Canada, Nova Scotia, New Brunswick, and the Island of Prince Edward, and Vice-Admiral of the same, &c., &c., &c.

To all to whom these presents shall come, or whom the same may concern—Greeting:

GEO. ET. CARTIER, *Attorney-General.*

WHEREAS with a view to promote the trade of the Province of Canada by direct communication with the ocean, it has been deemed expedient to offer every encouragement for means calculated to render the navigation of the St. Lawrence easy and secure; and whereas arrangements have, by and with the advice and consent of Her Majesty's Executive Council for the said province, been entered into with certain contractors for the use of powerful and safe steam vessels to be employed as tug-boats in the said river, to tow vessels in the same from any point between the island of Anticosti and the city of Quebec, on terms highly advantageous to ship owners; and whereas it is desirable that publicity should be given to the tariff for such towage. Now know ye, that I hereby proclaim and make known that, under and pursuant to the said arrangements, four powerful steam vessels are now under contract to ply in the said River St. Lawrence for the above purposes, viz.: two first class iron screw tug steamers, named "Queen Victoria" and "Emperor Napoleon," of seven hundred and fifty effective horse power each, built by Messrs. R. Napier and Sons, of Glasgow, and two Canadian built paddle steamers, named "Admiral" and "Advance," and that the tariff of rates for towing vessels within the above limits has been established at the sums mentioned in the schedule hereunto annexed.

Given under my hand and Seal at Arms, at Toronto, this fifteenth day of July, in the year of our Lord one thousand eight hundred and fifty-six, and in the twentieth year of Her Majesty's reign.

EDMUND HEAD.

By Command,  
T. LEE TERRILL, *Secretary.*
