ORDINANCE ABOVE REFERRED TO.

We, the Commissioners appointed for the purposes of an Act passed in the seventeenth and eighteenth years of the reign of Her Majesty Queen Victoria, intituled "An Act to make further provision for the good government and extension of the University of Oxford, of the Colleges therein, and of the College of Saint Mary, Winchester," do, in execution of the powers given to us by the said Act, ordain as follows:

1. No present or future Fellow of Balliol College, in Oxford, shall be bound as a condition of qualification for the retention of his Fellowship to enter into Holy Orders, and every or any statute, or clause or provision of a statute, of the said College requiring or adjoining all or any of the Fellows thereof to enter into Holy Orders, shall henceforth, so far as regards such requirement or injunction, be absolutely void.

If at the time when any vacant Fellowship within the said College ought, according to the Statutes and Regulations of the said College, to be filled up, there shall not be four Fellows of the said College in Holy Orders, no person shall be capable of being elected to such Fellowship who shall not then be a Priest or Deacon of the United Church of England and Ireland, provided that if, in any such case, the vacancy shall have occurred within three calendar months before the usual day of election, it shall be lawful for the Master and Fellows, if they shall think fit, to postpone the election for any period not longer than one year.

2. The Scholarships, now ten in number, of the original foundation within Balliol College, and the two Scholarships of Dame Elizabeth Periams foundation shall be consolidated into four Scholarships, in manner hereinafter directed.

The said twelve existing Scholarships shall, as vacancies occur therein, not be filled up, but the corporate revenues of the College shall be charged with the maintenance (instead of the said twelve Scholarships) of four Scholarships, to each of which a yearly stipend of not less than fifty-six pounds shall be attached, payable out of such corporate revenues, before any division thereof among the Fellows of the College.

The time at which the first election shall be held to each of the said four Scholarships (from which time, and not before, the stipend attached to such Scholarship shall become payable) shall be in the discretion of the Master and Fellows; provided that all the said four Scholarships shall be filled up as quickly as the occurrence of vacancies in the existing twelve Scholarships shall make it practicable to do so conveniently.

The Exhibition of John Blagdon's foundation, the two Scholarships of John Edgecombe's foundation, the two Scholarships of Richard Ellsworth's foundation, the two Scholarships of Charles Harris's foundation, the Exhibition of Mary Headlam's foundation, and the Exhibitions of Roger Mander's foundation, shall be consolidated into four Scholarships within the said College, in manner following, that is to say: the same several Exhibitions and Scholarships shall, as vacancies occur therein, not be filled up, but all the emoluments of, and appertaining to, the same, which would have been payable to the persons elected into the same, and their successors, had the same been filled up, shall be applied as the same shall become available in maintaining four Scholars within the said College, each of whom shall receive

yearly one-fourth part of the total amount of such emoluments.

The time at which the first election shall be held to each of the last-mentioned four Scholarships, shall be in the discretion of the Master and Fellows, provided that a separate account shall be opened and kept in the books of the College of the emoluments which shall become available from the source last hereinbefore mentioned, and the said emoluments shall, as the same shall become available, be applied in the first place, if the Master and Fellows shall think fit, in repaying to the domus fund of the College any monies which the Master and Fellows may, before the whole of such emoluments shall have become available, have voluntarily advanced out of the divisible corporate revenues of the College, for the purpose of accelerating the establishment of the last-mentioned four Scholarships, and, subject thereto, in establishing and maintaining the same four Scholarships, and to no other purpose whatsoever.

In elections to the eight Scholarships to be established, pursuant to this Ordinance, and in elections to the two Scholarships of Dr. Bell's foundation, no preference shall be given to any person on account of his place of birth or parentage, or of his being of the name, lineage, kindred, or consanguinity of any person named in any deed or will, charter, or other instrument whatever, or of his being, or having been, a Scholar of any school.

The holders of the eight Scholarships to be established pursuant to this ordinance, and the two Scholars on Dr. Bell's foundation, shall be entitled, in addition to their respective stipends or emoluments, to receive tuition free from all charges, and shall be elected on the same days, by the same persons, and in the same manner, and shall be liable to deprivation by the same authority, for the same causes, and in the same manner, as the Scholars of the original foundation are now elected and liable, and shall be subject to such regulations as to their instruction, discipline, and attendance on divine worship, as the Master and Fellows may, from time to time, prescribe.

No person who shall have attained the age of nineteen years shall be eligible to any of the eight Scholarships to be established pursuant to this Ordinance, or to either of the two Scholarships of Dr. Bell's foundation.

The eight Scholarships to be established pursuant to this Ordinance, and the two Scholarships of Dr. Bell's foundation shall be tenable for five years, and no longer; and every Scholar who shall marry, or be elected to a Fellowship in the said College, or cease to be a Member of the said College, shall, ipso facto, vacate his Scholarship.

3. Every probationer, Fellow of Balliol College, shall, on his election, make a declaration in the following form:—"I, A. B., promise to observe the statutes and bye-laws of the College of Balliol, so far as they concern me."

Every actual Fellow of the said College shall, on admission to his Fellowship, make a declaration in the following form:—"I, A. B., will be true and faithful to the College of Balliol, and promote its interests and studies by every means in my power."

Every Scholar of the said College shall, on admission to his Scholarship, be admonished by the Master of the College to observe the statutes and bye-laws of the College so far as they may concern such Scholar.
