NAVIGATION OF THE DANUBE.

A COMMISSION being at present occupied in the preparation of arrangements to be established in concert with the Sublime Porte, for the proper regulation of the port of Sulina, in all that concerns the navigation of the Danube, and it being highly essential to the success of the undertaking that such measures as may be provisionally adopted by the Commissioners should meet with the prompt concurrence and support of those interested in shipping, Her Majesty's Secretary of State for Foreign Affairs and the Lords of the Committee of Privy Council for Trade and Plantations invite the attention of the owners and commanders of vessels resorting to the Danube, to the importance of ready compliance with such rules and payment of such tolls as the Commissioners may find it essential to adopt, pending the passing of permanent laws and a tariff for giving order and security to the navigation of the river.
