Oats, 300 quarters; half to be delivered in two weeks and the remainder in two weeks afterwards, or earlier if preferred by the party tendering.

Tenders may be made for the whole or any portion of the oats.

Their Lordships reserve to themselves the power, when the tenders are opened, of contracting either for the whole, or for such part thereof only as they may deem fit, or for a greater quantity, or of not contracting for any, and also an unlimited power of selection.

Samples of the oats (not less than 2 quarts) must be produced by the parties tendering.

The samples produced by persons whose tenders are not accepted, are requested to be taken away by them immediately after the contract has been decided.

No tender will be received unless made on the printed form provided for the purpose, and which may be obtained on application at the said office, or to Commander Bevis conducting the Packet Service at Liverpool, or to the Collector of Customs at Bristol.

The conditions of the revised contract, to which particular attention is called, may be seen at the said office, and at Liverpool and Bristol.

No tender will be received after half past one o'clock on the day of treaty, and it will not be required that the party tendering, or an agent on his behalf, should attend at the office on the day of contract, as the result of the offer received from each person will be communicated to him and his proposed sureties in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words "Tender for Oats," and must also be delivered at Somerset-House.
