

NOTICE is hereby given, that a separate building, named the English Wesleyan Chapel, situated at Bridgend, in the parish of Newcastle, in the county of Glamorgan, in the district of Bridgend, being a building certified according to law as a place of religious worship, was, on the 4th day of June, 1858, duly registered for solemnizing marriages therein, pursuant to the Act of 6th and 7th Wm. IV., cap. 85.

Witness my hand this 5th day of June, 1858.

Samuel Cox, Superintendent Registrar.

In the Matter of Letters Patent granted to William Thomas, of Cheapside, in the city of London, Merchant, for "improvements in machinery for sewing or stitching various fabrics," bearing date at Westminster, the 1st day of December, 1846.

NOTICE is hereby given, that the patentee of the said letters patent has applied to Her Majesty's Attorney-General for leave (certified by his fiat and signature, as by the statute in that case made and provided), to enter with the Clerk of the Patents of England, a disclaimer and memorandum of alteration of certain parts of the specification to the said letters patent.

William Carpmael, Agent for the Petitioner,
24, Southampton-buildings, Chancery-lane.—14th June, 1858.

Patent Law Amendment Act, 1852.

Office of the Commissioners of Patents for Inventions.

NOTICE is hereby given, that—

178. William Kemble Hall, Engineer, of 36, Cannon-street, in the city of London, has given notice at the Office of the Commissioners of his intention to proceed with his application for letters patent for the invention of "improvements in the manufacture of artificial leather."

As set forth in his petition, recorded in the said office on the 1st day of February, 1858.

205. And David Smithies, of the city of Manchester, Heald Knitter, has given the like notice in respect of the invention of "improvements in the manufacture of healds or harness for weaving."
