

NAVAL PRIZE MONEY.

*Department of the Accountant-General
of the Navy, Admiralty, Somerset
House, October 28, 1858.*

NOTICE is hereby given to all persons interested therein, that preparations are now being made for the intended distribution of the tonnage bounty awarded for the slave vessel, Name Unknown, captured on the 27th April, 1856, by Her Majesty's ship *Dolphin*.

Agents or other persons having any just and legal demand, unliquidated, against the said proceeds are required to transmit the particulars of any such demand to the Registrar of the High Court of Admiralty, in order that the same may be examined, taxed, and allowed by that Officer, and paid under the sanction of the Judge of the said Court.

Agents and all other persons holding powers of attorney, prize orders, assignments, or other instruments, by virtue of which they may be legally entitled to claim the share belonging to any captor, are requested, with as little delay as possible, to transmit the same, accompanied by the usual documents, to the Prize Branch of the Department of the Accountant-General of the Navy, Admiralty, Somerset-House.

Due notice will be given, by future advertisements in the London Gazette, of the date proposed for the commencement of distribution; and, at the same time, the amount of an individual's share in the respective classes will be announced.

Parish of Saint George, Hanover-square.

NOTICE is hereby given, that a separate building, named the Scotch National Church, situate at Halkin-street West, in the parish of Saint George, Hanover-square, in the county of Middlesex, being a building certified according to law as a place of religious worship, was, on the 28th day of October, 1858, duly registered for solemnizing marriages therein, pursuant to the Act of 6th and 7th Wm. IV., cap. 85.

Witness my hand this 29th day of October, 1858.

Thomas Bainard Chappell, Superintendent Registrar.

NOTICE is hereby given, that a separate building, named the Baptist Chapel, situated at Market Brough, in the parish of Brough, in the county of Westmorland, in the district of East Ward, being a building certified according to law as a place of religious worship, was, on the 25th day of October, 1858, duly registered for solemnizing marriages therein, pursuant to the Act of 6th and 7th Wm. IV., cap. 85.

Witness my hand the 26th day of October, 1858.

Thomas Mason, Superintendent Registrar.

NOTICE is hereby given, that a separate building, named Sans-street Wesleyan Chapel, situated at the north-west corner of Sans-street, in the parish of Bishop-Wearmouth, in the county of Durham, in the district of Sunderland, being a building certified according to law as a place of religious worship, was, on the 23rd day of October, 1858, duly registered for solemnizing marriages therein, pursuant to the Act of 6th and 7th Wm. IV., cap. 85.

Witness my hand this 25th day of October, 1858.

Nichs. C. Reed, Superintendent Registrar.

No 22196.

B

Patent Law Amendment Act, 1852.

Office of the Commissioners of Patents for
Inventions.

NOTICE is hereby given, that—

1377. William Blizzard, of 14, Victoria-terrace, Ladbroke-road, Notting-hill, London, Middlesex, has given notice at the Office of the Commissioners of his intention to proceed with his application for letters patent for the invention of "improvements in India rubber, gutta percha, and drying and other oils."

As set forth in his petition, recorded in the said office on the 18th day of June, 1858.

1407. And William Galloway and John Galloway, both of Manchester, in the county of Lancaster, Engineers, have given the like notice in respect of the invention of "improvements in machinery for cutting, bruising, chipping, and rasping, and otherwise treating or preparing dye woods and roots, or other vegetable substances"

As set forth in their petition recorded in the said office on the 22nd day of June, 1858.

1415. And Thomas Spencer, of 192, Euston-road, Euston-square, London, Analytical Chemist, has given the like notice in respect of the invention of "improvements in the treatment of iron ores and ferruginous sands, and certain applications arising therefrom."

As set forth in his petition recorded in the said office on the 23rd day of June, 1858.

1433. And Charles Nightingale, of Wardour-street, Soho, in the county of Middlesex, Bedding Manufacturer, has given the like notice in respect of the invention of "improvements in apparatus applicable to curling and spinning machines for horse-hair and other materials."

1434. And Thomas Booth, of Rahere-street, Goswell-road, in the county of Middlesex, Carpenter, has given the like notice in respect of the invention of "improvements in mounting and fitting wheels and axles to carriages, which improvements are also applicable to pulleys and other parts moving on axes."

As set forth in their respective petitions, both recorded in the said office on the 25th day of June, 1858.

1439. And Patrick Moir Crane, of the Irish Peat Company's Works, Athy, Ireland, Manager, has given the like notice in respect of the invention of "improvements in the manufacture of fuel from peat."

1440. And Thomas Lemon, of Duke-street, in the town of Cardiff, in the county of Glamorgan, Agricultural Implement Manufacturer, has given the like notice in respect of the invention of "improving Cartwright's original patent chain harrow."

1447. And Edouard Pinchon and William Randal Harris, both of Elbeuf, France, Merchants, have given the like notice in respect of the invention of "improvements in machinery for manufacturing healds or harness used in looms for weaving."

1448. And Edouard Edme d'Heurle, of Paris, France, Manufacturer, has given the like notice in respect of the invention of "improvements in boxes for keeping and measuring coffee, tea, and other substances requiring to be preserved from contact of the air."

As set forth in their respective petitions, all recorded in the said office on the 26th day of June, 1858.
