

All these officers deserve and have my cordial thanks.

7. The medical arrangements were well provided for by Assistant-Surgeon Jowett, and those of the Commissariat by Mr. Conductor Lynch, to my entire satisfaction.

8. I deeply lament the loss of three men of the gallant 43rd Light Infantry, by sun-stroke; the afternoon was very hot, and a great many Europeans fell out during the march, and after the engagement; but I am inclined to attribute sun-stroke in these cases to the fact that few of us have yet recovered our natural health and strength, impaired by the arduous hot weather campaign, and the long marches to which we have been exposed.

9. Fortunately the cessation of rain for a few days had dried up the country, and enabled me to surprise the rebels; but our return night march is not to be described. The rain poured down in torrents, and the ravines which are numerous and deep in this neighbourhood, had become rivers. In passing one of them, an incident occurred deserving notice. A mounted artilleryman, Corporal Hughes, got into the deepest part of the stream; his horse was swept away, and he himself on the eve of drowning, when Staff-Sergeant Glasgow, of the Royal Artillery, dashed amid the darkness into the foaming flood, at imminent peril of his life, and saved his comrade.

I witnessed this brave action, and have much pleasure in recording it.

10. A Nominal Roll of Officers engaged, and another of Casualties, including those by sun-stroke, accompany this despatch.

SIR, *Bulliah, August 26, 1858.*

I HAVE the honour to state, for the information of His Excellency the Commander-in-Chief, that having, at Dinapore, during the night of the 14th instant, received urgent despatches, stating that the post at Russoorah, in the Ghazepore district, was being besieged by a force said to be 2,500 strong, I determined to proceed there to relieve it.
