137. And James Montgomery, of the city of New York, in the United States of America, has given the like notice in respect of the invention of "improvements in the construction of the hulls of steam and other vessels, and in the feed-water heaters, boilers, water-gauges, condensers, engines, and propelling machinery appertaining to the former, a portion of which improvements (with the exception of those on the hull), are applicable to analogous useful purposes."

As set forth in his petition, recorded in the said office on the 17th day of January, 1859.

And notice is hereby further given that all persons having an interest in opposing any one of such applications are at liberty to leave particulars in writing of their objections to such application, at the said Office of the Commissioners within twenty-one days after the date of the Gazette in which this notice is issued.

Erratum in Gazette, 28th January.

114. For "Manceau," read "Manceaux."

Vice-Chancellor Kindersley, at Chambers.

In the Matter of the Joint Stock Companies Winding-up Acts, 1848 and 1849, and of the Irish Waste Land Improvement Society.

BY direction of the Vice-Chancellor, Sir Richard Town Kindersley, the Judge to whose Court the winding up of this Company is attached; notice is hereby given, that the said Judge, will, on Friday, the 11th day of February, 1859, at three o'clock in the afternoon, at his chambers, No. 3, Stone-buildings, Lincoln's-Inn, in the county of Middlesex, proceed to make a call on the several persons who are settled on the list of contributories of the said Company, and that the said Judge, purposes that such call shall be for four pounds per share.

All persons interested, are entitled to attend at such day, hour, and place, to offer objections to such call.—Dated this 29th day of January, 1859,
