Namur and Liège and Mons and Manage Railways Company, with their Extension.

No. 19, King's Arms-yard, Moorgate-street, London, 2nd March, 1859.

THE insufficiency of shares represented having rendered the Special General Meeting, advertised for the 12th October last, incompetent to ratify the convention with the Great Northern of France, for the construction of the Namur to Dinant Line (whereby this Company will become relieved from this obligation), the Directors have the honour to convene the Shareholders for a Special General Meeting, to be held in Brussels, No. 9, Montagne de l'Oratoire, the 4th day of April next, at one o'clock in the afternoon, for the purposes following:—

1stly. To approve the provisional convention entered into by the Directors with the Northern of France Railway Company, for the construction and working, by the latter Company, of the line from Namur to the French frontier by Dinant.

2ndly. To make, in the existing statutes, the additions and modifications which are rendered necessary.

3rdly. To authorise the Directors to enter into a definitive convention with the Belgian Government for the introduction of certain alterations in the stipulations of the "Cahier des Charges," for the concession of the line from Namur to Liège.

To prevent further delay and expense in carrying out this important arrangement, which has already been ratified in London, the Directors respectfully urge on Shareholders who will be unable to attend in Brussels, the necessity for their making application to the Agent in London, for forms of proxies.

The numbers of the 174 debentures to be redeemed by lot on the 1st January next, will be drawn previously to the Meeting.

By order,

Wm. Moates, Agent to the said Company.
