

The light, with the exception of being slightly interrupted by the Islands, will be visible seaward from all points of an arc of 193°.

The knoll on which the lighthouse is erected should not be approached within one mile when rounding the light.

**N**OTICE is hereby given, that a separate building, named Mills Hill Chapel, situated at Mills Hill, in the township of Chadderton, in the county of Lancaster, in the district of Oldham, being a building certified according to law as a place of religious worship, was, on the 1st day of July, 1862, duly registered for solemnizing marriages therein, pursuant to the Act of 6th and 7th Wm. IV., cap. 85.

Witness my hand this 2nd day of July, 1862.

*Kay Clegg*, Superintendent Registrar.

Registrar of Friendly Societies in England.
